## NEWS NOTES ABOUT THE CITY.

### What Our Reporters See and Hear Worth Giving to Our Readers—News in Brief.

Work on the street car line on Hargett street was in progress today.

There will be no "let up" in the work of preparation for the Inter-State Exposition from now out.

Mr. C. J. Parker, of this city, has been elected Superintendent of the Shelby graded schools.

Grand Sire Busbee is rapidly improving. He sits up, talks with his friends and eats moderately of solid food. Good news, indeed.

Mr. B. R. Jolly is the sole agent for the Southern Inter-State medals now so popular with everybody. Call and get one. They are pretty.

The Governor's Guard will leave for the Wrightsville Encampment tomorrow. Capt. Batchelor will be in command and he expects to take down about forty men.

That Switchback Railroad riding is something new in this country. The exposition grounds will be open tomorrow evening and the Switchback will be an attraction.

The office of commissioner Robinson of the Agricultural department is now a "thing of beauty and joy." It reminds us of the office of a "well fed" editor.

Work on the mechanical plant of the Electric street railway has commenced in earnest. This now looks like coming right down to business. The cars will be running by August 15th—so say those who ought to know.

Gov. Holt has returned to the city. He is busily engaged today in attending to accumulated business so that he may be in readiness to go down to the encampment at Wrightsville, next Monday.

We are under many obligations to Messrs Jones & Powell for a splendid watermelon of the Dorsey variety raised in Columbus Co., North Carolina. It was green rhine, red meat, full of juice and so sweet. We enjoyed it hugely. There is none better.

The ladies of Central Methodist Church are engaged in the good cause of raising funds to put down a handsome new carpet. When this is accomplished, cushions will be put in the new pews. It is expected that the church will be ready for dedication in a few weeks.

It will be to the interest of those who enjoy the sweets of the luscious juicy melon, or the profits from its sale to call and see Messrs. Jones & Powell. See their advertisement in another column.

The matter of extra detective duty during the coming Inter-State Exposition is already engrossing the attention of our chief of police. He will think it over and in due time will have all his regulations perfected. The people throughout the country may rely upon it that the best of order will prevail in Raleigh during the "big show."

A friend informed us that he had been trying for two weeks to engage a contractor to build an addition to his home located a few miles from the city. He could only find one party who made anything like an offer, and this was a mere nibble. There never has been a time when builders were so busy in Raleigh, as now. All of them have orders far ahead.

Mr. C. D. Payne, publisher of the Union Signal, Chicago, Ill., writes: I never saw anything that would cure headache like your Bradyrotine.

### Good for Raleigh.

Mr. A. Dughi has received an order for a considerable supply of fancy ice cream bon bons next week from Asheville, N. C., and Suffolk, Va. Hurrah for Raleigh.

An awning is being put up in front of Messrs. W. B. Mann & Co's store, corner Fayetteville and Hargett sts.

Gov. Holt today extended a cordial invitation to Gov. McKinly, of Virginia, to visit the N. C. Encampment and participate with him in the review of the North Carolina troops. He also forwarded permission to the 1st Regiment of Virginia volunteers to enter North Carolina and remain in camp with the N. C. Guard.

### Delightful Evening.

The switchback at the exposition grounds will be running tomorrow (Friday) night. Everybody invited. Free admission into the grounds.

### Executive Appointments.

The Governor today made the following appointments:

Capt. Geo. W. Myers company G. 4th, Regiment. Capt. J. N. Cregg, company, 1 3rd Regiment. J. N. Gibbons 1st, Lieut., and E. S. Blackwell 2nd Lieut., company I.

### Raleigh Interested.

Suit was commenced against the city of New York last Monday by the heirs of the Edwards estate. The property involved is estimated to be worth over two hundred million dollars. A large number of the claimants live in North Carolina.

### Sad News.

We deeply regret to announce that a letter was received here this morning stating that Capt. J. J. Terrell, late superintendent of the Soldiers' Home in this city, was in a dying condition at the home of Mr. Sidney Terrell, his brother, near Rolesville. This is indeed sad news to a large number of relations and friends in Raleigh. Capt. Terrell is not expected to survive many hours.

### Daughters of Rebekah.

All members are earnestly requested to be present at the meeting tomorrow night as business of importance to every member will be transacted. The degree of Rebekah will be conferred on some fifteen applicants. Refreshments will be served after the conferring of the degrees.

E. J. WILLIAMS, Sec'y.

### Will Play Raleigh.

The Durham Globe says: Mr. Will Wynne's card in regard to the treatment of the Durham boys, when they went to Raleigh to play ball, leaves the impression that the second nine was beaten, not the first. The Globe is authorized to say that the Durham boys stand ready to accept a challenge from any white nine in Raleigh, the game to be played in Raleigh at any time that may be designated.

### A Good Idea.

"Alec" Stronach says he knows of but one way to get even with the watermelon business. He has decided to give a grand watermelon feast in Pullen Park one night next week at which he will have three card loads of the fruit, which is now on the way. He says he expects to invite the entire county, and a good time may be looked for. He has gotten permission to use the park, and as we have moonlight nights, there ought to be a large crowd.

### I. O. O. F.

Season Gales Lodge, No. 64, I. O. O. F., will meet tonight in regular communication at eight o'clock sharp. Work in the second degree and other matters of importance to be attended to. This will be a very interesting and important meeting which requires the presence of every member. Candidates for the second degree will report promptly at 8:15 o'clock. A cordial invitation to all Odd Fellows.

### Brown Stone.

We have heretofore called attention to the fact that there existed in the western portion of Wake county a most excellent specimen of brown stone suitable for building purposes. We heard of these deposits some time prior to the late war, and have often wondered why they were not utilized to a larger extent for residences. There is no better or prettier material for the purpose as is shown from the fact that in most cities where it is available it has, in many cases, the preference. It is said that a quarry of the stone has been opened on the land of T. H. Booth, in Buckhorn township, near New Hill. It is said to be of fine quality, and being in close proximity to the Raleigh and Augusta Air Line road, we can see no reason why it should not be a source of profit. Specimens of the stone have been deposited in the State museum.

### Personal Mention.

Mr. Hugh Peters, one of Greensboro's most progressive citizens, is in the city today.

Mrs. R. S. Tucker and daughters left today for White Sulphur Springs.

Mr. J. P. Ferrell has gone to Europe.

State Geologist Holmes has gone to Cape Hatteras on official business.

Mrs. Walter Clark and children have gone to Connelly Springs.

Mr. Chas. E. Johnson left yesterday for a trip to northern Continental Europe.

Misses Effie and Rosa Broughton who have been visiting relatives in Durham, returned home yesterday.

The friends of Miss Helen Watkins, the accomplished daughter of Rev. Dr. Watkins, who has been visiting friends in Virginia, has returned to her home in this city.

The following persons are at the Yarboro: W. A. Wilkinson, Oxford; Mr. J. H. Wollfolk, Miss Sara Woolfolk and Miss Amanda Woolfolk, Lexington, Ky.; J. S. Hunchel, Richmond; M. Scheller, New York; J. P. Taylor, Henderson; E. A. Daughtery, Baltimore, Md.

### Married.

Yesterday at the residence of the bride's father, Mr. Eugene T. Jones, in Little River Township, Mr. Ed. V. Denton of this city, to Miss Gussie M. Jones. The ceremony was performed by Rev. Dr. J. H. Cordon.

The attendants were: Mr. B. J. Arndell, of Raleigh, with Miss Sallie Wilson, of Louisburg; Mr. W. V. Williams, of Raleigh, with Miss Annie Foster, of Virginia. Mr. J. H. Parham, of Raleigh, with Miss Sallie Macon, of Franklinton. Mr. A. G. Denton, of Raleigh, and Miss Fannie Hodge, of Wake; Mr. E. H. King, of Raleigh, with Miss Florence Horton, of Wake. The couple left yesterday afternoon for an extended northern trip.

In Franklin county at 12 o'clock on the 15th inst. by Rev. R. H. Whitaker, pastor of the Youngville Circuit, Mr. R. R. Harris of Louisburg to Miss Ina N. Mann, daughter of the late Dr. Theo. Mann. The attendants were Mr. Jeel Harris and Miss Alice Harris, Mr. Wright Mann and Miss Kate Mann. Quite a large number of neighbors and friends witnessed the ceremony, and partook of a splendid dinner afterwards. The happy couple took the evening train for Raleigh, and from here they went to Waynesville.

### Bicycles.

Today we took another order for a celebrated "Columbia" Safety 1891 patent. This is acknowledged to be the best machine ever made. We have in stock, a "Rob Roy" Bicycle price \$40.00, all ball bearings—the best youths machine made, 26 inch wheels. Also a "Boys Junior," price \$25.00 cone bearings 24 inch wheels.
