Hush for a moment your chatter of glad-

Listen to a cry shall awaken the world; A heart-broken cry of loneliest sudness, Shall reign till the banners of wrong are all furled.

Cease for a while your peeans of glory. Over the victories of science and war; With heads bowed in silence, ponder the story

Of crucified love, and the heaven's new

Lift not your voices in singing loud praises; shout not in view of rich harvest of gold; Wait till this cry of incarnate love raises The dead that have slumbered from age of old.

"Eloi, Eloi, lama sabacthani?" Child of the ages, sweet Saviour divine! Help us to know thee, and trust thee, and love thee.

E'en through thy tears, this deep darkness of thine.

Help us to perceive that this is the glory Of the universal, supreme law of love-Forsaken of God, it follows love's story, Till it girdles the worlds and the stars above.

That this at once the greatest negation Ot all human wisdom, confidence, power; That this is even the soul of creation,

And its triumph immortal, from hour to hour.

#### LANGUAGE OF UMBRELLAS.

#### Cricket.

There is a language of umbrellas as of flowers. For instance, place your umbrella in a rack and it will indicate that it will change owners. To open it quickly in the street means that somebody's eye is going to be put out; to shut it, that a hat or two is going to be knocked off.

An umbrella carried over a woman, the man getting nothing but the drippings ot the rain, indicates courtship. When the man has the umbrella and the woman the drippings, it indicates marriage. To punch your umbrella and then open it means "I dislike you."

To swing your umbrella over your head, signifies "I am making a nuisance of myself." To trail your umbrella along the footpath means that the man behind you is thirsting for your blood. To carry it at right angles under your arm signifies that an eye is to be lost i y the man who follows you.

To open an umbrella quickly, it is said, will frighten a mad bull. To put a cotton umbrella by the side of a silk one signifies "exchange is no robbery." To purchase an umbrella means 'I am not smart, but honest.'

To lend an umbrella indicates 'I am a fool." To return an umbrella means-well, never mind what it means, nobody does it. To carry an umbrella just high enough to tear out men's eyes and knock off men's hats signifies "I am a woman."

To press an umbrella on your friend, saying: "Oh! do take it; I had much rather you would than not!" signifies lying. To give a friend half of your umbrella means that both of you will get wet. To carry it from home in the morning means "It will clear off."
