

Elon College.

It is with great pleasure we note that this admirable institution, under the fostering care of the Christian denomination is in as flourishing condition as could be expected, and that its future prospects are full of promise. Dr. Winston is president of the college, and is surrounded by able assistants. The present session will soon close, as the commencement exercises are to take place May 25th and 26th. On Wednesday morning of commencement, the representatives of the Society will speak, and on the evening of the same day the concert will take place. The graduating exercises will take place on Thursday morning at 10 o'clock, and the annual sermon at 11. The annual reception will take place at 8 p. m. on the same day. The sermon will be delivered by Rev. Dr. F. M. McWhinney, of Franklin, Ohio. The address will be delivered by Hon. John S. Long, of New Berne.

The general convention of the Christian Church South will meet May 21st, and will remain in session until commencement. The session will be held at the college. Reduced rates on the railroads will no doubt be granted.

Oxford and Coastline.

Matters pertaining to the proposed Oxford and Coastline Railway do not seem to be so bright as has been hoped. There seems to be a hitch which may cause some temporary delay in the scheme. The commissioners of Oxford have adopted resolutions declining to issue the \$40,000 in bonds voted in aid of the road. In the course of a discussion on the subject, it was stated that Oxford had voted the money for a railroad to connect the town with the counties of Eastern North Carolina, to tap the Atlantic Coast Line, and that such contribution was to "aid in building," rather than to pay the entire cost construction of the road. It was further stated that the vote of \$40,000 for a road four and a half miles long, to connect with the Durham and North ern road ought not to have been made. The case will now go into the courts, where a considerable "hang-up" may be expected.

Died.

In Sanford yesterday morning, Mr. L. T. Brown, aged about 30 years.

AN INSANE BRIDE

WILLIAMSON, Ga., April 3.—Mrs. J. N. Hancock, a bride of only two months, was yesterday adjudged insane. The circumstances which led up to this sad result were somewhat peculiar.

A week ago today she was supposed to have been engaged in some domestic duty her husband being a farmer, was out on the farm—when her clothing caught on fire. When discovered she was standing in a room with nearly all of her clothing burned from her body, wringing her hands and crying: "Put the fire out! Don't let me burn up!" By some fortunate means, her person was not much burned. But she was under the impression that she was still burning, and her continual cries to "put out the fire" were distressing.

NO BOGUS testimonials, no bogus Doctors' letters used to sell HOOD'S Sarsaparilla. Every one of its advertisements is absolutely true.

NEW ADVERTISEMENTS.

**—DO YOU—
OWN YOUR OWN HOME?**

Are we saving any money as the days pass by? Are we buying a home for ourselves and families, while we are better prepared than when we get older? Young men are you saving any of your salary? Some think they cannot save anything while they have to pay such high rents and other expenses. Just so; but did you know that you can make arrangements with "The Covenant Building and Loan Association" and buy you a desirable home for less monthly payments than you are now paying rent? Would it not be well to see about this? We can show you where we have loaned \$5,000 in Raleigh to build houses. Young man, every young man should save something every day. Did you ever try it? Well, then, suppose you try it for one month. Do with half your daily cigars, half of daily tobacco, and half of other unnecessary expenses. Why, you would be the most surprised of any one, how much this would save. Then invest in the Building and Loan Association and your profits will equal each payment within seven years. Our Building and Loan Association want to loan money here, and will arrange it so that you will hardly know how you repay it. Apply to may 2-1m. WAYNE ALLCOTT.
