NEWS NOTES ABOUT THE CITY.

What Our Reporters See and Hear Worth Giving to Our Readers—News in Brief.

A temporary hotel building is being fixed up near the exposition grounds.

Splendid music at Metropolitan Hall tonight. Don't fail to attend.

The marriage license market is very dull.

Mr. Thos. B. Heartt is visiting the family of Mr. E. A. Heartt in Durham.

A party of young ladies and gentlemen enjoyed a dance in Pullen Park last night.

A considerable number of our people will go on the Asheville excursion tomorrow.

Work on the new Union Depot is rapidly progressing, and it now looks like it may be ready by the fall.

Go to Metropolitan Hall tonight and enjoy yourselves. The Imperial Minstrels can't be beat.

A considerable crowd left the city this morning to attend the Masonic celebration at Oxford today.

The health of our city is better than usual at this season of the year. There is no healthier city in the union than Raleigh, and no better folks.

Don't fail to see the Imperial Minstrels tonight. It will cause you to enjoy a hearty laugh in spite of the hot weather.

Let all who can spare it contribute something toward the 4th of July celebration, no matter how little—give something.

The celebration of the 4th of July at the Guilford battle ground will be a grand event. A tremendous crowd is expected.

Complete outfits—stool covers, instruction books—given free with all instruments I sell. W. S. Uzzle, 12 E. Hargett St.

Attention is called to the advertisement of valuable real estate for sale by Mr. W. T. Smith, commissioner, which is found in today's issue of the VISITOR. The property is located in Little River township.

Don't run any risks about listing your taxes. The law is imperative and must be obeyed. It is a very simple matter to call at the court house and give in your property. The matter is then off your mind and all danger of violating the law is passed. Call and list your property.

We were glad to meet Mr. John Syme on the streets today. He has been a long physical sufferer, but now seems to be somewhat improved.

The extension of the store now occupied as Norris' dry good store is being rapidly pushed. When completed it will be one of the finest stores in the State. It will be occupied in August by Mr. D. T. Swindell.

Make all arrangements and go on the trip to Asheville tomorrow. Be at the depot in time to secure your ticket. The train will leave promptly at 7 o'clock. Remember it is the only chance this season to visit the beautiful mountain section at such a cheap price. Just think of it, only \$3.50 for the round trip.

We find that our proposition to place a statue of Sir Walter Raleigh in Nash Square, meets with much approval. Raleigh should, in some fitting manner perpetuate the name and fame of the great man from whom it derives its name. Of course an exact likeness cannot be obtained, but then we could approach it about as near as many of those of Washington. It would be a fitting tribute to a most illustrious man.

Messrs. Whiting Bros. has an advertisement specially for the boys which it will be well for them to consider this warm weather. Let parents, guardians and the boys themselves call and examine the stock.

Read the locals of Uzzle & Co. in this issue.

When the street cars come, "tra la"

Do not forget that Uzzle & Co., has sweet fresh country butter 20cts., lbs. Go on the Asheville excursion tomorrow. It will be a splendid trip. Only \$3.50 for round trip.

Mr. J. H. Estill, President Morning News Co., Savannah, Ga., says: A member of my family who has been a martyr to neuralgic headaches for twenty years, has found in Bradycrotine an infallible remedy je24 6t

Its a regular chestnut for a friend to advance towards you at this season with the exclamation, "It is hot." Of course we all know it with out being constantly reminded. Of course it is hot. Who says it ain't.

Shoot the man who recently arrived in Charlotte and thought he was in Raleigh. He saw the street cars and hollered out "I knowed I had got home. Look at that inscription, 'Raleigh Street Railway.'" Put him in a straight jacket.

When you want to buy a nice vehicle of any kind or a nice set of harness call on Yancey & Stronach. They control all of the best makes of buggies, carriages and road carts sold in this market. You can buy anything that goes on wheels at prices to suit your pocket. Messrs. Yancey & Stronach carry the largest stock in the South in this line. They keep up with the changes in styles, and are continually receiving something new in the way of novelties. Read their "ad." and give them a call or write for prices.

Our readers will bear in mind that the great sale of 77 splendid lots near the West End Hotel and Land Company's big Zinzendorf Hotel will take place July 1st. See special rates. When you think that Winston has three times as many people in it as it had ten years ago, that the railroads being built into it are opening up a new country, that railroad building will be going on there for five years, that there is not a house for rent in the town, and that fifteen million brick are being laid now in business houses and factories, you need not stop to think whether or not it is going to be a city. If you want a lot, this is the place to buy.

Funeral.

The funeral services of the late Mrs. Anna Callendine took place yesterday afternoon from the First Baptist Church, Rev. Dr. Carter officiating. The remains were interred in Oak wood Cemetery, the following gentlemen acting as pall bearers: Messrs. J. H. Alford, W. H. Jones, G. M. Allen, T. H. Friggs, W. C. Stronach, P. B. Williamson, A. B. Andrews and R. H. Battle. There were many very beautiful floral offerings.

Imperial Minstrels.

A minstrel troupe is always an attraction to Raleigh theatre goers. To night they will be afforded an opportunity of witnessing one of the best troupes on the road as Allen's famous Imperial Minstrels will appear at the Opera House. This troupe is composed of some of the best burnt-cork artists in the country, and an evening of genuine fun is in store for all who attend. Prof. Thomas Prosho's excellent orchestra will discourse sweet music and Allen Leonard and others will make the crustiest old bachelors laugh. Mr. Allen has gained a wide reputation. He entered the Confederate army and served throughout the war. We hope he will be greeted with a full house to night. Seats on sale at MacRae's drug store.

If you want something good for breakfast send to Uzzle & Co's for fat new corned mullets.

Uzzle & Co., has nice fresh eggs today at 16¢ cents retail, warranted fresh. See Uzzle.

Crop Report.

The summary of the Agricultural Department concerning the crops, up to last Saturday. The standard of estimate is 100. The percentages of condition are as follows: Wheat 99, oats 84, rye 94, rice 96, cotton 74, corn 88, tobacco 89, sorghum 87, clover 91, meadows 92, sweet potatoes 91, Irish potatoes 88, apples 73, peaches 60, small fruit 83. Labor is reported at 83. Save as to clover and meadows the whole report is below ordinary. The rains which injured the other crops increased the percentage of clover and meadows.

Firemen's Tournament.

A firemen's tournament will be held in Durham on the 25th, 26th and 27th of August, which promises to be a great event. The people of Durham are making extensive arrangements for the occasion. The amusements will consist of hook and ladder exhibitions, hose reel races, hand reel races &c.

Twenty four fire departments from as many towns and cities of this state are expected to participate.

The state association of Virginia are to be invited and many departments from cities in Virginia are expected to enter for prizes.

The Columbia, S. C., Hook and Ladder company, composed of German gymnasts and athletes, will give a prize display.

The Globe says: "The great event of the whole will be a reel contest for the championship of the state and a magnificent solid gold medal which has been made by the well known manufacturing jeweller of Raleigh H. Mahler. This medal will be on exhibition in one of our jewelry stores during the tournament. It is one of the handsomest medals ever exhibited in the South and cost \$150. Skilled workmen consumed over two weeks in making it."
