THEGREAT

CERTIFICATE FROM DR. J. B. BOBJITT. RALEIGH, N. C., June 5th 1891.

To the Panacea Springs and Hotel Co:

Gentlemen-It affords me great pleasure to state that I regard the Panacea Springs water the very best in the catalogue of mineral waters now in use for scrofula, and especially for dyspepsia. One year ago I was a great sufferer from dyspepsia and after spending seve al weeks near the springs and using the water daily, I was entirely reneved. Since that time I have had occasional returns of it, and in every instance I have experienced prompt relief by the use of the water. I would advise every sufferer from dyspep-sia, who can do so, to use this water. It is what its name indicates—a panacea—for some of the worst, if not all, the diseases to which flesh is heir. I have known the water for a number of years, and I obserfully refor a number of years, and I cheerfully re-commend it. Respectfully, jes tf J. B. BOBBITT.
