NEWS NOTES ABOUT THE CITY.

What Our Reporters See and Hear Worth Giving to Our Readers—News in Brief.

The sidewalks on some of the streets are in a terrible condition.

The Vernon Jarbeau Company are booked for the 29th inst., in this city.

It is said that the demand for fertilizer tags continues quite brisk.

Snow all gone—we hope to stay awhile.

Oh, for a street car ride this slushy weather.

The play tonight is equal to a "breezy time."

About one thousand dollars has been pledged for the proposed Y. M. C. Association in Raleigh, so we learn.

The department of Agriculture proposes to expend \$9,000 for the Chicago World's Fair.

Can't there be a boom gotten up with reference to our centennial this year.

The preparation for a grand May festival this year is meeting with much encouragement.

Sneak thieves are playing their trade in several sections of the city. Be on the watch.

Don't fail to see "A Social Session" at Metropolitan Hall tonight. It will be rare fun.

Mr. L. H. King, of Granville, has been appointed night watchman at the capitol.

The regular meeting of the stockholders of the N. C. Wagon company will be held on Tuesday next, the 19th inst.

Dr. Black reports the health of the inmates of the Oxford Orphan Asylum as quite good. There are near 210 orphans in the institution.

We regret to learn that nearly all the inmates of the soldiers home are sick, mostly with the grippe. They are having the best of attendance.

Sheriff Page settled the taxes of Wake county with the State Treasurer today, amounting to \$20,270.75.

The grand orchestra of the "Social Session" is one of the best that has ever been seen in Raleigh. Let all who can, hear it.

If you need shoes to protect you from the grip this weather, go to Norris' Dry Goods Store. Read their advertisement in this issue.

Our city physicians are acting with most commendable liberality in their attendance on the inmates of the Soldier's Home for which they receive no pay.

The meetings of the Wake County Alliance will take place at Auburn tomorrow and next day. On Friday a public address will be delivered by Hon. G. W. Sanderlin and A. B. Jones, Esq. A large attendance is expected.

The Raleigh National Bank and the Citizens Bank directors have re-elected all their old officials. This is highly complimentary; they are all splendid officers.

The street car "hang up" is causing not only much inconvenience, but considerable unfavorable comment. Would it not be well for the officials to make some announcement to the public of an assuring character. All sorts of rumors are in circulation. We sincerely hope that matters may soon be properly arranged and all doubts dispelled.

The crossing at the intersection of East Martin and Blount streets where Moore square is entered, is in a shocking condition. It is utterly impossible to cross without getting mired over the shoe tops. Surely this ought to be remedied. A few pieces of stone is all that is necessary. We hope the Street Commissioner will see to it.

That attraction is now playing its 59th consecutive week, and during that time has appeared in every State and Territory in the Union, in addition to the principal cities of the British provinces, and has covered a distance of over 40,000 miles. When one considers that the company numbers nineteen people, the aggregate cost of travel at an average of two cents per mile, would exceed \$15,000, it would be cheaper to walk.

Synopsis of the Weather for the 24 Hours Ending 8 P. M. Yesterday.

The storm which has been lingering in the Gulf has entered the country at Mobile, Ala., accompanied by heavy rains on the South and heavy snow on the northwest side. The storm will move northeast to New England rapidly during today and tomorrow.

The cold wave in the west being unable to move east has advanced Southward, west of the Mississippi to Galveston.

In this vicinity on Wednesday warmer weather with rain may be expected, followed probably by cold wave on Thursday.

Remnants and Chippings of Carpets.

Usually during January we take from the carpet department, all the remnants and chipping that have accumulated during the season previous, and mark them much below value. Our this year's lot, is now ready, and they may be seen upon our first floor. In this lot are all kinds of short lengths, some of from nearly every piece of carpet that has been in stock during last season. Our patrons will do well to examine this odd lot, as there are many useful pieces that can be bought very cheap. W. H. & R. S. TUCKER & Co.

Oyster Supper and Doll's Reception.

The ladies of the Good Shepherd Church will give another of their pleasant oyster suppers at the Rectory, on Thursday, January 14th, from 5 to 10 o'clock. Those who kindly patronized the supper in December will remember the pleasant occasion as well as the abundant and appetizing menu.

There will also be held at the Rectory, in the afternoon of the same day, a "Doll's Reception," to which all the little girls of the city are invited to bring their dolls. At 5 o'clock two prizes will be awarded, one for the prettiest doll and one for the ugliest.

A Near Escape.

As the west bound train on the North Carolina railroad, which left here at 6:40 o'clock last evening reached a point between Raleigh and Methen, about two miles from this city, a pistol shot was fired at the train, the bullet coming near striking Mr. Chas. T. Williams, of the Chronicle who was on his way to Asheville. A large stone was also thrown into the train which struck a passenger in the breast but did no serious injury. The miscreants if captured, should be dealt with to the fullest severity of the law.
