

**Five Little Chickens.**

[Baltimore World.]  
Said the first little chicken,  
With a queer little squirm;  
"Oh, I wish I could find  
A fat little worm!"  
Said the next little chicken,  
With an odd little shrug;  
"Oh, I wish I could find  
A fat little bug!"  
Said the third little chicken,  
With a sharp little squeal;  
"Oh, I wish I could find  
Some nice yellow meal!"  
Said the fourth little chicken,  
With a small sigh of grief;  
"Oh, I wish I could find  
A little green leaf!"  
Said the fifth little chicken,  
With a faint little moan;  
"Oh, I wish I could find  
A wee gravel stone!"  
"Now, see here," said the mother,  
From the green garden patch,  
"If you want any breakfast,  
You must come and scratch!"

**Tank of Gasoline Explodes.**

CINCINNATI, June 12.—Those who were abroad this morning at an early hour were surprised by a sudden glare in the southern heavens. It was caused by the explosion of a tank of gasoline on the tracks of the Louisville and Nashville Railroad at Wilder's station, about a mile back of the tubular affairs that are carried on cars, and contained at least 2,000 gallons of the inflammable stuff. It is probable the excessive heat of the day caused a volatile gas to ascend from the tank, which was ignited by a spark from an engine.

**Children Cry for Pitcher's Castoria.**

When Baby was sick, we gave her Castoria.  
When she was a Child, she cried for Castoria.  
When she became Miss, she clung to Castoria.  
When she had Children, she gave them Castoria.

**A Big Steal.**

Philadelphia Record.  
A defalcation of at least \$150,000, and more likely \$500,000 traced to Julio Merzbacher, the missing general agent of the New York Life Insurance Company for the West Indies and Spanish America, has staggered the officers of that great and immensely wealthy concern. Merzbacher when accused of this gigantic theft by his partner Joaquin Sanchez in South America last December, made a clean breast of the affair. Then notice was sent out to all agencies of the company in Spanish America that Merzbacher had retired, owing to ill health.

**Sam Jones at Little Rock.**

The Twin City Daily says. "The great religious revival at Little Rock, Arkansas, by Rev. Sam Jones, came to a close last Tuesday night. It is estimated that there were 10,000 conversions during his stay in that city. The last night's meeting brought out an immense throng, the largest that ever assembled in that State. More than 18,000 were present and at least 5,000 were turned away for want of room.

In Steuben county, N. Y., a few days since a young man named Scripture was sent to jail for six months for bad conduct. The police authorities there evidently thought him a sort of Scripture had needed some revision.

"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me."  
H. A. ARCHER, M. D.,  
111 South Oxford St., Brooklyn, N. Y.

"I use Castoria in my practice, and find it specially adapted to affections of children."  
ALEX. ROSSIGNOL, M. D.,  
1057 2d Ave., New York.

"From personal knowledge and observation I can say that Castoria is an excellent medicine for children, acting as a laxative and relieving the pent up bowels and general system very much. Many mothers have told me of its excellent effect upon their children."

**THE SECRET OF OUR SUCCESS.**

WE CLAIM that a combination of local and constitutional treatment is necessary to thoroughly eradicate Catarrh. Exclusively local applications, if made when the trouble first begins, sometimes cure, but more frequently drive the disease to other parts of the system, where it develops in a far more serious form. Blood purifiers may improve the condition of the system, but they seldom cure—for they do not reach the seat of the disease. Certain Catarrh Cure is the only preparation which combines local and constitutional treatment, and can consistently claim to cure Catarrh in all its forms and stages. It is cheap, easily used, purely vegetable, entirely harmless. By it, others, who had no faith, have been cured: YOU CAN BE, whether you have had the disease one year or fifty; whether it is in the head, stomach or bladder. TRY IT NOW.

**DELAY IS DANGEROUS.**

Past Failures Need not Discourage You.  
We offer the testimony of those who have tried Certain Catarrh Cure to their entire satisfaction. "An ounce of experience is worth a pound of theory." Our endorser are well known persons, who are alive and can be found. Not one of our testimonials was purchased at any price. They are the voluntary expressions of parties who seek to benefit humanity. A perusal of them will surely convince you that our claims are well founded. If you have Catarrh, you cannot afford to be indifferent to its progress. Treatment cannot be commenced too early. The longer disease continues, the more time it will require to be eradicated. Your unsatisfactory experience with other remedies should not influence you against ours. Lay aside distrust; give Certain Catarrh Cure a fair test, and you will, throughout the remainder of your life, feel thankful to us for the advice.

We have handled Certain Catarrh Cure since its first introduction. It has given general satisfaction, and such has been the increase in demand, that our purchases during the last six months have amounted to nearly twenty-five gross.—The Lamar Drug Co., Atlanta Ga., May 1st, 1889.

\$1,000 Reward—a Humbug!  
DON'T BE DECEIVED by the offer of a large reward in case some medicine fails to cure you. If the reward is claimed, there is always some way to evade its payment; if never claimed, it is no evidence that everybody, or anybody, has been cured; but it speaks well for the intelligence of our people, that no one is fool enough to expect its payment. \$1,000,000 might be offered with equal safety; for it is needless to say that the user of such medicines always dies before their proprietors are convinced that he "can't be cured." It is one of the most deceptive schemes that ever insulted an enlightened people.

Its Harmlessness.  
Makes it entirely safe to try Certain Catarrh Cure for any trouble, without the slightest fear of injury. It is a purely vegetable preparation, and to the most delicate constitution, or organ of the body, can produce no bad effect whatever.

**REMEMBER!**

Certain Catarrh Cure is not simply a snuff or local application, to drive the disease from the nasal organs into the system; nor a blood remedy, to tone up the system and leave the nasal parts uncured; but it is a combination of both methods, and the only remedy which will give satisfaction in the many different stages of catarrh. The genuine bears our Trade Mark. Take no substitute. Price, \$1. Six bottles \$5. Of Druggists, or by Express, prepaid, on receipt of price Book of Information free.
