FACTS FOR THE NEW YEAR.

IT IS A FACT that you can sell your property quicker and with less trouble through our agency than otherwise.

IT IS A FACT that you can get a good tenant for your empty house in a shorter time and thereby save more dollars by placing it with us than you can possibly do in any other way.

IT IS A FACT Thoroughly proven that you will get the rent on your property more promptly and regularly by putting the collections in our charge than by any other means. We will save you much more than the expense will be.

IT IS ANOTHER FACT That admits of no contradiction that you can rent a house to suit you in much less time by applying to us than by running around hunting for yourself.

IT IS A FACT That we have given as much satisfaction to all who have entrusted business to us as any new enterprise ever gave to any community.

IT IS A FACT That you can prove the above to be true or not by giving us a trial. We are here to serve you. Call on us, or drop us a postal and we will call on you.

Cheap Homes.

I offer desirable building lots in the northwestern part of the city as represented on Shaffer's map, lying on the extension of Jones Lane, and North streets. In order to enable purchasers to improve their property, by expending their available means in building and making their homes comfortable, I will lease these lots at a rent equal to the interest on their value, and give the purchasers twenty years to pay for the property. To mechanics and young men earning monthly wages, this offer enables them to secure a home at moderate prices and long credits, and pay for them as their earnings allow. A man can lease a lot of one-quarter of an acre, for say \$24 a year, the lease having the transferable character of a fee-simple title, and redeemable at the pleasure of the holder, by payment in full or by installments of not less than one-fifth of the cost of the lot, and can use all the means at command to build his home and make himself comfortable. He thus secures a home free from any debt that can trouble him, by the payment of \$24 a year. Apply to

For this week only.

Send money order for what you need, and if our selection or price is not satisfactory we will return you your money. All transactions during the sale must be strictly cash. We must adhere to this rule on account of the extremely low prices we quote.
