## CITY IN BRIEF.

Four convicts were added to the penitentiary force yesterday afternoon.

The apple crop in this section is not damaged—so say the knowing ones.

Owing to the storm, the running of the Electric cars was suspended for a considerable time this afternoon.

The lightning caused a considerable interruption of the telephone system this afternoon.

The Agricultural department has recently made some seizures of commercial fertilizers at Kinston.

There are now over 600 convicts on the State farms on the Roanoke River.

Mr. J. D. Howell is very ill with pneumonia at his residence on Avenet Ferry road, just beyond the western limits of the city.

McKee Encampment, No. 15, will meet in regular session tonight at 8 o'clock. Every member requested to be present. Visiting Patriarchs invited to attend.

Epworth League meets tonight at Edenton Street Methodist church. Important that every member attend. Time, 8 o'clock.

Yesterday was a grand occasion in Wilmington. The corner stone of the new court house was laid with Masonic ceremonies. There was a large crowd present.

Attention is directed to the advertisement of Messrs. Thos. H. Briggs & Sons who announce as a specialty the New Quaker City Lawn Mower. Read the announcement.

Epworth League, No. 24 will hold its regular monthly business meeting tonight in the Bible Class Rooms at Edenton Street Methodist Church. Every member is earnestly requested to be present at 8 o'clock, sharp.

Keep off the sidewalks with bicycles. It is against the city ordinances and we have reason to believe the mayor will enforce the penalty in every case of violation.

The thirty-ninth annual meeting of the N. C. State Medical Society will be held at Wilmington May 17th. The Board of Examiners will meet May 16th, at same place.

We invite attention to the advertisement of the Lyon Racket Store, in which is announced a most extraordinary cutting down of prices. Let all read it and profit by the announcement.

It has been suggested in official circles that the property known as the "Sorrell" place on South Wilmington street, opposite the market, would be an eligible and convenient site for a new station house. We do not know, of course, what the property would cost, or whether it could be purchased, but we concur in the idea of the fitness of the place for the purpose indicated. As heretofore stated, we believe a good station house could be erected with but very little cost to the city. It is certainly much needed.

A complete line of tobaccos. We carry a large stock of the popular brands, such as Nosegay, Plug Hat, "Eu Chu, Me" Waverly, Too Loo and Harris Best. At C. O. Ball & Co.'s

## Brought Back.

John T. Davis, who was recently at Denver, Col., has been brought to Richmond and remanded to jail to await trial before the Hastings Court of that city on an indictment recently found. On arriving in Richmond he was taken before the Police Court, but no charge was preferred against him in that tribunal. Davis refuses to make any statement for publication.

## Important Discussion.

The Railroad Commission yesterday, had a most important matter under consideration, known as the Deaver case. Deaver asserts that the Richmond & Danville Railroad had deprived him of a two thousand mile ticket, a portion of which had not been used. It was showed in evidence that Deaver's son in law had used the ticket, upon which the conductor declared the ticket forfeited. The case was dismissed.

## Generous Donation.

Our enterprising friend, Mr. A. Dughi, yesterday, turned over to Mr. A. P. C. Bryan, Treasurer of St. John's Hospital, the sum of \$10 being the net proceeds of the receipts of his saloon for ice cream during Easter Monday. This is a generous act on the part of Mr. Dughi which must be appreciated. By the way, Mr. Dughi will keep his ice cream saloon open hereafter, during the entire season, until 11 o'clock at night, which will be a great convenience.

## Formal Opening

As heretofore announced, the rooms of the Y. M. C. A., corner of Fayetteville and Morgan streets will be formally opened to the public tonight. After inspection of the rooms an adjournment will be made to the assembly room where Dr. Lewis, the President, will deliver an address of welcome. There will also be short addresses by various ministers, with music, etc. The committees for this year will be announced. The Ladies of the Auxiliary are specially requested to be present to aid in the reception.

## Death of Mr. Albert H. Dowell.

We were informed today by a friend that the above named gentleman died recently in New York City, in very reduced circumstances.

Mr. Dowell, is no doubt well remembered by many of our citizens. He was born in the neighborhood of Cary, Wake county, but left there in early life. At one time, he was connected with the Washington City Chronicle, while that well known journal was under the control of the late John W. Forney. After leaving the Chronicle, Mr. Dowell went to Asheville, where he was again connected with a newspaper. From there he went to New York. He was a gentleman of undoubted journalistic talent and possessed generous impulses. His many friends in North Carolina will deeply regret to learn of his death.

## Slaughter of Hamburg Edgings

By means best known to us we came in possession of a big lot of Hamburg Edging for a trifle—almost nothing. This edging we bought for you. It is now on exhibition just as you enter our store. Look at it and pass your judgment on it. We are letting our customers have this edging at a price which will surprise anybody but a hog. This edging is not common but fine. Five cents will buy a better and a wider edging than you are now buying at 12½c and 15c. Eight and ten cents will buy as nice edging as you are in the habit of paying 18c and 20c a yard for. Think of this and profit by it. This edging is now on sale. "We underbuy because we can; we undersell because we will." All over our store, in every department, you can buy nice goods for 20, 30 and 40 per cent less than any other merchant is selling them.

Yours truly,  
D. T. SWINDELL.

## Violent Storm.

One of the most violent storms of rain and hail, seen here for sometime, passed over this city and vicinity, between 12 and 1 o'clock today. It was accompanied by a very heavy wind and unusual display of thunder and lightning. We have heard of no damage in the city, but we fear there has been considerable injury to the growing crops. The rain fell in torrents and when the storm was at its height the gutters presented the appearance of good sized creeks.
