NEWS NOTES ABOUT THE CITY.

What Our Reporters See and Hear Worth Giving to Our Readers—News in Brief.

Thermometer today 89 in shade.
Bear in mind the bonanza excursion. It promises to be a grand event.
The ladies are all invited to attend the fete militaire to night.

It is estimated that the real estate assessment in Raleigh township will show a large increase this year.

It is getting time to organize the "grass widowers" club, or the stay-at-home crowd.

The Trustees of the Agricultural and Mechanical College were in session today. No business of much importance was transacted.

If you attend the "Fete Militaire" you will be well repaid.

A meeting of the board of world fair commissioners for North Carolina will take place here on Friday next.

Don't let the 4th of July committee forget about a general ringing of bells at sunrise. The Visitor insists on this part of the programme.

The capitol was barren of news today. So was the Mayor's office. The officials were resting and endeavoring to keep cool.

Attend the fete militaire to night. You will be well repaid.

The ladies of the Tabernacle Church will give a lawn party on Thursday night at the residence of Mrs. A. F. Ray, corner of Wilmington and Davis streets. Cake, cream and fruits will be served. The public is cordially invited to attend.

Can't a good band be inaugurated and kept up in Raleigh? Surely a city with 10,000 inhabitants ought not to be without good music for all public occasions. Let the matter be seriously thought of. It amounts to a necessity.

What is the use of keeping the stores open these hot night's. It really seems useless. We think we can show there is no real profit in it, all things considered. If all will agree to close there will be no loss to any. Try it, and take a rest this hot weather.

"I have in my employ a man who has been a victim of periodic head aches for years, has tried all kinds of treatment, and I have tried various remedies on him. Your Bradyrotine helps him more than anything ever did." O. D. Kingsley, M. D., White Plains, N. Y. je15 6t

There is now on sale at Swindell's over 5000 yards of white dress goods at 5 cents per yard. White India lawns, white check muslins 5 cents per yard.

Send to A. Dughi for any kind of ice cream. Give orders in time so as to get the very best.

Board of Agriculture.

An important meeting of the Board of Agriculture took place yesterday. Reports of the Commissioners of Agriculture, Director of the Experiment Station and the finance committee were read and received. Mr. John T. Patrick addressed the Board and requested the loan of the Exposition buildings and grounds for the immigration bureau, which was granted.

For the Penitentiary.

Deputy marshal J. R. Upchurch left for Columbus, Ohio, this morning, having in charge W. H. Robinson and E. J. Reid, green goods men, and H. E. Davis, assistant postmaster at Halifax all of whom were convicted at the recent term of the Federal court, and sentenced to the penitentiary.

Don't Delay

but buy now, buy quick; buy right, buy cheap, buy for cash, buy on long time, buy at the right place, which without any mistake is at W. S. Uzzle's 12 E. Hargett street where you can get Pianos, Organs and Sewing Machines.

The summer solstice is approaching.

Cotton is now booming in the fields but rather low in price on the market.

Peaches getting plentiful in market. They look nicer than they taste, however. Not quite ripe enough.

It has been decided to have the fireworks on the 4th of July at the southern entrance to the Capitol Square.

Put seats in Moore Square, gentlemen of the Board of Aldermen. It will cost very little and hundreds of the rising generation will shower blessings upon your heads.

A Deserved Promotion.

It is understood that our fellow citizen Col. A. B. Andrews has been promoted to the position of 1st Vice President of the Richmond and Danville System. This is a deserved compliment to one of the best railroad men in the country. It is specially gratifying to note that Col. Andrews will not be required to leave Raleigh. We cannot well afford to lose such a citizen.

A Fine Time.

The excursionists of the Edenton St. M. E. Sunday School to Fayetteville, returned to the city last night at 8:45 o'clock. All report having had a most excellent time, and enjoyed themselves finely. We learn that they realized between \$70 and \$75 over expenses.

Interesting Report.

We have received the health report of the city of Raleigh for the month of May, 1891. The number of deaths during the month were 26. Of these 14 were white, 12 colored. There were 8 white males, 6 white females; five colored males, seven colored females. Two were over 70 years of age. There were 32 births during the month—12 white and 20 colored.

Married

DIXON-PHILLIPS.—Last night at 9:30 o'clock at the residence of Mrs. M. E. Green at No. 547 East Hargett street, by the Rev. Alvin Betts, Mr. James Holt Dixon, of Goldsboro, to Miss Georgia Ella Phillips of this city. The attendants were Mr. Alex. Kreth and Miss Mary E. Mangum. The ceremonies were performed in elegant style after which the guests were invited to a magnificent supper which was heartily partaken of, after which the guests left for their homes.

Celebration of the Battle of Guilford Court House.

The Charlotte News says: Arrangements have been made for a great 4th of July celebration in the park of the Guilford Battle Ground Company. A feature of the celebration will be an address by Hon. Kemp P. Battle, on the life and services of Gen. Jethro Sumner, of North Carolina. The civic and military display will be fine. Judge Schenck, the president of the Guilford Battle Ground Company, is exerting himself to make this one of the greatest celebrations in the history of the State, and the programme which he has arranged will certainly make it so. The monument to Gen. Sumner will be unveiled, and the newly erected museum, containing 1,000 Revolutionary relics and ancient curiosities, portraits of distinguished men, guns and swords used in the battles of the Revolutionary war, implements and musical instruments illustrating the habits and customs of our forefathers in 1781, will be opened. There will be races on the Vansitory track, military parades, soldiers reunions, etc. The grounds are five miles from Greensboro, and trains will run every half hour.

Jno. Dughi, son of Mr. A. Dughi, has arrived at home from St. Mary's College Gaston county. He has made rapid progress.

Are you going to get from Swindell's tomorrow a pair of those Oxford Ties at 50 cent.

Consolidation.

Under the new arrangement just made by general order No. 53, the North Carolina Division of the R. & D. system embracing the North Carolina Railroad east of Greensboro, and the Northwestern North Carolina, the Oxford and Clarksville, the University and Henderson and the State University Railroads will be consolidated with Mr. Edmund Berkeley in charge.

The Coming Fourth.

A meeting of the joint committee for the fourth of July was held yesterday afternoon at the Mayor's office and all the arrangements made for a grand display of fireworks and other entertainments. An order for \$850 worth of fireworks has been given, and the pyrotechnic display promises to be the largest ever seen in Raleigh. Our enterprising citizen, Mr. Alex. B. Stronach is in charge of the programme, which is a sure guarantee of a most complete success.

Resolutions of Respect to the Memory of Darius S. Waitt.

The School Committee of Raleigh township deeply feeling the loss they have sustained by the death of their late Secretary, Mr. D. S. WAITT, adopted the following resolutions at a special meeting, held on Monday afternoon, May 15, 1891:

Resolved, That in the death of D. S. WAITT we have lost a valued member, who during his connection with us won our respect and esteem by his devotion to the welfare and progress of the schools, and his faithful and conscientious performance of the duties incident to his office.

Resolved, That we deeply sympathize with his bereaved family in their great affliction; and that in common with all our people we deplore the loss of a good and public spirited citizen.

Resolved, That a copy of these resolutions be sent to his family and be published in the city papers.

The following resolutions were adopted by the School Committee of Raleigh Township on the retirement of Mayor A. A. Thompson.

Resolved 2d. In his praiseworthy deliberations of this committee Mayor Thompson has exercised such wisdom, such kindness and such impartiality as to make our meetings a pleasure and our work a delight.

Resolved 3d. That a copy of these resolutions be furnished Mayor Thompson and also the city papers.

Embroidered Skirtings.

In children's embroidered skirtings we begin them, 22 inches wide, at only 25c per yard. Think of this. You have never seen the same goods before for near that price. At 35c, 40c, 45c and 50c are also some beauties, and we can go on higher and show them up to \$2 and \$2.50 per yd. In ladies embroidered skirtings we can sell you a very nice hemstitched one at 50c per yard. Then up to \$1.50 per yard is a very large assortment. Beyond \$1.50 per yard and up to \$3 and \$4 per yard are some of the most novel and handsomest skirtings ever shown in Raleigh. Among these from \$1.50 to \$4 per yard, are some unusual values.

Ice.

Norris' Dry Goods Store.

A 30 day sale, and every day a BARGAIN DAY. Specials, Jobs, Remnants, Trade Winners, Boomers, Flyers—will be offered. Our stock must be sold—High Tariff, Low Tariff, or no tariff. Free trade is what we indulge in today. Buy where you buy lowest, where your "Round Dollar" has most purchasing power.

Our low prices is the magnetic attraction. Our unremitting efforts bring about us a constant flow of trade. Busy all day yesterday, but our "closing out prices" would make the dullest season gay. Our entire stock must be sold during next month—nothing reserved that can be disposed of. At this season of the year there is a custom among merchants to get up all "stickers," bad colors unsaleable goods, old style toughs, &c., and place them on a BARGAIN COUNTER. They are usually dear at any price. Not so with us. Everything in our store, the "freshest laurels" our newest, brightest and best goods. This summer's purchases go to make up that comprehensive term, BARGAINS which we claim rather of necessity than choice to make. Such inducements we offer are without profit to us. Our loss is your gain.
