

**THEY ARE GONE.**

Messrs. Wynne and Spence Leave on Their Wheel Tour For The North.

A considerable crowd assembled on Fayetteville street this morning to witness the start of Messrs. Will Wynne and N. A. Spence on their bicycle trip to the northern and New England States. The start was made at 10:33, amid the cheers of the crowd. The young adventurers will take the direct dirt roads north and will go through Petersburg, Richmond, Washington, &c. They hope with favorable weather to make the trip to New York in a week, or ten days at farthest. They promise to give telegraphic reports of progress from the principal points along the route. May they have a glorious time and a safe return. Hurrah for Raleigh boys every time.

**Personal Mention.**

Mr. W. L. Davis has quite a sick child at his home, on north Salisbury street.

We most deeply regret to learn that Mr. John C. Palmer, one of our oldest and most highly respected citizens, is quite sick at the residence of Mrs. Riddle on north McDowell street.

Mr. and Mrs. W. H. Bobbitt have returned from a pleasant sojourn to Connelly Springs.

Miss Annie Baker, of Greensboro, who has been visiting at the Branson House, returned home yesterday.

Capt. Bennehan Cameron of Staggsville is in the city.

Mr. G. B. Fleming, of Pantego, N. C., paid us a visit today. He is here on a visit to his family.

Rev. Thos. H. Pritchard, of Wilmington, formerly of Raleigh, has returned from a trip to Saratoga very much improved in health.

W. W. Vass, Jr., has returned from a trip to Old Point, and other places of interest in eastern Virginia.

Messrs. Ed. Chambers Smith, C. B. Wright and Mr. and Mrs. T. R. Jernigan have returned from Morehead City.

Mr. H. M. Cowan, of the treasury department has gone to Ashboro to attend the funeral of Mr. T. C. Worth.

Mr. Dudley Peed was in the city today.

Mrs. W. B. Mann and Miss Bessie Bates are visiting relatives in Oxford.

Rev. W. R. Gwaltney, of Wake Forest College, Mr. J. C. Caddell, of the Biblical Recorder, and Dr. C. Durham have gone to attend a meeting of the Beulah Baptist Association.

Miss Lucy Hawkins, of this city, is visiting friends in Oxford.

Gen. B. F. Chilton and family have gone to Morehead City for a few days recreation.

**Fraud.**

In the matter of the payment of direct taxes, it has been discovered in some cases that frauds were practiced by the agents of the government who collected the taxes. In Charlotte Mr. J. P. Irwin holds a receipt for \$153, and by the government report he is credited with only \$43. The taxes in that section were collected by Hiram D. Porter who caused notices to be stuck up all through that section asking the people to send their receipts to him, and he would collect the taxes for them at a small per centage. We hear of no such frauds in this section, and it appears that the official who did the collecting here, acted all right, so far as is now known.

**Acknowledgment.**

We return thanks to our esteemed friend Mr. J. H. Davis, proprietor of Johannisberg vineyard in the north-western suburbs of the city for a box of nice grapes. They were of the most approved variety and luscious beyond comparison. Mr. Davis is one of our most successful dairymen and grapegrowers, and we are glad to learn that he is reaping an abundant reward.

He Cheerfully Recommends It. THE GREAT Panacea Springs WATER

CERTIFICATE FROM DR. J. B. BOBBITT. RALEIGH, N. C., June 5th 1891. To the Panacea Springs and Hotel, Co: Gentlemen—It affords me great pleasure to state that I regard the Panacea Springs water the very best in the catalogue of mineral waters now in use for scrofula, and especially for dyspepsia. One year ago I was a great sufferer from dyspepsia and after spending several weeks near the springs and using the water daily, I was entirely relieved. Since that time I have had occasional returns of it, and in every instance I have experienced prompt relief by the use of the water. I would advise every sufferer from dyspepsia, who can do so, to use this water. It is what its name indicates—a panacea—for some of the worst, if not all, the diseases to which flesh is heir. I have known the water for a number of years, and I cheerfully recommend it. Respectfully, J. B. BOBBITT.
