AUNT MARY.

There's a time at the close of day, When tea things are put away, Wilen Aunt Mary thinks and winks and blinks,

And what does she think of, pray? Does she think of the days gone by, And is every breath a sigh

For the hours she spent in merriment, When quick were foot and eye? Do those nights long gone, return, And love s old passion burn?

Of far away June does memory croon, And make her poor heart yearn? Or is it of other things,

Her memory busily sings-Of troublesome mice and boys not nice, Of the cupboard door that swings? If her thoughts are of this or that, For the gift of a brand new hat, She would not tell, I know right well-Aunt Mary's the household cat.

FOR YOUR WIFE'S GOOD.

-Good Housekeeping.

When Theodore Parker was married he entered in his journal on his wedding the following resolutions: First-Never, except for the best

reasons, to oppose my wife's will. Second-To discharge all duties for her sake freely.

Third-Never to scold.

Fourth-Never to look cross at her Fifth-Never to worry her with commands. Sixth-To promote her piety.

Seventh-To bear her burdens. Eighth-To overlook her foibles Ninth-To save, cherish and for-

ever defend her. Tenth-To remember her always in my prayers. Thus, God willing, we shall be blessed.

An Italian Ministry has been overthrown recently for having undertaken, in defiance of public opinion, to build costly ships of war while the Italian treasury was on the verge of bankruptey and the p-ople overwhelmed with taxes. Do the members of the United States Senate imagine that the American people will patiently submit to similar acts of extravagance in a period of profound peace?

A CAPITOL IN ASHES.

SANTA FE. N M. May 17-At 8 o'clock last evening fire was seen issuing from the roof of the attic near the base of the south dome of New Mexico's magnificent capitol building. The citizens at once drew up the fire hose, only to find that the water from the waterworks had been shut off from the building and grounds or reduced to a meré drop, and it was at once evident that the building was doomed. All hands at once stripped the building of furniture, carpets, law library and every movable article in the lower floors The vaults are univjured. Owing to some misunderstanding in the late Territorial legislature no money was appropri ated for insurance on the public buildings, and the policies were allowed to expire The building was valued at \$250,000, and is a total loss.

HAWAII WANTS TO JOIN US.

SAN FRANCISCO, UAL, May 13. In interviews with passengers on the Mariposa, which arrived yesterday from Honolulu, it is learned that on 28 instan: the Hawaiian Legislature will meet, and that the most important question to come before that body will be the question of annexation the United States. From what can be gathered the proposition seems to meet with considerable favor, and it is stated that sugar planters are working for the annexation of the islands to the United States, and using all means to carry it to a successful issue.
