The Salem orchestra is practicing for the musical festival at the coming exposition.

Mayor Badger rested quietly today from all official cares. Nothing of an unusual character darkened his docket.

Mr. Mills H. Brown, who was badly hurt a short time since by the colored prisoner Willoughby, has so far recovered as to be out.

Wm. Dinkins, who for many years has been one of the street hands, died yesterday at his residence on South East street.

The base ball game yesterday at Richmond, Va., between Richmond and Winston, resulted in a victory for the former by the following score: Richmond 8, Winston 4.

Our firemen did noble work at the fire this morning considering all the difficulties by which they were surrounded. No better force in the United States. All honor to them.

Let there be a long pull, a strong pull, and a pull altogether for the Baptist Female University, and the Colored Agricultural and Mechanical College. We should have them by all means.

The sad information has been received here, that ex-Governor Seales is afflicted with softening of the brain, combined with heart disease. His case is hopeless and his death can be expected at any time.

We regret to note the death of Mr. A. Jenkins, the venerable father of the late D. A. Jenkins which occurred at his home near Dallas, a few days since, aged 94.

These letters will be in all respects reliable and interesting. They will be furnished at the nominal price of fifty cents per week to such papers as may desire them, on addressing him in this city. Col. Olds' wide reputation as a correspondent makes this a most desirable offer.

DESTRUCTIVE FIRE.

Ice Factory Burned.

About 2 o'clock this morning the ice factory located on the N. C. and R. & A. Line Railroads near Boylans bridge took fire, and notwithstanding the utmost efforts at command were used, nearly the entire building was consumed. Although the fire department responded with promptness, it was found difficult to obtain water, the nearest hydrant being at the corner of West and Hargett streets over a quarter of a mile distant. The boiler, engine and electric street railway dynamo in the building were saved.

The factory was owned by Messrs. Jones & Hallett, and it is understood to have been doing a most thriving business. There is still a quantity of ice on hand. It is thought that the loss will be in the neighborhood of \$10,000, which as far as we have been able to learn, is covered by insurance. The proprietors have our deepest sympathy and we hope they may soon repair all damages and resume operations.

We learn that insurance was placed on the factory in the following companies:

Fire Association of Phila., Northern,	\$1,000.
Georgia Home,	2,500.
America, of Philadelphia,	1,250.
Aetna,	1,250.
Securty,	1,000.
Mechanics and Traders,	1,000.
Caledonia,	1,000.

Married.

HALLIBURTON-GAMMON.—At St. Phillips Church in Durham, at 6:30 p. m., yesterday Mr. Wm. S. Halliburton was united in marriage to Miss Emily Gammon, both of that city. The ceremony was conducted by Rev. C. J. Wingate, of Raleigh. The contracting parties left for a northern tour accompanied by the best wishes of a large circle of friends.

Central Methodist Church.

This church is now practically completed, and it is one of the handsomest in this section of the State, especially the interior.

It will be opened for public services in September, and dedicated as soon as practicable.

People in other States, as well as those in other parts of this State have contributed to the building of this church and their generous liberality is highly appreciated by the congregation.

Dr. Nash, the able pastor, has done a great work here, which is warmly appreciated by most of his flock.

Use Imperial Flour for sale by C. O. Ball & Co.

King's Royal Germetuer is harmless and pleasant to take. Try it. A. E. JORDAN, Agt.

It is Unsatisfactory.

The electric lighting on the uptown circuit is very uncertain and unsatisfactory. Pedestrians picking their way over the mud holes and gulleys which abound in the sidewalks, ever and anon find themselves in utter darkness; compelled to go on through mud and in the gulleys guiding themselves as best they can by the splash of the water through which they unwillingly plunge. At Central Methodist church, which is lighted by electricity, the congregation frequently find themselves "sitting in darkness" much of the time of worship; a very lamentable condition for a church to be in. The people are entitled to a steady light and it should be furnished.

A Rare Opportunity.

Our people are promised a rare treat at Edenton Street Methodist Church tomorrow. Both morning and evening services will be conducted by Rev. Y. Yoshioka, of Japan. Mr. Yoshioka is said to be scholarly, cultured and pious. He has been in this country only a few months. He has had rare opportunities for the cultivation of English in his native land, and speaks with ease and marked accuracy. He is at present a student in Vanderbilt University, Nashville, Tenn., where he is taking a course in the theology preparatory to returning as a missionary to his own land. He will speak on the missionary work in Japan in the morning, and of the manners and customs of his people at night, at which time he will assume the native dress.

Raleigh Township.

Commissioner John Robinson, has caused to be prepared a most interesting report of the agricultural statistics of Raleigh township. When it is considered that it embraces a territory only four miles square, the showing is most admirable. It is as follows:

Weather Crop Bulletin.

The report for the week ending yesterday afternoon shows a decidedly discouraging outlook for the State at large; very heavy rains have fallen, especially in the central part of the State. Cotton is very weedy and shedding, and it is feared rust will appear.

Death of Mrs. J. R. Williams.

It is with the deepest regret that we announce the death of Mrs. Ariadne E. Williams, the beloved and estimable wife of our esteemed fellow citizen, J. Rufin Williams Esq., which took place at her residence, corner of McDowell and Martin streets, this afternoon between two and three o'clock.

Mrs. Williams had been in rather declining health for some time past, but her demise was somewhat sudden and unexpected. For a long series of years she had been a member of Edenton Street Methodist Church, and was an earnest and unswerving follower of the Master. In her death the social circle loses a bright and shining light, and her immediate family a most loving, tender and devoted wife and mother.

She leaves a stricken husband, two sons and one daughter, besides numerous relatives to mourn their loss. To these the VISITOR extends its most heartfelt sympathy, and can but hope that He who tempers the wind to the shorn lamb, will bring comfort to their bleeding hearts.

Mrs. Williams was a daughter of the late Benj. B. Smith, for many years a leading merchant of Raleigh.
