

"Tired Out."

"Just tired out," the neighbor said,
Turning from the squalid bed,
Where the weary woman lay,
Panting life's last hours away.
Save that sound of sobbing breath,
All was still as coming death;
For the frightened children covered
Where, with heavy brows that lowered,
Neath the long enduring strain,
The mute husband bore his pain.
Just tired out—far down below
Waves were fretting on the flow;
And the full, recurrent roar
Echoed upward from the shore,
Fainter grew the pulses beat
As the worn hands plucked the sheet,
And the death damps gathered, where
Ruffled all the tangled hair,
Said the watcher at her side,
"She is waiting for the tide."
When the waves had ebbed anew,
The tired life was over too,
Gone from want and care and ill,
Very peacefully and still,
After all she bore and wept.
Hard worked wife and mother slept;
Very fair she looked, and meek.
Long dark lashes swept her cheek,
Worn hands crossed upon her breast,
For "the weary were at rest."

THE SECRET OF OUR SUCCESS.

WE CLAIM that a combination of local and constitutional treatment is necessary to thoroughly eradicate Catarrh. Exclusively local applications, if made when the trouble first begins, sometimes cure, but more frequently drive the disease to other parts of the system, where it develops in a far more serious form. Blood purifiers may improve the condition of the system, but they seldom cure—for they do not reach the seat of the disease. Certain Catarrh Cure is the only preparation which combines local and constitutional treatment, and can consistently claim to cure Catarrh in all its forms and stages. It is cheap, easily used, purely vegetable, entirely harmless. By it, others, who had no faith, have been cured: **YOU CAN BE**, whether you have had the disease one year or fifty; whether it is in the head, stomach or bladder. **TRY IT NOW.**

DELAY IS DANGEROUS.

Past Failures Need not Discourage You.

\$1,000 Reward—a Humbug!

Don't Be Deceived by the offer of a large reward in case some medicine fails to cure you. If the reward is claimed, there is always some way to evade its payment; if never claimed, it is no evidence that everybody, or anybody, has been cured; but it speaks well for the intelligence of our people, that no one is fool enough to expect its payment. **\$1,000,000** might be offered with equal safety; for it is needless to say that the user of such medicines always dies before their proprietors are convinced that he "can't be cured." It is one of the most deceptive schemes that ever insulted an enlightened people.

We are disposed to give the public every protection possible against the imposition of scheming frauds or worthless nostrums, but **NO DEPENDENCE CAN BE PLACED IN GUARANTEES.** If Congress will pass a law by which all medicines are subjected to a thorough test, and their merits—in the diseases which they claim to cure—are fully established before they can be offered for sale, we will heartily favor it. An honest remedy suffers more from the failure of other preparations to establish their claims, than from all other causes combined—as disappointment in one medicine causes distrust in many.

In Support of Our Claims,
We offer the testimony of those who have tried Certain Catarrh Cure to their entire satisfaction. "An ounce of experience is worth a pound of theory." Our endorsers are well known persons, who are alive and can be found. Not one of our testimonials was purchased at any price. They are the voluntary expressions of parties who seek to benefit humanity. A perusal of them will surely convince you that our claims are well founded. If you have Catarrh, you cannot afford to be indifferent to its progress. Treatment cannot be commenced too early. The longer disease continues, the more time it will require to be eradicated. Your unsatisfactory experience with other remedies should not influence you against ours. Lay aside distrust; give Certain Catarrh Cure a fair test, and you will, throughout the remainder of your life, feel thankful to us for the advice.

We have handled Certain Catarrh Cure since its first introduction. It has given general satisfaction, and such has been the increase in demand, that our purchases during the last six months have amounted to nearly twenty-five gross.—The Lamar Drug Co., Atlanta, Ga., May 1st, 1889.

Its Harmlessness.
Makes it entirely safe to try Certain Catarrh Cure for any trouble, without the slightest fear of injury. It is a purely vegetable preparation, and to the most delicate constitution, or organ of the body, can produce no bad effect whatever.

REMEMBER!
Certain Catarrh Cure is not simply a snuff or local application, to drive the disease from the nasal organs into the system; nor a blood remedy, to tone up the system and leave the nasal parts uncured; but it is a combination of both methods, and the only remedy which will give satisfaction in the many different stages of catarrh. The genuine bears our Trade Mark. Take no substitute. Price, \$1. Six bottles \$5. Of Druggists, or by Express, prepaid, on receipt of price. Book of Information free.
