CARSON & SON'S RIVERTON WOOD BURN' LIME, EXTRA FINE QUALITY, EXTRA HEAVY BARRELS.

It slacks well, is very white and valuable for building purposes; tanners, paper makers, &c.

For sale at retail or by the car load as low as any standard quality.

One dealer writes to the manufacturers as follows: "We have been handling your 'Riverton' Lime for the last four years at the rate of from 3,000 to 10,000 barrels per year, and consider it the best we have ever handled. It slacks quickly and is free from core, lumps and specks. For general use there is none better."

Another writes: "You ask for our opinion of your Lime, which we have been handling for about a year. We take great pleasure in assuring you that we are selling all of the principal contractors and builders in our city, and shipping a good deal to neighboring towns, with entire satisfaction to all. We consider it the best Lime in our market. We find the barrels larger and in better condition than other brands we have sold, and have never had to pay out a cent for coaling on your barrels."

Write for prices and testimonials from dealers, contractors and manufacturers.

THE GREAT

Panacea Springs

WATER

CERTIFICATE FROM DR. J. B. BOBBITT.
RALEIGH, N. C., June 5th 1891.

To the Panacea Springs and Hotel Co:

Gentlemen—I afford me great pleasure to state that I regard the Panacea Springs water the very best in the catalogue of mineral waters now in use for scrofula, and especially for dyspepsia. One year ago I was a great sufferer from dyspepsia and after spending seven or eight weeks near the springs and using the water daily, I was entirely relieved. Since that time I have had occasional returns of it, and in every instance I have experienced prompt relief by the use of the water. I would advise every sufferer from dyspepsia, who can do so, to use this water. It is what its name indicates—a panacea—for some of the worst, if not all, the diseases to which flesh is heir. I have known the water for a number of years, and I cheerfully recommend it. Respectfully,
J. B. BOBBITT.
