CITY IN BRIEF.

Eat sparingly of vegetables. There is risk in overeating at this season of the year.

The nights are now delightful, especially for a street car ride to the suburbs.

During the month of May the highest temperature in Raleigh was 91, on the 6th and the lowest 45 on the 9th.

Attention is called to the notice of sale to take place by Yancey & Stronach tomorrow at 12 o'clock.

The pavement on West Martin street, near its intersection with Fayetteville, at "Battle's" corner, is being raised by a force of hands today.

Donations for the Soldiers' Home occasionally come in, but there is room for much more. Mr. W. C. Stronach is ready to receive them at all times.

The ladies turn out in force every pretty afternoon. They patronize the street cars to the fullest extent, affording as they do, delightful recreation.

When Hillsboro street is paved from the Hillsboro bridge to the capitol it will be one of the most beautiful thoroughfares in the State. Let us hope that the work will soon be done.

We invite attention to the advertisement of Messrs. Whiting Bros. who announce some astounding bargains in men's and boys' clothing. This reliable house is always catering to the wants of the public. Give them a call.

At the rehearsals of the "Berry Pickers" the greatest proficiency was shown, and the entertainment to night will be a splendid one. Let all who can possibly do so, go and help out a most worthy cause.

The Clarksville people are making arrangements to give the Sunday School and its friends a good time on their visit next Wednesday, June 8th. Tickets on sale by J. Y. MacRae, Wyatt & Co., and J. C. S. Lumsden.

Nothing is better for the health of the little ones than to take them on a short excursion on the street cars these delightful afternoons. They are perfectly safe and are carefully looked after by the gentlemanly conductors.

Cannot some friend put us on the right track concerning the proposed Baptist Female College to be located in Raleigh? We are frequently asked about it, and are compelled to decline answering, because we don't know. Our columns are open, and we are confident the theme would be an interesting one.

We don't like the new lamp posts now being put up, but it may be that it is the best that could be done under the circumstances. They are of wood painted dark, and resemble in form a miniature of the Washington City monument to the "Father of his Country." This is about the only redeeming feature we see in them. They will not strike the average visitor to Raleigh that he is in one of the most beautiful cities in the United States.

The "Berry Pickers" at Metropolitan Hall tonight.

Regular meeting of the Board of Aldermen this evening.

Another seizure of an illicit distillery reported. This time it is in Chatham county.

Some fine shad were brought to the city today. They were caught at Neuse river near Milburnie.

Attention is called to the sale of real estate by E. B. Barbee, administrator of C. O. Barbee deceased.

A competitive examination will be held at Goldsboro, June 17th, for a West Point Cadetship.

Rev. Dr. J. J. Hall, will deliver an address at Jonesboro next Thursday. Subject, "What Moves The World."

It is not what its proprietors say, but what Hood's Sarsaparilla does, that makes it sell, and wins the confidence of the people.

The members of the Tabernacle Baptist church are reminded that the regular conference meeting will be held tonight.

The Epworth League of Central M. E. church will meet tonight for election of officers. It is the regular meeting.

Let the board of Aldermen remember that tonight will be their last chance for a regular meeting before the 4th of July, and govern themselves accordingly.

We were misinformed as to the commencement exercises at the Agricultural and Mechanical College. They will take place week after next, instead of next week as stated.

Read the announcement of H. H. Anderson who is offering a splendid bargain. All in need of goods at the most moderate prices should give him a call at No. 5, East Hargett street.

We are informed, the general impression that a new county Board of Education is to be chosen at the meeting of magistrates next week is erroneous. The board is chosen once in two years.

Maj. W. H. Martin, the efficient chief clerk of the Internal Revenue office, in this city, is in charge during the absence of Collector White at Minneapolis.

Misses Alice and Maggie Ferrell, daughters of Mr. A. L. Ferrell, returned from Marietta, Ga. yesterday afternoon, where they had been attending school at the Chowan Female Institute. These young ladies, we learn, obtained high proficiency in their studies.

We were pleased to mention, of late today Mr. A. A. Young, editor and proprietor of the Southern Development, of Southern Pines. It is a monthly journal devoted to the interests of the South and North Carolina in particular. We wish it much success.

At Auction.

We will sell tomorrow at 12 o'clock a handsome suit of furniture, solid walnut, marble top, cost \$100. Also a large lot of household and kitchen furniture, spring wagons, carriages, carts, &c.

Base Ball Tomorrow.

Winston and Columbia have been induced to play a regular South Atlantic league championship game here tomorrow evening. Will Wynne and Tom Dunn are with Columbia. Would say more but was arranged at 8:30 this evening.

Interesting Exercises.

The closing exercises of the Raleigh Male Academy, of which Messrs. Morrison and Benson are principals, commenced at 11 o'clock this morning and have been in progress during the day. The opening prayer was made by Rev. J. N. Cole. Dr. G. W. Gooden delivered the annual address. There was a large crowd of the patrons and friends of the school present. Further particulars of the school, including the names of those who gained prominence, will be published hereafter.

Centennial School.

The following boys are deemed to be proficient in the work of the seventh grade at the Centennial graded school, for the term just ended. William Henry Bagley, William Henry Heck, James Leigh Skinner. The highest scholarship, average 85, was made by W. Harry Heck.

It is but an act of justice to these youths, and to those who failed, to state that the work done this year was more difficult, and the standard higher than heretofore. Some who have been in the same grade before and stood the examinations failed this time.

Mr. Geo. N. Walter, on Fayetteville St., has on hand a fine assortment of English Homespuns, Irish Friezes, Irish and Blouse Tweeds, light weight suitings and Tropical Worsteds. A chance to purchase. Magnificent brownings and other things of beauty. Call and examine the stock.

Billie, Charlie and Joe.

This morning all the clerks in Swindle's store had instructions to sell clothing at exactly what the clothing cost in New York. Right now are saying, "Yes, what it costs me." You have heard this old threadbare wheeze of selling "out at cost" till you don't believe a word of it. And we don't much blame you, but in this instance you can for it is true as holy writ. We can use the room in our store to better advantage and we will quit keeping clothing, and we have a large and nice stock of clothing for men and boys. Also lots nice odd pants, and we intend selling out all the clothing at a wholesale cost.

Yours truly, &c.,
D. T. SWINDELL

No, not one. No house in the South has ever been able to show a more extensive stock of nice thin dress stuffs, in plain white figured organdies, pineapple tissues, mulls and gingham than we are now showing, and our price is so far below anything you have seen that you look the second time at the goods, at

SWINDELL'S.

I am prepared to furnish fresh vegetables, cut from my garden every morning, on reasonable terms. I have cabbage, beets, snaps, onions, potatoes, peas, &c., and will soon have tomatoes and everything else that grows in a garden.
