NEWS NOTES ABOUT THE CITY.

What Our Reporters See and Hear Worth Giving to Our Readers—News in Brief.

Will Wynne expects to enter Richmond to day. He will no doubt receive a cordial welcome.

There will be a regular meeting of the Painters Union tonight. Every member requested to be present.

The Board of Aldermen will meet in regular monthly session tonight. There is expected to be a great deal of important business on hand.

Treasurer Lougee informs us that the new Building and Loan Association is getting on finely. The members are coming up all right.

A large crowd of dentists passed through here today on their way to Morehead. The convention will be more largely attended than ever before.

The time will soon be here, when the lads and lassies can enjoy the cool of the evening in Pullen Park. It will only cost a nickel to go out on the street cars.

The sanitary officers are on their rounds to day. Look out for your premises. If they are not in proper order, it may cause trouble. Be warned.

Almost time for the lawn party, watermelon feast and dance at the exposition grounds. It comes off on the 19th, and it is expected to be a grand occasion.

The latest addition to the Soldiers Home is a check for \$222.35, sent by the ladies of Winston. If our male citizens were equal in energy and liberality to the ladies, the ex-Confederate veterans would be far better off.

Mr. Hal. M. Worth has been chosen to succeed the late Mr. T. C. Worth as Treasurer and General Manager of the Worth Manufacturing Company, at Worthville. We most sincerely congratulate our friend "Hal," and know he will fill the "bill" all right.

Gentlemen of the Board of Aldermen, have you any control of the matter of the bridge over the railroad on Hillsboro street? If you have, you had better do something about it. The bridge is liable to fall through any time. If you doubt our word, appoint a committee to look after it. See if they don't report just as we state it.

There will be a meeting of the soliciting committee of the Colored Agricultural College at the Mayor's office next Monday evening the 10th inst., at 5 o'clock. It is earnestly requested that all may be present. We are glad to note that the prospects are good for the location of the college here. Let all lend a helping hand and all doubts will be dispelled.

Please, gentlemen of the Board of Aldermen, don't forget at your meeting tonight that the market house building needs a coat of paint. Remember, also, that the matter of securing extra police for the coming Inter-State Exposition is to be looked after. It is not in the least too soon to attend to this matter. The exposition will be here before we think of it, and we should not be caught in an unprepared condition.

Mr. A. B. Laforme, Boston, Mass., says: I ordered and distributed one dozen large bottles of Bradycrotine among my friends afflicted with headache, and in every case it has afforded almost instantaneous relief. Aug 4 '91

There is talk about the street cars running to the exposition grounds in a short time. All right. Glad to hear it. But what about the bridge over the R. & G. railroad on Hillsboro St. Should it not be rendered perfectly safe before the street cars are put on? There is neglect about this matter somewhere. It should be attended to, or, perhaps some fine day we may hear of a terrible accident. There is no scare business about this. It is a solid fact.

Keep down the weeds and keep off sickness.

Slightly cooler than yesterday, but still very hot.

A few more seats in Nash Square would be a great convenience.

The matrimonial market is dull. The Register of Deeds is not doing much in the line of issuing licenses.

Market well supplied today with fruit and vegetables, and the prices are low.

Look out for George Wilson's great minstrel troupe. It will be here on the night of the 15th.

The Oxford knitting factory was broken into on Monday night and several articles stolen. There is no clue.

Young men's prayer meeting tonight at Edenton St. Church. All young men are cordially invited to attend. Services commence at 8:15.

A colored boy named John Jeffreys for dragging a mink snake through Haines' old church during service, was fined \$5, and cost.

The next in order is the mammoth excursion to Richmond which takes place next Wednesday the 12th inst. It promises to be a great occasion.

The Board of Trustees today elected Mr. Carl P. Harrington of Connecticut to fill the chair of Professor of Latin at the University of North Carolina.

The Lumber River Fair at Red Springs will be held next week commencing the 12th, and lasting until the 15th. There will be quite a number of speeches and the attendance will be very large.

Decayed vegetables are dangerous to the public health. None but fresh should be used. Neither should garbage be thrown on the streets. The health officers will no doubt report all such.

Fab Hunnicutt, a negro trusty was allowed to go to the spring for a bucket of water yesterday at the work house. It turned out that the trusty was not to be trusted. He escaped. There is no business being such "critters" as trusties. Keep them until their time is out, and then if they are trusty let them be trusted—not before.

All persons raising hay on the sidewalks should be reminded that such is a perversion of the use of that portion of the city really, and should take steps to have it removed.

We had the pleasure of a call today from Mr. Charles H. Keeshin, Gen'l Agent of the Geo. Wilson minstrels which will appear at Metropolitan Hall on the 15th inst. This company has the reputation of being the best of its kind now on the road, and has the special endorsement of the press in every city in which they have appeared. A real treat is in store for our people.

Off For Washington.

RICHMOND, VA., Aug 7. [SPECIAL]—We leave today at 3 p. m., for Washington City.

NEIL A. SPENCE.

Notice.

Ruth Lodge, No. 4, D. of R., I. O. O. F., will hold their regular meeting tonight at 8 o'clock. Every member is requested to be present. All who have applied for admission will please present themselves for the degree.

A Pleasant Evening.

Last evening the clerks of Messrs. W. H. & R. S. Tucker & Co., united in a barbecue and sociable at the Exposition grounds. The entire force of this progressive establishment were present, clerks and proprietors and their families, with one or two exceptions. The evening was spent in social enjoyment, switch back railroad riding and partaking of a very bountiful and delicious barbecue. All who participated pronounced the occasion a very enjoyable one.

Meeting of Trustees.

The Trustees of the University met this morning in the Executive office. There was quite a large attendance and much important business transacted. The main object of the meeting is to elect a Professor of Latin, made vacant by the selection of Prof. Winston to the Presidency of the Institution. There were numerous applications, and the claims of each were carefully considered.

Sheriff's Settlement.

We are indebted to our most excellent County Treasurer, Louis Lougee, for the information that the balance now due in the matter of settlement of ex-Sheriff J. Rowan Rogers is \$4,103.33. This sum the bondsmen promise to arrange by the 1st September, subject, of course, to a credit of such money as the sheriff may in the meantime collect; this statement is based on a report of the County Commissioners, made May 23rd last. It is understood that the sheriff has been requested to turn over his books &c, to the commissioners at the next meeting, so that comparisons may be made.

Look Here.

It has been proposed to have a nice moonlight festival and lawn party on the exposition grounds on the night of the 19th inst. This proposition was made by our energetic friend Mr. A. B. Stronach, and what he says he will do, he always stands by even when it is of no advantage to him personally more than to any other citizen. Mr. Stronach held the reins for our 4th of July celebration, and all remember what a great success he made of it. There was a little amount left over, and this will be devoted to the purpose indicated. There should however, be some outside help to make the occasion what it should be. We should all remember that such occasions are of benefit to the entire community. Outside of the social features, there is usually brought together a considerable crowd, which is a help to the city in a trading point of view. We throw out these suggestions so that our liberal minded people may consider them. Let all who can, help out. Everybody can do at least something. Call and see Mr. Stronach. He will tell you the situation in a "nut shell." Let every one give something, so that we can have a great big time.

Did You Ever.

On next Thursday August 13th, Swindell will have one of the grandest special sales ever had in this town, the first special sale in the big new store and of course we are going to do the grand thing. We are going to sell the best quality of fall calicoes at 3 cents a yard, only one dress to each customer. Sale opens at nine in the morning and closes at six in the evening. Think of it, a new fall dress of the best quality of calico for 30 cents. We will have no crowding as we can handle the crowd in our big new store. In this sale will be the following standard brands calicoes: Seel Rivers, Gloucester, Merimacs, Windsor novelties and several other brands at 3 cents per yard on next Thursday at 9 to 6. Swindell's new store 26 Fayetteville street, Raleigh N. C.

LETTER FROM MR SPENCE.

He Writes From Boydton, Va. — Still on his Wheel.

BOYDTON, Va., Aug. 5, 1891

I arrived here Wednesday evening Wynne and I are traveling by different routes, I have no idea where he is tonight. He will cross Roanoke river several miles above me. It is raining a regular flood here tonight. My bicycle is in a pretty bad condition, there are several balls bursted in it. I am now between fifty and sixty miles from Richmond. This is the roughest country for bicycle riding I have ever seen.

NEIL A. SPENCE.
