NEWS NOTES ABOUT THE CITY.

What Our Reporters See and Hear Worth Giving to Our Readers—News in Brief.

Fine rain last night.

A drunk and down constituted the docket of the Mayor this morning. The reports of the various county superintendents of public instruction are being received by Major Finger.

Mr. M. A. Bowles, of the Seaboard System, has been promoted to a position in the office of the train dispatcher, this city.

We hear that seven locomotives were compelled to stand out yesterday, for want of round house room at the Raleigh and Gaston Depot.

Read the advertisement of Whiting Bros., and then say if you ever saw any better inducements in the shoe line. Call and make your selections.

There will be a regular communication of Hiram Lodge, No. 40, this evening at 8:15 o'clock. Brethren of sister lodges cordially invited.

Mr. Geo. Pell, of the Chronicle, has gone to Mt. Airy to take charge of the Mt. Airy News. We wish for him the most complete success.

There will be perfect order at the exposition grounds on Wednesday night next. Let everybody turn out and have a rousing time.

The Switchback railway will be one of the amusement features at the festival at the exposition grounds next Wednesday afternoon.

Mr. A. A. Woods has accepted a position in the establishment of Mr. Dave Rosenthal where he will be pleased to serve his friends and the public generally. Mr. Woods is a fine salesman and we congratulate Mr. Rosenthal on obtaining his services.

Be sure and not be left tomorrow morning. The excursion to Wilmington will leave the Union Depot at 6 o'clock, but you had better be on hand before that time to get a good seat.

The exposition is booming and is attracting attention from all parts of the country. Already the States of Florida, Georgia and South Carolina have secured much space, and others will rapidly follow.

We regret to hear of the death of Mr. H. A. Reams, who died at his home in Durham in the 27th year of his age. He was a young man of much promise and greatly beloved by all who knew him.

I. R. Branham, editor Christian Index, Atlanta, Ga., writes: "I have used Brady's medicine with unfeigned prompt, decided relief." Aug. 11 61

Mr. M. A. Bowles who is on the committee on lights for the grand feast at the exposition grounds, has secured all the available lamps and tallow candles in the city. It will be a bright occasion and no mistake.

The decision of the electric railway managers to run the road through a portion of Oberlin and enter the exposition grounds at the east gate is a good one. We think it will undoubtedly prove of advantage to the line in the way of travel and certainly of great convenience to many residents of the north western suburbs.

There are many summer visitors at Chapel Hill. It is a delightful resort in hot weather, but not more so than Raleigh. If we had such accommodations as we should expect for a city the size of Raleigh, we would be crowded every season with persons from the north and other parts of the country.

October 1st and 2nd has been set for the grand musical festival. It will be a grand prelude to the exposition and such an event in the musical line as has never taken place in North Carolina. Prof. Pauli has devoted much time and energy to the matter, and, we are pleased to learn that the greatest success is anticipated.

That brilliant wedding is coming off tomorrow. Raleigh loses one of her fair daughters, well, such is life.

W. E. West, who is wanted in Tennessee for embezzlement, has been caught and is now in jail in Murphy, Cherokee county, awaiting a requisition.

According to the cards issued, Mr. Chas. McMillan, of Fayetteville, will wed Miss Hunter Davis, of this city, at 12:30 o'clock tomorrow at the residence of the bride's parents on Oakwood Avenue.

The engagement of Prof. Wingate at the Church of the Good Shepherd, closed yesterday, and it is expected he will go to Baltimore. He has won many friends and admirers during his stay in our city, and there is much regret at his leaving.

Capt. Thos. Stephens, one of Person county's largest and most successful tobacco farmers, sold nearly 4,000 pounds of the weed at Milton last Thursday at an average of 20 cents per pound.

An important meeting of the Cross Bearers Circle, Kings Daughters, will be held this evening at 8 o'clock in the Sunday school room of Edenton St. church. Every member is requested to be present as business of importance will come up for consideration.

The portrait of the venerable Wm. Hill, who from 1811 to 1837 was Secretary of State for North Carolina, is now in the State Library. He was father of the late Dr. Hill, of this city, and grand father of the wife of Treasurer Bain.

We are glad to note, that the engineer in charge of the construction of the new Union Depot, says the work will be completed by December next, although we had hoped that it might be made available for landing passengers by the time the exposition opens.

The sear and yellow leaf of the year will soon be upon us, but then we will be cheered by the exposition and other events. Raleigh will be anything else but a dull place the coming fall and winter.

It should not be forgotten that the writing school of Mr. J. W. Weathers will open tonight in the Hall over the Western Union Telegraph office. Young men, desiring good positions should not fail to attend. Give in your name to Mr. James E. Bridgers for the course at once.

Mr. John W. Jenkins, who for some months has been connected with the Christian Advocate, has accepted the position of local editor of the State Chronicle to succeed Mr. George Pell, who goes to Mt. Airy. Mr. Jenkins is a young man of push and intelligence and we cordially welcome him to the corps editorial.

This is the damage and divorce suit season. Every Northern paper is loaded to the brim, and the infection has reached the South. Philadelphia leads the roll with one \$10,000 suit for a crushed hand, one \$500,000 for imprisonment of patent, and a \$1,500 damage suit against the city. Savannah, Ga. brings up the rear with a divorce and damage suit in wealthy circles. Epidemics are the order of the day it seems.

Has Gone North.

Our buyer is north selecting a large stock of fall goods. In a few days our large and elegant new emporium No. 206 Fayetteville street will be packed from floor to ceiling with pretty bright and attractive new goods. Our stock will embrace all the late and new styles in dress goods and trimmings, millinery goods, hats, men's, youths, and boy's clothing, mens' women's and children's shoes, in any size or style that you may want. Our second floor department will be filled with a large and superb assortment of carpets and rugs in any quality or design that you may want.

Yours Truly,

D. T. SWINDELL.

A Business Man.

Mr. Claude A. Sherwood who since 1887 has been in the employ of Messrs. Norris & Carter and the Norris Dry Goods house, is now in charge of the shoe department of the elegant establishment of Mr. D. T. Swindell on Fayetteville street where he will be pleased to see all of his friends and the public generally.

Mr. Sherwood is no novice in the business being an "old hand at the bellows." He entered the dry goods establishment of Mr. Alex Creech in 1868, and, from that time until the present with a short interval, he has been almost continually in business. It can be truly said that his name has become a household word in this city in his line. Added to his high character as a man of business, he possesses all those qualities of politeness and gentlemanly bearing, so necessary to win public favor. We can congratulate Mr. Swindell upon securing the services of a gentleman so acceptable to our people.

It is about getting time for the walk around the capitol square to be paved. It would look much better.

A Beautiful Picture.

We were shown this morning at the store of those enterprising gentlemen Messrs. W. C. & A. B. Stronach, a most beautiful oil painting, representing a Confederate soldier's return to his home after the surrender of Gen. Lee, finding his home in ruins and a scene of complete desolation in all the surroundings. It is a most excellent work of art and was executed by Miss Stella H. Banks, the efficient clerk at the Western Union Telegraph Office in this city.

Miss Banks proposes to have the picture raffled off and devote one third to the Soldiers Home. It is a most creditable offer on the part of the young lady and should be appreciated by all who take an interest in native talent and have at heart the welfare of our disabled soldiers. We predict for Miss Banks a bright future in the line of an artist.

The Durham canning factory is running at full blast, and they are saving lots of tomatoes and other things that would rot on the raisers hands.

House-keepers should remember that our special sale of house furnishing is still going on, and is now as interesting as when first begun. Our Table Damasks, Napkins, Towels, Sheetings &c., are temporarily shown upon tables near the Fayetteville street door. The best values in Turkey Red Damasks, 25, 30, 35, 40 and 50 cents. Our 15 20 and 25 cents Towels are greater values than those of last season. In napkins our line is as complete as can be, prices from 40c. per dozen and up. These lines were recently bought for cash, at special sales in New York, and are offered to our people at prices lower than under the old tariff.
