THE GREAT Panacea Springs WATER.

CERTIFICATE FROM DR. J. B. BOBITT, RALEIGH, N. C., June 5th 1891.

To the Panacea Springs and Hotel Co:

Gentlemen—It affords me great pleasure to state that I regard the Panacea Springs water the very best in the catalogue of mineral waters now in use for scrofula, and especially for dyspepsia. One year ago I was a great sufferer from dyspepsia and after spending several weeks near the springs and using the water daily, I was entirely relieved. Since that time I have had occasional returns of it, and in every instance I have experienced prompt relief by the use of the water. I would advise every sufferer from dyspepsia, who can do so, to use this water. It is what its name indicates—a panacea—for some of the worst, if not all, the diseases to which flesh is heir. I have known the water for a number of years, and I cheerfully recommend it. Respectfully, J. B. BOBITT.
