### CITY IN BRIEF.

Fires were comfortable this morning.

This is a state holiday and the departments at the capitol are closed.

Many of our citizens have gone to the Charlotte celebration.

Senator Ransom is in attendance on the Charlotte celebration.

The usual "I told you so," is now in order.

Gov. Vance could not accompany the congressional party to Charlotte owing to the condition of his health.

Now that the convention is gone, let us get up something else to remove the ennui.

Williams, of Pitt, goes back to the bosom of his constituents, untried and as full of patriotism as ever.

Nearly every one has had a good spring meal, and Hood's Sarsaparilla is undoubtedly the best. Try it this season.

The street cars are now running through from the fairgrounds to East Raleigh, without interruption.

The Pythian band will give a concert in their hall tonight. All members of the Knights of Pythias are invited.

A new town clock with a handsome capital on the market house building would be the correct thing for our city fathers to order.

All the delegates elected to the Chicago Convention are shy of interviewers. They generally declare that they are for the man who can win—and that ends it.

There is a general desire to have the Business Men's Carnival repeated. The very large crowd at the recent rendition is a guarantee that it would bear repetition.

It is rumored in the city today that the condition of Gov. Vance is somewhat serious. We must think, however, that it arose from the fact that he did not feel able to attend the Charlotte celebration.

There are 385 penitentiary convicts at work at Rocky Mount, building a stockade preparatory to commencing the railway shops to be erected there by the Wilmington and Weldon Railroad.

Read the advertisement of Messrs. Whiting Bros. who announce some real solid values in the clothing line, &c. Especially should our people note the new color in the line of Derby hats for \$1.49.

The alarm sounded this afternoon from box 24 was caused from a small house in the eastern section of the city known as East Raleigh catching fire. It was soon extinguished with little or no damage. It was occupied by Mr. Sawyer and situated corner Davis and East streets.

It is reported that letters have been received from some of the colored people who left this section of the State for Kansas some time since during the exodus craze, stating that they were in a bad condition and longing for a return to their old homes. No better place than North Carolina, of which Raleigh is the garden spot.

The graded schools closed today for summer vacation.

All the trains passing through today going west were crowded with persons for the Charlotte celebration.

Several of the newly elected Board of Aldermen in Greensboro have been declared ineligible because they hold other offices, and a new election has been ordered.

Reports continue to be received at the Agricultural Department of the ravages of grasshoppers in the eastern section of the State, especially in Robeson. They attack the leaves of the forest trees in great numbers.

There have been only 96 complaints docketed by the Railroad Commission up to date. This is very good when we consider that some people are so ungenerous as to declare that all corporations have no souls.

We learn that the sales of commercial fertilizers in the State so far this spring, has been two thirds larger than last spring. This is evidenced by the sales of tonnage tax tags at the Agricultural Department.

The goat that caused the alarm of fire last evening by butting at a looking glass in which his shadow was reflected, upsetting a lamp, has been arrested, tried and convicted. He was executed this morning by throat cutting.

Mr. George Williams informed us today, that chicken thieves made a raid on the premises of his father, Mr. J. Ruffin Williams on New Bern avenue, last night. They carried off several valuable hens.

### Centre Lodge, No. 3, K. of P.

You are hereby ordered to meet at the Castle Hall of Phlox Lodge, No. 34, this p. m. at 8:30 o'clock to attend the meeting of Phlox Lodge, K. of P. Band concert, &c.

M. ANDREWS,  
Chancellor Commander.

Attest: W. W. Wilson, K. of R. & S.

### Grand Excursion to Louisburg.

Will leave this city at 8 o'clock sharp Monday a. m. May 23d. All persons white and colored can go on this trip and enjoy themselves to the highest degree. Good order guaranteed, and positively no drunken or disorderly person allowed on the train. All manner of amusement can be had at the beautiful town of Louisburg. The people there extend to all who go a most cordial welcome. A. J. Haywood's brass band will furnish music for the occasion. Round trip 97c; children under 12, 50c. Pope, Williamson and Mitchell, managers.

### Our County Commissioners.

The magistrates of the county of Wake will meet next month in this city for the purpose of electing a new board of county commissioners, and it is a matter that is attracting more than ordinary interest. We are of those who believe that the commissioners of a county are something outside of a mere board to be chosen only from political considerations. We look upon them from a business standpoint, and believe that they should be selected with a view to their business qualifications. It may be almost considered that the board of commissioners of a county the size of Wake, constitutes a body possessing to some degree the powers of a small legislature. Wake is a great county, and her interests are varied and many. It will not do to select men unfitted by experience or education to transact matters brought up for consideration. We will have much hereafter to say on this subject. There is abundant room for great criticism.

### Hat Sale.

Swindell's sale of ladies straw hats at 10c and 15c began yesterday. There are 500 dozen of these hats and are worth 25c to 150 cents each. We sell them at 10c and 15c each at

SWINDELL'S.

### Personal Mention.

Mr. M. L. Oldham is confined to his home from sickness.

Elias Carr, the Democratic nominee for governor, has gone to Charlotte to participate in the celebration of the 20th May.

Mr. William Hall, who has for some time been on a visit to Franklin county, has returned to the city to take a position in the store of Mr. H. H. Crocker, on East Hargett street.

### Good Service.

The Western Union Telegraph Co. is entitled to the thanks of the press generally for the efficient service rendered during the recent convention. The volume of business was tremendous but it was admirably and quickly disposed of by Manager Egerton and his efficient force—Mr. W. C. Richardson, the night press operator, Mr. Burch and Mr. Jones. The messenger boys—Tommie P. Lumsden, Percy Thiem, Robert G. Nixon and C. C. Bunch were always on hand conveying messages between the convention hall and the office. They performed their duties well and deserve praise.

### Deserved.

One of the most graceful and deserving acts of the recent convention was the passage, late yesterday afternoon, of a resolution most cordially endorsing the administration of Gov. Holt, of which the following is a copy:

Resolved, That this convention most heartily endorses the administration of Gov. Holt. It has been honest, able and clean, in all the different departments. The public money has been safely kept, the expenditures duly audited and disbursed, and the public school system has been brought to a state of excellence never before attained in North Carolina.

Occupying the position of a non-partisan journal we can all the more bear testimony to the justice of the resolution. We can go further and say, that as a temporary citizen of Raleigh Gov. Holt has, to a great extent, endeared himself to many of our people. We are sure that we voice the public sentiment of the people of Raleigh in wishing for him and his household the longest span of human happiness.

### Many People Have Few Dollars.

The struggle in life for an existence to many people is accompanied by sweat of blood and tears of gall. And then for these same people wasting and squandering their substance by paying dearly for wares when Swindell has just the stuff they want and need at prices far less than what they are paying each day, does appear as the height of folly. Swindell has been (13) thirteen years in this business and is well acquainted with all the byways in which goods are to be had for less than the regular price. Swindell asks no accommodation from the wholesale men; has the cash and is master of the situation. Merchants who have to buy on credit have no bargains to offer you. D. T. Swindell went to New York last week and the purchases can now be seen in our stores. A visit to our store will pay you.

Yours truly,

D. T. SWINDELL.
