**Died.**

The little child that was abandoned by its inhuman mother a short time since, died this morning at the residence of Mr. John Beasley, who resides at No. 309, east Cabarrus street, aged two months.

Mr. Beasley and his most estimable wife took charge of the little one and carefully attended to it, ministering to its wants in every manner that they could before it died. They named the child "Minnie."

It is indeed a sad case, but do doubt the child is better off.

We can but think that a just retribution will yet overtake those who flagrantly violated the laws of GOD and man.

The funeral will take place at 10 o'clock tomorrow morning from the residence of Mr. Beasley.

Yours Truly,

A girl in Kentucky who had an obdurate sire eloped with her fellow into Indiana and got married. There upon her irate sire charged her with "perjury" in falsely swearing to her age, and got out requisition papers for her arrest and return to Kentucky. Gov. Hovey, who had not forgotten the day of his youth, declined to honor the requisition because he did not think the old man should try to make a felon out of his daughter simply because she thought she could be happier with that young fellow than with him, and did what under the circumstances it was perfectly natural she should do.

**SPECIAL NOTICES.**

Bargains may be had in zephyrs Rope Linen, Embroidery Silks, Fringes, Pompan's Stamped Linen and other goods that were partly damaged by the water during the fire of May 5th at the Singer Machine office. Respectfully,

E. KARKER.
