NEWS NOTES ABOUT THE CITY.

What Our Reporters See and Hear Worth Giving to Our Readers—News in Brief.

The thermometer today was about ninety; pretty hot.

See notice of Mrs. Hattie V. Waitt, administratrix.

The track at the Exposition grounds will, when fixed up as intended, be one of the finest in the South.

Swindell's new sign is up at the former Norris' Dry Goods Store on Fayetteville street.

Help out the soliciting committee of the Colored Agricultural and Mechanical College.

The Governor this morning offered a reward of \$100 for the arrest of Jos. Cass, of Iredell county, charged with the murder of W. G. Wooten.

Swindell's new establishment is now nearly completed. It is a magnificent store. We are going to tell the public all about it in a day or so.

Trade has been as brisk today as could be expected for the season. A considerable number of country people are here.

The Dentist Convention and the State Farmers Alliance will cause a big gathering at Morehead next week.

The Richmond excursionists returned to the city last evening about 6 o'clock. They report having had a most delightful time in the capital of the old Dominion. Nothing happened to mar the occasion in the least.

The Hillsboro street bridge is undergoing repairs, but this is 'penny wise and pound foolish.' We need a new bridge and an iron one at that. Cheaper in the end.

It is stated that Col. McClure editor of the Philadelphia Times has consented to deliver an address at the Inter-State Exposition, October 29th. He will be warmly greeted.

Rev. J. J. Hall, D.D., will preach morning and night at Metropolitan Hall. The public are cordially invited. The Sunday School of the Baptist Tabernacle will meet in the hall at 9:15 a. m.

One of the prettiest places of business in the city now, is the State Treasurer's office. It has been completely renovated and is most admirably arranged in all particulars.

It is a private matter, and friend Raney may consider it none of our business, but, as the market house is to be painted, perhaps the landlord might agree to brush up the front of the Yarboro a little. It would improve it wonderfully.

A meeting of the Young Men's Christian Association will be held tomorrow evening at 5:30 o'clock, at the Sunday school room of the First Baptist Church. All are invited to attend. Mr. W. S. Primrose will lead the meeting. The pastors and Superintendents of Sunday schools will confer a favor by making this announcement at the different churches tomorrow.

Attention is called to the advertisement of the Raleigh Male Academy, of which Messrs. Morson & Denson are Principals. This splendid school is one of the established institutions in our city and is not behind any in the south in the matter of preparing the youth for college and the business pursuits of life. Parents and guardians should consider well the opportunities it affords.

Mr. A. B. Laforme, Boston, Mass., says: I ordered and distributed one dozen large bottles of Bradycrotine among my friends afflicted with headache, and in every case it has afforded almost instantaneous relief. Aug 4 91

Board of Aldermen—Important Session.

The regular monthly meeting of the Board of Aldermen was held last night.

The monthly report of the finance committee was made, and adopted. Alderman Stronach reported that much work had been done, fixing up washed out culverts &c.

Police officer Willis was exonerated of charges preferred against him by Alderman Robinson.

At the instance of chief of police, the matter of extra force during the exposition was referred to the police committee with power to act.

The market committee reported, recommending that the city building (market house) be painted and renovated. It was unanimously adopted.

The fire committee recommended that the Rescue Steamer be repaired and equipped with new section hose. The report was rejected, and Alderman Womble moved to take the steamer out of service. This failed. On an explanation from Chief Engelhard the report of the committee was reconsidered and adopted.

A report of the finance committee was made stating that there was not sufficient funds in the Treasury to consummate the purchase of the Pullen property for the auditorium site and that they were unable to contract a debt by note or otherwise. They therefore moved that the matter of building an auditorium be submitted to a vote of the people in order that the land could be secured legally. The recommendation was adopted and a motion prevailed that the time of holding the election and the amount of bonds to be issued be referred to the finance committee.

Mr. N. B. Broughton resigned as a member of the Board of Equalization, and Mr. Jesse A. Jones was elected in his place.

A statement was read from Mr. J. D. Turner trustee of the Raleigh Cornet Band, that they had the instruments and uniforms of the band which had cost \$1,050, and on which there was about \$190 due. He asked that the city assume the debt, and stated that the band would at once be organized. Otherwise the instruments would have to be sold. The petition was referred to the finance committee.

A petition was read from Mr. John C. George, of the Raleigh Street Railway, asking that the time for completion be extended to September 1st, and stating that the system would certainly be completed by that time, and probably by Aug. 15th. The petition was granted.

LETTER FROM MR. SPENCE.

He Explains About His Trip

A letter was received last evening from Mr. Neill A. Spence, our enterprising young man who, in company with our energetic young friend Mr. Will Wynne, is now on a bicycle tour to the north. The letter is dated August 6th, and Mr. Spence says: I received a telegram asking why I took the train. I was compelled to get somewhere to have my bicycle repaired. The last five hours I run it I had to pull going down hill and I had a rather hard jaunt. You know I could not run nothing like that. The balls running through it crooked like it had burst open. I will get it fixed August 7th, and will go on to New York if my bicycle don't break so I cant. I only rode on cars about 60 miles. If I could have come to some turnpike road I would like to have rode over it if my wheel was in fix. No one could expect me to ride on a trip like this unless my bicycle was in first class running order. There need not be any sensation about my taking the train. They should know my wheel is wrong or I played out.

Election of Officers.

The State Tobacco Convention at Morehead City has elected the following officers:

President.—John S. Lockhart, of Durham.

Vice Presidents—J. R. Gastrell, of Tarboro; R. P. Watkins, of Asheville; and J. P. Taylor, of Henderson.

Secretary and Treasurer—G. E. Webb, of Winston.

It is much to be regretted that Raleigh did not have a larger attendance.

A Handsome Compliment.

We have been shown a most beautiful gold breast pin which was presented last night by the members of Ruth Lodge, Daughters of Rebekah to our esteemed friend, Jasper M. McRary, who was Noble Grand during the last term. The design is a dove surmounting a bundle of sticks with the letters F. L. T. It was quite a surprise to Mr. McRary who is naturally a modest gentleman, but it was a compliment that all will agree was deserved. The presentation was made by Grand Secretary Woodell. The pin was purchased of Mr. Thos. W. Blake, our popular Jeweler.

The World's Fair.

We notice a communication in the columns of our highly esteemed contemporary, the News and Observer this morning, suggesting that the World's Fair Commissioners and their alternates, together, with the Governor, and others interested hold a conference with a view of determining a policy for action. We consider this suggestion a most admirable one and we think it should be carried out during the approaching exposition. No one who takes the pains to look in to the matter carefully can doubt that the decision of the Governor, under the circumstances was right, but it does not alter the fact that it leaves us in a delicate situation as to the part North Carolina is to take in the great show. Some steps should be taken as soon as possible.

Personal Mention.

Dr. J. H. Crawford leaves this afternoon for the Southern Dental Association to convene at Morehead City on Tuesday, August 11th.

Col. L. L. Polk is in the city.

Dr. T. L. Banks, of Panther Branch township, was in the city yesterday afternoon.

Mr. W. G. Brinson, of New Berne, has been in the city recently consulting Dr. Lewis about a trouble in one of his eyes. He has returned home as we learn, much encouraged.
