The bridge on Hillsboro street, over the railroad is getting to be rather an old looking concern, and reflects no credit on the city. It should certainly be replaced by an iron bridge before the exposition commences.

## SAD ACCIDENT

### A Raleigh Young Man Run Over and Killed.

A telegram was received here last night by Mr. W. S. Primrose announcing the sad intelligence that Mr. Will Williams, youngest son of the late John G. Williams, had been run over and killed by a train. The dispatch was from Abbeville, S. C., and it is presumed that the sad occurrence took place at or near that place.

This is indeed a most lamentable affair and has cast a deep gloom over, not only the relations of the deceased but upon the community. "Will" was a most promising young man and an especial favorite of all who knew him. The remains arrived in this city at 11:30 o'clock this morning.

At this writing we are not in possession of full particulars of the accident.

### FURTHER PARTICULARS.

The remains were accompanied to this city this morning by Mr. John G. Williams, a brother of the deceased, and Mr. Don Woodell. They were met at the depot by the following young gentlemen who had been selected as pall bearers: Messrs. W. R. Tucker, J. F. Brown, J. Turner, J. M. Marshall, Edgar Haywood and W. B. Grimes.

The procession was formed and the body was taken to the First Baptist church from whence the funeral took place this afternoon at 5 o'clock.

To Mr. Don Woodell we are indebted for the following particulars of the sad accident: It happened about 4:30 o'clock yesterday afternoon at a place called Sandy river, on the G., C. & N. Railroad. The afternoon was very hot and young Williams sought refuge from the sun by going under one of the coaches of a train standing on the track, where he laid down and fell asleep. His presence there was not known to the engineer, and soon after the train was backed, running over the young man. His left lung was badly crushed and two of his ribs and the right leg broken. He was taken in charge and every effort made to save his life, but in vain, as he died after two hours suffering.

Mr. Williams, we learn, was undergoing a complete routine to fit him for the position of an engineer, and was acting as fireman. It is said that he had exhibited such proficiency that he would soon have been put in charge of a locomotive.

As we go to press the funeral is in progress at the First Baptist church attended by a large crowd of relatives and friends. Loving hands bestowed garlands of beautiful flowers to deck his casket and sympathetic hearts bore testimony of the high esteem in which he was held.

To the stricken mother brother and sisters of the lamented young man, the VISITOR tender its sincere sympathy.

On account of the rain we will continue the sale of those misses black ribbed hose, the regular 25 cent goods at 10 cents all day tomorrow as many people were prevented today by the rain from getting them, and as this sale is purely an advertisement, we want all to have an opportunity of getting some of them.

On Monday we will offer the greatest special sale we have ever had. A lot of 500 dozen of the very nicest oil window shades, worth from 75 cents to \$3.00 each. On Monday we will sell these goods at 50 cents each, complete with spring rollers, &c.

D. T. SWINDELL.

Bargains may be had in zephyrs Rope Linen, Embroidery Silks, Fringes, Pompan's Stamped Linen and other goods that were partly damaged by the water during the fire of May 5th at the Singer Machine office.

Respectfully,  
E. KARRER.

June 1, 1891.—M Wand F.

## Are You Ready?

All who are fortunate enough to accompany the First Baptist Sunday school to Winston, June 9th will have an opportunity for pleasure and sight seeing in the busy, hustling city of Winston rarely presented. The S. S. of Winston are making elaborate preparations for a day of solid enjoyment for all who go, while the officers of the school here are carefully arranging all matters pertaining to the comfort and safety of all. They will have four commissioned police officers, twenty marshals and four conductors, who will look after the comfort and safety of all. Every coach will be well supplied with water going and coming. Round trip tickets can be had at Alfred Williams & Co's, Thos. H. Briggs & Sons and D. T. Johnson's for \$2. Members of the school will get tickets of T. H. Briggs, Esq. Secure your tickets at once and participate in the enjoyments of this trip.

### Fourth of July.

There was another meeting of the 4th of July committee at the Mayor's office yesterday afternoon at which it was decided to request the Board of Aldermen to appoint a committee of three from the Board to act in conjunction with the citizens committee and proposed that Mayor Badger be the chairman of the joint committee. It was also decided to ask the Board to contribute \$150, and that the committee raise a like amount or more.

It is hardly necessary we presume to urge upon the Board of Aldermen the necessity of acting upon the request made, as no doubt they will see it for themselves. The people want a glorious old fashioned celebration of our National Independence day, and no one we presume would object to the small outlay asked for. Let the Board attend promptly to the matter at their meeting tonight.
