## NEWS NOTES ABOUT THE CITY.

### What Our Reporters See and Hear Worth Giving to Our Readers—News in Brief.

See notice of R. T. Gray, Executor. Work is in progress on the street railway on Hargett street today.

The Durham base ball club will play in this city on the 4th.

There was a perfect dearth of news at the capitol to day.

All the State officers were paid off yesterday, and, are no doubt happy.

Chief of Police Heartt is engaged in making out his reports.

Splendid Georgia watermelons in town at two cents a pound.

A large addition to the stockholders of the Grimm Brown Stone company has been made.

The encampment of the Y. M. C. A. at Wrightsville, this year, will be an interesting feature.

The Coast Line has declared a dividend of 4 per cent for the past six months.

Take up a subscription for the Soldiers' Home next Saturday. That is the idea, and a good one.

A full programme of the proceedings on the 4th of July will appear tomorrow.

A ladies zephyr cape was left in Metropolitan Hall last Sunday night. Finder please return it to this office.

Mr. David M. Vance has entered on his duties as associate editor of the Charlotte Chronicle.

A respite was asked for in case of the negro Brabham, hung in Charlotte to day, which the Governor promptly refused.

Don't forget the excursion to Littleton by the Relief Society of the Raleigh and Gaston Railroad. It will be a cheap and most enjoyable trip.

If you suffer from sick, nervous, neuralgia, spinal, bilious or dyspeptic headaches, Bradyrotone will cure promptly. jyl 6

Let all the business men who can consistently do so, give their clerks and other employees a rest next Saturday. The glorious 4th comes but once a year.

Mr. Frank H. Dewey, who for some time past has been agent of the R. & D. Railroad, in this city will return to Charlotte where he formerly resided. We regret that he has decided to leave Raleigh.

There was a very large crowd on the excursion to Norfolk. A great many were taken up on the way between this city and Weldon, and when the train reached Portsmouth the coaches were full and numbers were standing on the platforms.

The Cross Bearers Circle, Kings' Daughters' will hold a special meeting tonight at 8:30 o'clock, in the Sunday School room of Edenton Street M. E. Church. A full attendance of the circle is most respectfully desired as business of importance will be transacted.

Let everybody come to Raleigh on the 4th. The programme is a most excellent one and preparations have been made for such a celebration as has not taken place here in many years. The railway rates are cheap and all can pass a day at the capital for a trifling sum.

We are requested to state, that although the time for listing State and county taxes has expired, yet for convenience of those who have failed to list, the time will be extended until 7 o'clock, July 4th. This is final, and those who do not take advantage of it will have none but themselves to blame.

The Board of Aldermen will meet tomorrow night. Let us hope that the matter of a site for the proposed auditorium will not be overlooked. Remember, Gentlemen of the Board, that this is a public necessity. All the people want it.

### Switchback Railway.

Every lady, gentleman and child is invited to attend the big races at the exposition on the 4th and to take a ride on the worlds renowned Switchback. Owing to the big entrance fee charged at the gate, 50cts, we will only charge 5 cents round trip ticket on the Switchback on the big 4th. Come one, come all.

### The Soldier's Home.

Several citizens have suggested as a good idea that a collection be taken up next Saturday after the reading of the Declaration of Independence for the benefit of the Soldier's Home. The institution is still in need of all it can get. We think the suggestion a good one. Patriotic impulses may prompt a rich return. There is no better cause in which donations can be invested.
