Mrs. Julius Lewis has returned from a short trip to Durham.
The Burlesque initiation will be given in Durham next Friday night.
Strawberries in market today at 25 cents a quart.
The new electric railway was started last Saturday in Wilmington.
Arrangements for the business men's carnival are in active progress.
Spring lamb is row all the rage in the meat line.
Mark Masters Degree this evening at 8 o'clock.
Fine weather for using the new bath houses in Pullen Park.
No cases tried in the Superior Court today.
All quiet in official circles at the Capitol today.
The ladies were out in all their glory today.
The Fourth of July will be celebrated in fine style at the Guilford Battle Grounds, near Greensboro.
It is now definitely arranged that the Atlantic Hotel will be formally opened June 8th.

Mrs. E. A. Heatt, of Durham, who has been visiting friends in the city has returned home.

A meeting of the Executive Committee of the North Carolina Agricultural Society, will be held at their rooms this evening at 8:30 o'clock.

Nearly every one needs a good spring medicine, and Hood's Sarsaparilla is undoubtedly the best. Try it this season.

The stereopticon exhibition which was to have been given tonight at the Deaf and Dumb Institution, has been postponed until further notice.

The visiting committee of the University of Chapel Hill, met at the institution today for the purpose of examination, etc.

Judge Thos. C. Fuller has returned to the city from Denver to spend a short time with his family. He is looking remarkably well.

It is expected that there will be a meeting of the congregation of the First Presbyterian church, next Sunday morning, for the purpose of choosing a pastor.

A *lapsus pennae* made us say yesterday, that the model of the cruiser "Raleigh" on exhibition at Mr. H. W. Ayer's office is 17 1/2 feet long when it should have read 7 1/2.

There was a considerable audience in attendance last night at Metropolitan Hall to see the Burlesque Initiation and all seemed to enjoy the fun hugely.

A latch key with a brass tag attached, on which is the number "41," has been found and left at this office for identification. The word "serenity" is stamped on the key.

A public debate will take place between the Philanthropic and Dialectic Literary Societies of Chapel Hill, May 7th, at 8 o'clock. The question at issue is "Resolved that the execution of Charles I. was unjustifiable."

There are, we understand, in round numbers, eleven hundred acres embraced in the corporate limits of Raleigh. This estimate, we hear, was made by Col. A. W. Shaffer, whose authority on such matters is excellent.

Reduced.

Now is your time to get choice tomato plants. Two dozen for 35c, or 30c for single dozen. Nice size. Send early, as they will not stay long at 17c.
C. O. McDONALD,
may 3-1t

Deaths.

Mr. R. F. Stephens died at his residence in Wake county, April 28th, 1892, in his 53rd year, after a long and painful illness. He leaves four boys to mourn their loss. Mr. Stephens was a true friend and a highly respected citizen. Our sympathies are extended to the bereaved ones.

A Live Institution.

Covenant Building and Loan Association of Knoxville, Tenn., is showing practical results. It has already loaned over \$7000 in Raleigh, and in a letter to their agent the Association offers to loan to other members here who offer good security. This association is popular, prosperous and liberal. Attention is called to its advertisement in another column.

Personal Mention.

Col. John Robinson, Commissioner of Agriculture, has gone to Charlotte on business.

Mr. Edward Crawford is quite sick at his residence on the Hillsboro road.

Senator Vance expects to attend the Teachers' session at Morehead in June next, if his health will permit. He is now at his country seat near Asheville.

Assignments.

A deed of trust was today executed and filed in the office of the Register of Deeds from Dr. J. A. Sexton, conveying to Armistead Jones, as trustee, certain property, for the benefit of creditors. The deed transfers real estate in Raleigh and elsewhere, consisting in part of a valuable lot on Fayetteville street, and three hundred acres of land in Harnett county. The liabilities are about \$6,000, and are as follows:
Raleigh Savings Bank, note for \$3,000; Commercial Savings Bank of Farmville, Va., \$1,000; G. D. Rand Richmond, Va., \$1,500; E. B. Barbee, \$1,000.

An Interesting Case.

It is learned at Winston that a compromise had been effected in an interesting case which had been "hanging fire" in the courts of Stokes county for two or three years. The parties interested are Mr. Thomas R. Pepper and Miss Emma Smith of that city. The charges were a breach of contract for marriage and Miss Smith placed her claims for \$3000. Now Mr. Pepper's lawyers have secured an acceptance of \$700, on condition that she is to give up all the jewelry, including a gold watch, rings, etc., given her by Mr. Pepper. The latter married a Miss Leipfert, of Virginia, about two years ago.

Accident.

Miss Emma Jones, daughter of Mr. N. P. Jones, with Miss Neppie Davis, daughter of Mr. J. W. Davis, with her brother, a good stout boy, were returning from Sidney Church, this county, on Sunday afternoon, when the horse took fright and ran away, throwing the young ladies and the boy out. The latter against a tree, which he feared injured his spine as he could not stand and had to be carried to the house. The horse was so frightened that he ran straight through the pond in his course, throwing Miss Lizzie out in the midst of it where the water was two or three feet deep. Fortunately she sustained no further injury than to get a square ducking and her new bonnet and dress ruined.

Primaries.

The Democratic voters of Raleigh Township will meet next Saturday night at 8 o'clock for the purpose of electing delegates to the County Convention. The following are the places of meeting:
First ward—Court room, Court House.
Second ward—Clerk's office, Court House.
