## CITY IN BRIEF.

A very slight advance in cotton.  
Several new cottages are being put up in the vicinity of the new depot.  
Easter music was repeated in some of the churches yesterday.  
The electric cars had heavy travel yesterday.  
The next meeting of the College Professors Association will be held in Raleigh during February, 1893.  
An interesting musicale given at St. Mary's school next Friday night under the direction of Dr. Kursteiner.  
An abandoned woman was fined \$5 and costs this morning by the mayor for illegal conduct on the street.  
A few straw hats and several white vests put in their appearance yesterday.  
Eat supper in Raleigh and breakfast in Atlanta—that is the proposed schedule.  
A reward of \$300 has been offered for John Little and Edward Whitley who are charged with the murder of police officer Moran, of Charlotte.  
The bible conferences being held at the Baptist church in Greensboro, are growing in interest, and very well attended.  
Be sure to go to Metropolitan Hall to night and see the beautiful stereoscopic entertainment in aid of the North Carolina building for the World's fair.  
Work on the new depot is being pushed as fast as the weather will permit. It is expected to be finished in all its departments by June 1st next.  
Hon. G. W. Sanderlin has accepted the invitation to deliver the address at the closing exercises of the Raleigh Male Academy, which takes place on the 3rd of June next.

Regular meeting of Wm. G. Hill Lodge, No. 218, A. F. and A. M., tonight at 8 o'clock, for work in the first degree. Visitors cordially invited to attend.

Mr. Geo. N. Walters has some new and striking patterns in new goods recently received. We are glad to see that his great skill in hitting the style and fitting the man is being appreciated.

When a man declares that the world is growing worse and worse and that society is going to the dogs, it is a sure sign that he is getting old. He is like the woman who declared that looking glasses wear not as good as they used to be.

There is no section of our city that has undergone more improvement during the last few years than west Martin street. It is indeed getting to be a beautiful thoroughfare, and when the new hotel and Union depot are finished it will be the rival of the prettiest streets in Raleigh.

The Chamber of Commerce and Industry will hold a meeting tomorrow night at Metropolitan Hall to which the public generally and the ladies specially are invited. Prof. J. H. Kinealy will deliver an address on "The True Citizen." It will be an interesting occasion and all who desire to see the interest of the city promoted, should attend.

## FOUND DEAD.

### One More Unfortunate Gone to Her Rest.

Yesterday evening, between the hours of 8 and 9 o'clock, the dead body of an aged and somewhat notorious white woman named Nancy Allen alias Nancy Williams, was found lying on a bed in a room of her residence in the old fair grounds, near the street extending from Hargett to Davie streets.

The facts in the case as near as we have been able to gather them, are about as follows:

### SWARMS OF FLIES.

Yesterday evening a colored woman passing by the house had her attention attracted to large swarms of what are known as green flies around the door and windows. Curiosity prompted her to look into the matter which she did by approaching the premises. In doing so, she encountered a most sickening stench, which aroused her suspicions that there was something wrong. She communicated with several persons and among them our well known citizen, Mr. W. T. Womble, of the Raleigh National Bank, who resides on Hargett street near the place. Mr. Womble at once communicated the matter to the city authorities. Mr. J. H. Marshall, janitor of the market house building, and Mr. C. W. Bevers, one of our efficient police,

### WENT TO THE HOUSE,

as did also Dr. Jas. H. McKee, superintendent of health, and Dr. Buffalo, county coroner. An entrance was effected and the body of the unfortunate woman was found lying dead in bed with her clothes and shoes on. After examination of the body the coroner decided it was unnecessary to summon a jury of inquest, as no symptoms were

### SHOWN OF FOUL PLAY.

It appeared that the woman had died either from excessive exhaustion incident to age, or perhaps heart failure. It is almost certain that the deceased died last Thursday afternoon or night, and this is surmised from the fact that between 12 and 1 o'clock of that day Officer Bevers met her on return from the old city cemetery where she had been to look after the grave of her daughter buried there, and to which she paid much attention. At that time, Mr. Bevers thinks, she had on the same apparel in which she was found. The supposition is, that on returning home she

### BARRED UP THE HOUSE

and laid down for rest during which time she died. Some think that she may have been so impressed with the visit to her daughter's grave that she took poison. Of this, however, so far as we can ascertain, there is no evidence whatever.

Of the birth or early life of the woman, we know but little. She has for a great number of years been a somewhat

### NOTORIOUS CHARACTER.

She was at one time possessed of considerable means and owned the house in which she lived. This, however, is under heavy mortgage and her worldly possessions were but small. We learn she left a will.

Her maiden name was Nancy Williams, and those who knew her in early life say that she was a woman of unusual beauty.

Her subsequent life and its final close is a sad comment upon the changes in life and should prove a fearful warning against vice and its terrible results.

The funeral took place this morning and the remains were interred in the old city cemetery by the side of the dead woman's daughter.

Under a decision of the Railroad Commission, the passenger tariff of the Murfreesboro road has been reduced from fifty to twenty five cents. The freight tariff remains unchanged. The order goes into effect May 15th next.

## Senator Vance.

The recent attack of paralysis with which Senator Vance has suffered, is the second, the first attack being in 1885, just prior to his being taken to the old Capitol prison. It is said that his face is much drawn and he speaks with difficulty. His many friends here hope for his speedy recovery.

## Millinery de la France.

People generally know that the styles in new millinery are originated in Paris and are constantly changing. Well yesterday was a beautiful day and many new hats were out, and this writer noted the ancient appearance of many of the new hats. Some were really the correct style. But at least half of the hats we saw were trimmed by milliners who knew absolutely nothing of the new styles, and we venture to say these very hats cost more money than a real stylish hat of real handsome material would have cost at Swindell's millinery department. Now while it is all right to have favorites and friends socially, in business such things are out of place. Trade with no one for love or friendship. Buy goods where the dollar goes the furthest. In Swindell's millinery department you can get a much nicer and more stylish hat for \$3 than some we have seen which cost \$5. Flowers, ribbons, hats and all manner of millinery can be bought at Swindell's.

Do you want to RENT a nice house in good neighborhoods? We have now a 6 room house on South Salisbury street. Good water in back porch pump; price \$15 month. 7 room house on Edenton street, opposite Edenton street church with bath tub, stationary wash stand in the rooms. Electric bells, city water, price \$22 per month. 12 room house on Edenton street, between Salisbury and McDowell, price \$15.00 per month. 8 room house on B'oodworth street, opposite Morson & Danson's school, good water, garden and stable, nice shady front yard, price \$15.00 per month. 5 room cottage on Dawson street, good garden and well of water, price \$10 per month. 5 room cottage on North Halifax street, first class neighborhood, city water, price \$10.00 per month. 5 room cottage, corner Wilmington and Johnson streets, city water, price \$13.50 per month. 4 room cottage on Dodd street, No. 829, \$6 per month.
