CLAIMS \$40,000 DAMAGES

SAN FRANCISCO, Feb 9th.—Another claim for damages has been filed against Chili, this time by Andrew McKinsley, a member of the crew of the American steamer Keweenaw. He was severely beaten by the police and then imprisoned, but was afterward released on demand of Minister Eagan and Consul McCreary.

The claim, which is for \$10,000, has been sent on to Washington by Attorney F. A. Ord, who is also Shields' attorney. Shields is still in the Marine Hospital here and his doctors believe his health will never be fully restored.

Cheap Homes.

I offer desirable building lots in the northwestern part of the city as represented on Shaffer's map, lying on the extension of Jones, Lane, and North streets. In order to enable purchasers to improve their property, by extending their available means in building and making their homes comfortable, I will lease these lots at a rent equal to the interest on their value, and give the purchasers twenty years to pay for the property. To mechanics and young men earning monthly wages, this offer enables them to secure a home at moderate prices and long credits, and pay for them as their earnings allow. A man can lease a lot of one-quarter of an acre, for say \$24 a year, the lease having the transferable character of a fee-simple title, and redeemable at the pleasure of the holder, by payment in full, or by installments of not less than one-fifth of the cost of the lot, and can use all the means at command to build his home and make himself comfortable. He thus secures a home free from any debt that can trouble him, by the payment of \$24 a year. Apply to WM. J. SAUNDERS Real Estate Agt. dec 19 1m 426, Saunders St.
