

Only Going to the Gate.

Like a bell of blossom ringing, Clear and childish, shrill and sweet, Flouting to the porch's shadow, With the fainter fall of feet, Comes the answer softly backward, Bidding tender watcher wait, While the baby queen outruns her, "Only going to the gate."

Through the moonlight, warm and scented Love to beauty breaths a sigh, Always to depart reluctant, Loth to speak the words good by; Then the same low echo answers, Waiting love of older date, And the maiden whispers softly, "Only going to the gate."

Oh, these gates along our pathway, What they bar outside and in! With the vague outlook beyond them, Over waves we have not seen, How they stand before, behind us! Toll gates some, with price to pay; Spring gates some, that shut forever; Cloud gates some, that melt away. So we pass them going upward On our journey, one by one, To the distant shining wicket Where each traveler goes alone— Where the friends who journey with us Strangely falter, stop and wait; Father, mother, child or lover, "Only going to the gate."

Children Cry for Pitcher's Castoria.

When Baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria. When she became Miss, she clung to Castoria. When she had Children, she gave them Castoria.

Bullets and Ballots.

KANSAS CITY, Sep. 1st.—The Star says it transpired during the recent State meeting of the Farmers' Alliance at Warrensburg, Mo., that there was an organization within the Alliance which believes in force as a measure to attain the objects of the Alliance.

It was the knowledge of the existence of this "force element" that defeated the sub treasury resolution, which was championed especially by it. Those delegates who favored the sub treasury resolution, continues the Star, voted against it simply because they desired to defeat the force party. The force party had forty eight delegates in the convention. One of them told a reporter about the organization, and said, excitedly: "If the minority will not do what the majority wills, it is high time for the majority to hang the minority. It ballots won't do the business bullets will, and there are lots of us pledged to go that far."

Ex President Hall who asserts that his life has been declared a forfeit in the underground meetings of these people, was and is keenly alive to its existence. Before the meeting at Perle Springs he sent out a letter dated Aug. 14th to every delegate he could trust, telling them the facts and exhorting them to be at the convention ready to crush out the influence of these socialists, as he called them, in the Alliance. This letter was kept profoundly secret and its existence did not come to the surface until last Saturday night, when everybody was preparing to leave.

The secret order calls itself "The Anti Monopolists." Very few, if any, farmers belong to it. Its strength lies mainly in the cities and the farmers are its cat's paws.—Wilmington Messenger.

An Aeronaut Falls 1,000 Feet and is Killed.

The balloon ascension at the Detroit (Mich.) exposition grounds Saturday afternoon ended in a frightful tragedy. Geo. Hogan, the aeronaut, performing on the trapeze during the ascent. When 1,000 feet from the earth he lost his grip on the trapeze bar. The body shot through the air with frightful velocity, head downward. Hogan struck the earth on River street, coming in contact with the sidewalk. So great was the impact that the planks were broken and splintered. Not a bone in the body escaped breakage and the head was mashed beyond recognition. Hogan leaves a widow and one child. The victim of the tragedy was a brother of the Professor Hogan who made an ascension in Campbell's airship in Brooklyn, N. Y., a couple of years ago and never returned.
