The rain for the past week has interfered with the sale of lots, but they have been going all the same. Seawell Heights is the most popular suburb spot around this city, the view from there as you look back to the city is lovely. A gentleman from Knoxville and another from Greensboro saw these lots this week, and were charmed. They both declared they had never seen such beautiful lots at anything approaching them in price. They are cheap, just about half the price you would expect to be charged for them. If you buy now you can have a home on Seawell Heights in the beautiful northeast suburb of our city at a very small price on terms to suit you.

## Railroad Commission—Important Definite Decisions.

The Railroad Commission at the session during yesterday transacted the most important business that will probably ever come before that body. The rates for passenger and freight traffic over the various main railroads and branches of the State was definitely settled, after a most careful exchange of views with the leading officers.

It was agreed in substance that the commissioners standard tariff should continue on most of the main lines, but that on branches, or on lines on which the expenses were barely met by the receipts, or on which from causes the cost of building and equipping such branches were more than ordinarily heavy, the freight and passenger rates were placed at a uniform rate, of three and a half cents per mile for first class and three cents for second class passengers.

The roads in favor of which this discrimination is made are as follows: Oxford and Clarksville, Murphy Division, Yadkin Railroad, North Western, N. C. Road, Louisburg Branch, Carolina Central, Scotland Neck Branch, Al. & Raleigh road, Cheraw & Salisbury.

Wilmington and Weldon Railroad and branches add ten per cent to commission's standard tariff, classes 4, 5, 6, A, B, E, H. commissions tariff on all others.

Lynchburg & Durham, 3½ cents for 1st class and 3 cents for second class.

The Commissioners will probably adjourn their present session next Monday.

### The Grandest Success of the Kind Ever Known in Raleigh.

To say, the big special sale at Swindell's yesterday was a grand success, would very mildly express it. The sale was advertised to begin at 10 o'clock but long before that hour the vast crowd began to assemble, and a few minutes past 10 o'clock the entire store, and sidewalk and street in front of the store was completely blocked with people from the country and the city, both young and old. By this time the crowd was so great, the store being literally packed and jammed rendered it utterly impossible for us to wait on the trade. The only thing left for us to do, was to ask part of the crowd to retire, so the sale could go on. We very much regret being compelled to call in officers to assist in clearing out some of the crowd, but it would have been utterly impossible for us to have waited on any one had the entire crowd remained in the store. We sincerely hope that all who retired will thoroughly understand, and appreciate our situation; it was not our intention to offend any one. Our next special sale will be next Friday, June 5th. On that day we will place on sale a big lot of childrens and misses hose, No. 6 to 9 1/2 at 10c a pair. These goods are slightly imperfect, but are richly worth 25c per pair. Will not sell more than six pair to each customer.

Yours Truly,  
D. T. SWINDELL.
