CITY IN BRIEF.

Among those licensed to practice dentistry by the State Examining Board is N. G. Carroll, of Raleigh.

Among the amusements at Greensboro for July 4th, is a grand centennial ball.

The hotel Claiborne at Durham has closed temporarily. The new building is to be commenced at once.

Over one thousand barrels of cabbages were shipped north from New-Berne in one day recently.

The Sunday School of Central Methodist church went on a picnic to Yates' pond today.

If you feel weak, tired and all run down, Hood's Sarsaparilla is just what you need to build up and purify your blood.

Prof. R. G. Kendrick, Jr. has been appointed Professor of Latin at Elon College. He is a graduate of Wake Forest College.

Regular monthly meeting of Raleigh Commandery K. T. No. 4, to night at 8 o'clock, sharp. The order of the Templar will be conferred.

The great event in the Chapel Hill commencement was the address of Hon. A. M. Waddell on the life and services of Hon. W. L. Saunders. It is said to have been a fine effort.

Dr. Samuel Montgomery of Concord, N. C., was married yesterday noon to Miss Norris of Apex. Drs. Fitzgerald, Pharr and Houston accompanied him to Apex. The party left today for Concord the future home of the bride and groom.

Our friend J. Hal Bobbitt is giving away a very handsome fan to those who purchase his cooling summer drinks. The fans alone are worth the price. He also is furnishing beautiful Japanese handkerchiefs. They are "dandies."

The tax listers have commenced their work. They can be found on the lower floor in their room at the court house. Call and give in taxes so that a rush may be avoided. The books will be open thirty days.

It is reported that there will be several contestants for the office of county superintendent of public instruction before the justices of the peace next Monday.

Dr. R. A. Smith has been sworn in as a special police for Brookside Park with full power to arrest all disorderly persons. The doctor informs us that the electric lights will be put in the park in a few days, thus adding much to the advantages of the place during the hot summer nights. He deserves much credit for the faithful manner in which he discharges his duties. Manager Huff could not have made a better selection for keeper of the park than Dr. Smith.

A gentleman in Clarksville, Va., writing to a friend in this city says, there is a fine road for bicycles from Clarksville to Buffalo Lithia Springs. A number of our young men will carry their bicycles with them next Wednesday on the excursion and ride over to the springs. A large baggage car will be carried for the convenience of the crowd.

Encouraging.

We are much pleased to note that our suggestions in yesterday's issue, relative to a proper celebration of the centennial of Raleigh, the 4th of July, and the completion of our new union depot, are meeting with much favor among our people generally, and we throw off the bounds of over modesty in making the assertion, that during today we have been the recipient of many congratulations on our course. Not the least, by far, of these endorsements comes from Mr. Frank Stronach, one of our most energetic Aldermen. Mr. Stronach is earnestly in favor of the carrying out of all our propositions if possible, but in any event he thinks that at least some of them should meet the approbation of the board of aldermen, with such pecuniary aid as the finances of the city will justify. He takes substantially the same view of the matter as we do, holding that such occasions are sure to bring a *quid pro quo* in the way of increased trade to our business community. In pursuing the subject, Mr. Stronach makes a suggestion which, in our opinion, would not only be acceptable to all our people, but would give additional eclat to the celebration of the National Declaration of Independence. He thinks it would be desirable to make the fourth of July celebration a double one by adding appropriate ceremonies incident to the completion of our new depot. There could be no reasonable objection to this, and it may not be inappropriate to suggest that the board of aldermen at their meeting tomorrow night inaugurate the movement by appointment of a committee to report at a called meeting. We must think, too, that the railroad companies would cordially unite in such a proposition, giving such aid and prominence to the matter as to promise complete success. We find Mr. Stronach in earnest in the matter, and we cannot but hope that his views will meet with the unanimous concurrence of the board.

Mr. Stronach is the author of another proposition, which we are frank enough to admit, did not meet with our views of exact justice. He proposed to change the name of Martin street, to Park avenue as a memento to the energy displayed by our friend, Mr. Page, in the great improvements he is making on that beautiful thoroughfare. He now tells us that, on reflection, he is ready and willing to compromise conflicting views by naming the street west of Fayetteville, "Park avenue," and retaining the name of "Martin" street for the eastern portion. Of course "half a loaf is better than no loaf." Our idea was to preserve intact the name of one of North Carolina's great statesmen. If, however, in order to meet the spirit of modern enterprise a fair compromise can be effected, so well and so good.

All these matters should constitute the budget of business before the board of aldermen tomorrow night.

Raleigh Male Academy.

Tomorrow at 11 a. m., the closing exercises of the Raleigh Male Academy, Messrs. Morson & Denson, Principals, will take place at that institution. Rev. J. N. Cole will open the services with prayer, and after the announcement of class reports, and the award of honors to the successful contestants, the Hon. Geo. W. Sanderlin will deliver the annual address. All friends of education and patrons of the school are cordially invited. The past year has been the most successful in the history of the school, the enrollment reaching 180 students.

Collector White left yesterday afternoon for Minneapolis. He says he is for Harrison, first, last and all the time and has no idea that the "Plumed Knight" will enter the race. We wish him a pleasant trip and safe return.

The Berry Pickers at Metropolitan Hall tomorrow night. Remember, the proceeds are for the benefit of St. John's Hospital. Besides, the entertainment is a most attractive one.

I. O. O. F.

Regular meeting of Seaton Gales Lodge, No. 64, I. O. O. F., tonight at 8 o'clock, sharp. Work in the 1st degree. Members earnestly requested to attend. Visiting brethren cordially invited. THIRM, Sec.

Mr. Geo. N. Walters, on Fayetteville street, opposite Bobbitt's drug store, has on hand a fine assortment of English Homespun, Irish Friezes, Irish and Bloney Tweeds, light weight suitings also Tropical Worsteds. A chance purchase. Magnificent trousers that are "things of beauty." Call and examine the stock.

Accident.

This morning about 11 o'clock Capt. Wm. Lee, who resides in the southeastern part of Wake county near the Johnston line, in company with his fellow citizen, Capt. B. P. Williamson were riding in a buggy on North Wilmington street on their way out to Capt. Williamson's farm. The horse took fright and suddenly whirling, threw both gentlemen to the ground. Capt. Lee was thrown with much force into the yard of Col. Kenan's residence, corner Wilmington and Jones streets. Mr. Walter Newcom who was passing at the time, came to the assistance of the gentlemen and Capt. Lee was taken into Col. Kenan's house. He, as well as Capt. Williamson, are considerably bruised but not seriously hurt. It was a narrow escape. The buggy was damaged but the horse not much, if any, injured, as far as we could learn.

The horse was not the one usually driven by Capt. Williamson, but was a lively stable animal. The Captain's horse is not that kind of "critter." He never runs when there is no necessity for it.

The semi centennial jubilee of St. Mary's school will take place next week. It will be an occasion of much interest as great preparations for the event are being made by the Alumnae.

Every arrangement is being made for a fine time next Wednesday, June 8th, for all who go to Clarksville, Va., with the Edenton Street M. E. Sunday School.

The colored excursion to Goldsboro this morning carried a large crowd.

This morning all the clerks in Swindell's store had instructions to sell clothing at exactly what the clothing cost in New York. Right now are saying, "Yes, what it costs me." You have heard this old threadbare wheeze of selling out at cost till you don't believe a word of it. And we don't much blame you, but in this instance you can for it is true as holy writ. We can use the room in our store to better advantage and we will quit keeping clothing, and we have a large and nice stock of clothing for men and boys. Also lots nice odd pants, and we intend selling out all the clothing at wholesale cost.

Yours truly, &c.,
