Embroidered Skirtings.

If ever there was an opportunity given the ladies of Raleigh to buy fine embroidered skirtings at very low prices, it is right now. A special sale of these fine skirtings has been going on for two weeks, and this sale will be continued for one week longer. Some of the patterns were worth and sold for \$20.25, one of these we will now sell for half price \$10.13. Again take a pattern worth \$15.75 you can buy now for \$7.88. Some are sold at even greater reductions than these but we do not want to carry a single piece over until next season. If a lady has all the white dresses needed for this summer, she can well afford, at the prices we offer these at to buy one now and keep until next season to make up.

THE GREAT Panacea Springs WATER

CERTIFICATE FROM DR. J. B. BOBBITT.

RALEIGH, N. C., June 5th 1891.

To the Panacea Springs and Hotel, Co:

Gentlemen—It affords me great pleasure to state that I regard the Panacea Springs water the very best in the catalogue of mineral waters now in use for scrofula, and especially for dyspepsia. One year ago I was a great sufferer from dyspepsia and after spending several weeks near the springs and using the water daily, I was entirely relieved. Since that time I have had occasional returns of it, and in every instance I have experienced prompt relief by the use of the water. I would advise every sufferer from dyspepsia, who can do so, to use this water. It is what its name indicates—a panacea—for some of the worst, if not all, the diseases to which flesh is heir. I have known the water for a number of years, and I cheerfully recommend it. Respectfully,
J. B. BOBBITT, jcs 11
