NEWS NOTES ABOUT THE CITY.

What Our Reporters See and Hear Worth Giving to Our Readers—News in Brief.

The musicale tonight has been postponed.

Mayor Badger had no cases of importance.

The bridge over Crabtree creek at Morrisville, was washed away this morning.

We hear that the excursion of the Baptist Tabernacle netted a snug sum.

Owing to the inclement weather to day, Gov. Holt did not deem it prudent to be out to day.

The Drum Corps of the Governor's Guard will meet in their armory to night at 8 o'clock.

Persons from the country today, say that Crabtree Creek and Neuse River are on the rampage.

"All my reports go with the modest truth. No more nor clipped but so." Bradycrotine always cures all headaches at all times. my25 6t

A gentleman from the country reports, there is fear that the heavy rain of last night will cause much damage to crops in the low grounds.

The many friends in this city, of Capt. W. S. Ball, of Greensboro, will deeply regret to hear that he was stricken with a slight attack of paralysis at the Quincey hotel, in Winston, yesterday morning. We most sincerely hope that he will soon recover.

The excursionists of the Baptist Tabernacle returned from New Berne this morning between 2 and 3 o'clock. The cause of the delay was hot boxes. They left New Berne about half past five o'clock yesterday afternoon. Aside from the delay the trip was highly enjoyed.

Let every Odd Fellow in the city attend the joint meeting of the two lodges to night and help devise a plan by which we can induce the Trustees to locate the Odd Fellows Orphan Home in or near our city. Meeting will be held in the Knights of Honor Hall, over the Citizens bank.

We hope the Northern Settlers Convention will be well attended by the citizens of Raleigh, never mind the weather. Attendants upon conventions have become used to storms, with the belief that the turmoil of the element outside always has pleasant offsets by the calm and comfort within the walls of the convention halls. The session will be extended long enough to admit of a general attendance.

It is in contemplation to run an excursion sometime next month, between this city and Richmond, Va. The fare will be very low and a splendid opportunity will be given to visit the historic capital of the Old Dominion. There is no more interesting city, in the entire country than Richmond, and, all who go may expect a rare treat, at a trifling expense.

Another very heavy rain last night.

The market is well stocked with cherries.

This weather is another drawback on operations at the site of the new Union Depot.

Extensive preparations are being made for the commencement exercises at Peace Institute which begin next week. A large attendance is expected, as the programme will be an attractive one.

The present summer promises to be one of special interest to all who desire to take trips for pleasure or health. The different roads in the State will, on and after June 1st, offer low rates, tickets good returning on or before October 30th.

Increased interest will be developed in the battle ground celebration, near Greensboro, on the 4th of July, from the announcement that Hon. K. P. Battle of the State University, will deliver the address. His theme will be "the life and services of Gen. Jethro Sumner."

Base Ball.

There was a game of base ball played yesterday between Raleigh and New Berne; the game was close and exciting, the score resulting 4 and 5 in favor of Raleigh.

I. O. O. F.

Regular meeting of Seaton Gales lodge, No. 64, I. O. O. F., tonight at 8 o'clock sharp. The third degree will be conferred, and other matters of importance will be brought before the lodge which requires the presence of every member. Visiting brethren invited. Don't fail to attend.

Musicale Postponed.

On account of the continued inclemency of the weather it has been decided to postpone the musicale which was announced for this evening at Mrs. Badger's residence. An early date will be fixed upon and due notice given.

Edwards & Broughton to Miss Sophia Nixon, daughter of Dr. T. F. Nixon, of Raleigh. After the ceremony the happy couple took the Tabernacle picnic train for this city. We extend to the young couple our heartiest congratulations and hope that their future life may be one continuous "pic nic."

Died.

At 4:30 o'clock yesterday afternoon, at the residence of his parents just west of the city, Willie Harrell, son of W. A., and Ida Harrell, aged fourteen months.

At her residence, corner of Salisbury and South street, last night at 2:30 o'clock, Mrs. S. J. Freeman. She was a loving wife, a devoted mother, and a faithful christian. The funeral services will be held tomorrow morning at 10 o'clock, from the Baptist Tabernacle.

"Columbia."

When Mr. C. G. Stone, that energetic young business man took the agency of the Columbia Bicycle we knew he would make a success of the business. He has already taken several orders. Mr. Stone did not go into it merely for the profit as he is busily engaged, but being an ardent admirer and staunch advocate of the "wheel," he wished to see Raleigh on an equal with other places, where the bicycle is used for business and professional purposes as well as for amusement. Raleigh should have a Gentleman's Bicycle Club and a Ladies Club as well, and we hope to see the movement agitated soon.

Northern Settlers Convention.

This body met in the House of Representatives today. It was called to order at 12:40 o'clock by Mr. G. Z. French, of New Hanover, and Prof. Chamberlaine was chosen as secretary. The President made a few well timed remarks, stating the object of the meeting to make preliminary arrangements for the meeting to be held on the 5th of next October; this meeting will continue until October 10th. Various resolutions were offered and adopted. They declare to the north, east and west the advantages of citizenship &c in the South.

A resolution endorsing the invitation to the President of the United States to attend the Exposition, and asks the chairman of the meeting to add to the committee.

A resolution declaring as the sense of the meeting, that there has never been a period so bright for the Southern States, and that a helping hand will be extended to all who come.

A resolution asking for displays from the northern, western and eastern States at the Exposition.

A resolution appointing a committee to invite Gov. Holt, Auditor Sanderlin, R. H. Battle, Mr. Primrose and the general manager of the Inter State Bureau to address the meeting tonight.

A resolution complimentary to Gov. Holt.

A resolution providing that proceedings of the meeting be furnished in addition to the press generally, the Agricultural Bulletin and the Agricultural Associations.

A resolution inviting clergymen and the ladies to be present at the meeting.

The body adjourned until 8:30 o'clock tonight, in the hall of Representatives.

The audience was quite as large as expected, but it is probable there will be a much larger crowd tonight.

A Welcome Meeting.

The Northern Settlers Convention as will appear from the proceedings published in this issue, assembled in the Hall of the House of Representatives today. It is well worth the attendance of our citizens, for it is a body of peculiar interest to them. It is composed of northern men, become North Carolinians, identified with our own people in thought, feeling, purpose, and interest, and this assemblage means more than the gathering together of certain men. It means that these certain men must meet together to bear truthful and grateful testimony to the fairness, justice and kindness of southern conditions and associations, and to confirm and encourage by the evidence they shall give the tendency of many of their former friends and associates to follow in their footsteps and find their homes and fortunes in the same land where they have prospered.

As Gov. Holt, Auditor Sanderlin, Mr. W. S. Primrose, Mr. R. H. Battle and others are expected to address the meeting tonight, we hope our people will generally turn out to hear them, thus encouraging by their presence the objects in view.

Still They Come.

Mr. W. C. Stronach, Treasurer of the Confederate Soldiers' Home has received a check for \$25 from Mr. D. Gore, of Wilmington, for the benefit of the Home. Other contributions have been received from Mr. W. J. Young and Miss Robena Tillinghast.
