THOUSANDS WILL VISIT THE CITY.

In a private letter to us from a real estate man at Hornellsville, N. Y., dated June 17th, the writer says: "I am expecting to get up quite an emigration South, providing I can get rates low enough. Mr. J. C. Brown thinks that can be done. * * * I am pleased to know that the South is booming. It is the garden of America, and the people North are just finding it out."

The writer quoted from above, is a prominent business man in Hornellsville, with such extended business connections as to place him in possession of as accurate and extensive information on this subject as, probably, any man in western New York. That thousands of people from all over the Northern States will visit Raleigh this fall there can be no doubt. Will the entertainment that Raleigh is prepared to extend to them in large numbers be such as to secure the advantage that should result from their coming? Raleigh needs another first class hotel, and needs it badly, but will need it worse this fall.

Still Looking for Him.

"And so you are married yet?"
"No."
"Engaged?"
"No."
"Expect to be?"
"No."
"What's the matter?"
"Well, papa says that my husband must be a keen and experienced man of good health and habits. Mamma says he must be frugal, industrious, attentive and moral. And I say that he must be handsome, dashing, talented and rich. We are still looking for him."—Life.

THE RALEIGH B. & L. ASSOCIATION.

Quite a number of the projectors and friends of the movement to organize a Building and Loan Association met last night in Metropolitan Hall and organized under the charter recently obtained, by electing the following gentlemen as a Board of Directors: Messrs. C. B. Edwards, Julius Lewis, F. W. Habel, Joseph Daniels, L. O. Lougee, Walter Woolcott.

The vote was taken by ballot without nomination. A resolution was adopted requesting the directors to have the necessary blanks, constitution, by-laws and other required printed matter prepared and distributed to the members as early as possible. After remarks by Mr. F. W. Habel, Mr. W. N. Jones and others relative to the advantages to the individual members and to the city generally a resolution was adopted urging each member present to interest himself in securing subscribers to the shares. The association starts off with flattering prospects.

ANDREWS & GRIMES, Coal Dealers.

We call special attention to the Coal we propose to handle this season and which we are receiving daily. Kanawha, West Virginia, Splint.

Superior to any in the United States for grates and open fire places. NEW RIVER LUMP for grates and stoves. It is the equal of any and surpassed by no other (save Kanawha Splint), be it under any name whatever. It has been upon the market for the last ten years, this is the first season for Raleigh and North Carolina. We have the New River for steam also, which we will put by the side of any other coal and guarantee equal, if not better results.

We are the agents for this coal and can ship for domestic and steam users to Charlotte, Henderson, Durham, Winston, Oxford and other points direct from the mines. Give it a trial, is what we ask.

HARD COAL. We have also a very choice lot of Red and White Ash for grates and stoves, which we screen before sending to our customers. Buy now and save money. Write for prices. Oak, hickory and pine WOOD, all the time.

ANDREWS & GRIMES.

The partnership heretofore existing between R. M. Andrews and W. H. J. Goodwin, is hereby dissolved by mutual consent. All debts due to the firm will be collected by R. M. Andrews, and all debts due by the firm will be paid by said R. M. Andrews.

R. M. ANDREWS,
W. H. J. GOODWIN.

Having sold all of my interest and the good will of the late firm of Andrews & Goodwin to Mr. R. M. Andrews, I trust that the public will continue to patronize Mr. Andrews as they did the late firm.
