NEWS NOTES ABOUT THE CITY.

What Our Reporters See and Hear Worth Giving to Our Readers—News in Brief.

Another effort is to be made to build a light house at Hatteras inlet. There were few country people in the city today comparatively.

Wake County Superior Court for the trial of criminal cases commences next Monday.

Great preparations are in progress for the fish and oyster fair at New Bern.

The Grand Lodge of Masons next Tuesday and the Superior Court will make things lively in Raleigh.

Green goods men are still writing to some of our people in the interest of their nefarious trade.

Help out the Y. M. C. Association. Raleigh should not be behind in so important a matter.

Dr. James McKee, Superintendent of Health, says the grippe is on the decline.

The receipts of cotton for the past week at Raleigh were 175 bales, same time last year 371. Receipts to date 18,649; same time last year 29,301 bales.

The Asheville citizen earnestly advocates the putting of all the convicts in the penitentiary at work on the public roads.

The fountain in Moore square ought either to be kept in proper repair or taken away. It is a useless ornament at present.

It is thought that a bill will be introduced in Congress soon, for the payment of interest on the special tax claims, allowed last session.

Our Blount street friends are lucky. They are about the only ones that are having the benefit of the electric street cars these days.

Senator Vance has introduced a bill for the erection of a monument to Gen. Green on the Guilford Battle Ground.

It is said that the Glee Club of the State University will soon make a tour of North Carolina. They are said to be first rate.

H. M. Bowden, the recreant cashier of the broken First National Bank, Wilmington, was said to be taking in the sights of Washington City, at last accounts.

Mr. F. B. Chilton has written a letter to a friend in this city, in which he states that the place for holding the next meeting of the Southern Inter-State Immigration Association is not yet decided upon. He seems to favor New Orleans.

We are much of the opinion that the next exposition of the Southern Inter State Immigration Association, will not be held in Raleigh. Our people are seemingly indifferent to the matter.

On next Tuesday there will be a special sale of shoes at the New York Bargain House, on East Martin street, which will be one of the most attractive occasions of the season. The ladies should not let this grand opportunity pass. They will perhaps not have another such a chance soon.

The matter of a settlement between Mr. J. T. Patrick and the Colored Industrial Association relative to premiums at the late exposition, has been the subject of some newspaper comment of late. We learn that delay in the matter of a settlement has been caused partly from the unavoidable absence of Mr. Patrick at Pine Bluff in attendance on sick members of his family, and also from the fact that some differences existed between parties relative to the amount involved. As we understand it, Mr. Patrick is willing to have the matter submitted to arbitration.

For Rent.

A most desirable house, two blocks from capitol, 2t JULIUS LEWIS & Co.

Died.

Near Apex, today about 12 o'clock, Mr. George Woodall, aged 65 years. Mr. Woodall was night watchman at the capitol and was a most faithful official. He leaves a wife and several children to mourn his loss with whom we deeply sympathize.

The funeral will take place tomorrow at 12 o'clock from the residence about two miles from Apex.

Board of Aldermen.

An adjourned meeting of the board was held last night, mainly for the purpose of discussing the light question. A proposition was made by the Ball Electric Company to furnish a plant, except the poles and wires for \$10,550, or a complete plant for \$15,000. The committee recommend it as the city's interest to purchase it.

An annual allowance of \$200 was made to Dr. James McKee, Superintendent of Health.

Weather Bulletin.

Synopsis of the weather for the 24 hours ending 8 p. m. yesterday:

A new storm of moderate intensity has developed over Louisiana with light precipitation, which will move northeast during Saturday and Sunday, probably causing rain Sunday on the middle Atlantic coast.

Another high area with cold wave is approaching but will be retarded by the storm from Louisiana.

Local forecast for Raleigh and vicinity on Saturday:

Increasing cloudiness and rain or snow by Saturday night; stationary temperature; colder Sunday night.

UNION SERVICE.

The Y. M. C. A. Presented Tomorrow Night in the First Baptist Church.

At 7:30 o'clock tomorrow evening the congregation of all but two of our city churches will unite in a meeting at the First Baptist Church, at which addresses will be delivered upon the work of the Y. M. C. A., and a further effort made to interest the community in the organization of a first class association here. It is the purpose of the present board of directors to make no half hearted effort, but inaugurate work in Raleigh that will compare favorably with that done in other cities throughout the State.

At this meeting Mr. J. H. Southgate, of Durham, and W. R. Gales, one of the State Secretaries, will be the speakers, and as six of our churches will be closed for the occasion, a large attendance may be expected. We hope to see a successful association here at an early day.

Personal Mention.

Dr. F. J. Haywood is suffering with an attack of the grippe.

Mr. D. G. Rand, of Richmond, Va., is in the city.

Mr. Colin Hawkins is out again after a severe struggle with the grippe.

Mr. Albert Johnson, who has been recently very ill with pneumonia, is able to walk about his room. He hopes soon to be out.

Mrs. John Parham is very sick with pneumonia, at her residence on West Morgan street.

Police Officer Strickland, who has been quite sick, is now better.

Bishop Lyman is convalescent.

Indeed! Ah!

On next Wednesday there will be a special sale of boys' white laundered shirts at 23c each. These shirts are our 50, 60 and 75c shirts, and on Wednesday next 23c will buy the choice. These shirts are made of Wamsutta muslin and 2,100 linen bosoms. The shirts will be placed on exhibition Monday morning, at

SWINDELL'S.

Judge Thos. C. Fuller will not return to Santa Fe until about the last of February. He says the west is a fine country in some respects, but North Carolina is just as good as any he has seen.

Brilliant Ball.

The leap year ball at the Capital Club rooms last night was a brilliant event. There was a very large attendance and all seemed to enjoy themselves very much.

A few cases of whooping cough in the city.

The directors of the cotton mills, yesterday, declared a semi annual dividend of 4 per cent on the capital stock. This is an admirable showing and proves most conclusively the prudence of investments in home industries.

Committee Changes.

At the meeting of the Board of Aldermen last night Alderman Pogue was selected to succeed the late W. R. Womble as Chairman of the Fire Committee, and Alderman Walter Grimes was selected in place of Alderman Pescud on all committees upon which he served. Alderman Frank Womble was placed upon all the committees on which his brother W. R. Womble had served.

A Social Session.

The famous Black Hussar Band carried by "A Social Session" company, enjoys the distinction of being considered the finest musical organization ever on the road, in a similar capacity in America. All the music played by this band is of the class made famous by Gilmore, Cappa and Eeves, and is especially arranged by D. J. Sprague, the gentleman who organized and conducted the once famous "Alvin Joslin" band. Parade will be made (weather permitting) from the hotel on Wednesday, January 13th, at 12 o'clock, with concert a few minutes later. Concert will also be given in front of the opera house from 7 to 7:30 in the evening. An excellent program will be rendered, noticeable in which is a medley selection of grand opera gems, and an excellent rendition of the Miserere from Trovators as a duet between Mr. Nickerson and Miss Anne Whiting, trombone soloist (who will occupy a position remote from the band), with band accompaniment. The Black Hussar Band is distinctly a concert band, and a treat is in store for lovers of good music.

Carpets at Cost.

All our carpet stock is now offered at cost of same in New York. Our reason for this big slaughter sale of carpets is good. We want to begin next season's business with a brand new stock of carpets. Hence we make this offer. We have more than a hundred different styles for you to select from. We have a big stock of carpets, moquettes, velvets, Brussels, taps, ingrain, 3 ply, wool, cotton, &c.

Yours truly,

D. T. SWINDELL.

Honest School Shoes.

The holidays are now over and children are about to begin school again, and to provide one's children with school shoes that will wear well and not cost too much is a matter worth considering. We can supply an honest shoe for children's school wear at very reasonable prices—\$1, \$1 25 and \$1 50. We have of course finer shoes than these, but we do not hesitate to say that better shoes than these were never shown in Raleigh at the prices.

MIDWINTER.

WRAPSTO SELL.

WE HAVE A MOST SUCCESSFUL wrap season, probably the most satisfactory one we have ever experienced, and now with January—thoughts of cold weather—we wish to remind our patrons that they can buy first class garments at prices much

BELOW VALUE!

TO THOSE WHO REQUIRE anything in the way of wraps, we advise them to buy this month—buy while there is still time to use them—and to save, in some instances, as much as half in the price.

Long Garments.

We still have a limited number of the lot of long garments at just HALF PRICE.

Now one word about children's school Cloaks. If there is a parent in this city who has not yet bought all the CHILDREN'S WRAPS they need for this winter, then see what we can do for them. A very good garment for a very little price.
