We are under obligations to Mrs. M. A. Potter for some nice tomatoes which she has just received. They are the first we have seen and are nice and fine. Give her a call at No. 121, west Morgan street.

We hear that the delay in commencing the new electric railway system arises from the fact that it is desirable first to arrange all matters connected with the old company. Work will commence in ample time to comply with agreements entered into.

The Sunday school of Central M. E. Church have decided to picnic at Auburn on the 2nd day of June. They expect to go by rail, and a good time for the little folks especially, is contemplated. Further information will be given later on.

The Railroad Commission is still hearing evidence of the various officers as to passenger and freight rates. It seems that opposition is confined mainly to the decision of the Commission relative to the branch lines. A patient hearing will be given before any final decisions are rendered.

Late yesterday afternoon, while a force of hands from the work house were engaged on the road at the foot of Fayetteville street, a break for liberty was made. They were fired upon by the guards, but without effect. Sion Blake, a white man, made his escape and is still at large. A negro named Lewis, was captured.

I am now a new man and shall proclaim the merits of your medicine to all I can reach."—Geo. P. Fowler, Attorney at law, Palatka, Florida. may 18 6t.

Friend Dughi, across the way is fixing up things very nicely for the accommodation of the people. He is furnishing ice cream and delicately flavored sherberts of different flavors on different days, and proposes to keep the public posted through the VISITOR as what flavor will be served each day. This is very kind, and it should be appreciated.

The sheriff of Halifax county, brought four convicts to the penitentiary today.

The Lend-a-hand circle of the Kings' Daughters' will be furnished with ice cream by A. Dughi, at their lawn party tonight.

Great interest now centers in the approaching commencement at Chapel Hill, owing to the fact that a President is to be chosen in place of Hon. K. P. Battle, who resigned to accept the chair of History. It seems to be almost settled, however, that Prof. George P. Winston will be chosen for the place. The "boys" are nearly all for him.

The second degree will be conferred upon candidates who present themselves, and other matters of importance will be brought before the lodge. The presence of every member is required. Visiting brethren cordially invited.

### Marriages and Deaths.

The VISITOR is always willing to publish the records of marriages and deaths. Aside from being news for the public it is due to the parties interested that such events should be known. It is often very difficult, however to get the full particulars in such cases, and, of course, it is a somewhat delicate matter to call at private residences for the purpose. In fact, it is not the usual custom to do so, as, in most cities and towns such notices are furnished the press. It should be done in all cases, if possible, so that mistakes may be avoided. To guess at the age, &c., of a person who has died, or the names in full of a bride, bridegroom, waiters, &c., at a marriage is no easy matter. Let our friends send in all such notices, and they will be promptly inserted.

### A Grand Offer—Two Papers For The Price of One.

For the next sixty days we will give a year's subscription to the Weekly Philadelphia Times and the DAILY EVENING VISITOR for one year for three dollars cash in advance; or we will furnish the Weekly Times and the WEEKLY VISITOR one year for one dollar cash in advance.

The VISITOR is published in the interest of North Carolina, sparkling with newsy and interesting matter; either paper is worth double the price charged for both. Don't fail to avail yourself of this extraordinary offer. Two first rate papers for half the value of one.

Tomorrow, (Friday) being the day of fasting and prayer appointed by the Board of Missions, there will be a service of prayer at 5 o'clock p. m., in Edenton street Sunday school room. The members of Central Auxiliary are invited to meet with us.

MISS BLANCHE FENTRESS,

### The Guilford Celebration

The celebration at the Guilford battle ground on the 4th of July next is to be a grand affair, and extensive preparations for the occasion are in progress. The grounds are situated a few miles from Greensboro, and are easily reached by trains on the Cape Fear and Yadkin Valley Railroad. ### To Those Who Want to Save Money.

We will state for the benefit of those who would like to save money, on anything that they may need in dry goods that we have reduced the price on many lines down to prime wholesale cost, and on some classes of goods we have reduced to a little less than cost. Now when we offer goods at cost it means a big bargain, for we buy our goods only for the hard cash; hence we get them as cheap as they can possibly be bought. We are doing this in order to reduce our mammoth stock before moving in our new quarters. It will be to your interest to examine our mammoth stock before buying.

Yours Truly,  
D. T. SWINDELL.

In a portion of our article yesterday relative to the abandonment case, we stated, that the woman arrested at Henderson was not promptly returned owing to a defect in the warrant. As to that, we were misinformed; there was no warrant issued and consequently no defect the woman being arrested on a telegram. The proper papers were sent by officer Beasley last night.
