CITY IN BRIEF.

Peach season close at hand.

The grand jury of the Federal court was discharged yesterday afternoon.

There will be a moonlight dance at Pullen park to night.

The next in order will be the Congressional Conventions

When you think you have the world in a swing, is the time you are liable to be swung—it often happens.

The news that Col. L. L. Polk has much improved was received with delight by his many friends

Messrs. J. M. Broughton & Co., can put you on the track of some good investments of your ready cash, by interviewing them.

Hood's Sarsaparilla absolutely cures all diseases caused by impure blood and it builds up the whole system

Col. Ichu D. Cameron is in the city. He is looking after his handbook of North Carolina which is now about completed and will be a very valuable book of reference in our state

The monthly meeting of the Young Men's Christian Association will be held tonight at 8 o'clock. It is important that every member should be present.

"Tobe" Marshall has invented a new idea of disposing of dangerous canines. He "smothers" them with chloroform and the animal goes out of the world without pain. "Tobe" says he puts it on the ground of "kindness to animals."

Can't our railroad authorities afford to put down the fair to one cent a mile for our centennial and 4th of July celebrations? They will hardly make any money at those rates, but patriotism should shine out brightly on such occasions. We believe the authorities will agree to it if proper appeals are made.

Ten thousand visitors on the occasion of our centennial, would surely average one dollar a piece left with us. This seems a fair estimate. This would be \$10,000 for our business men and hotels—don't you see? Then let us go to work and offer such inducements as will secure their attendance.

A citizens committee from each of the wards and suburbs should be appointed on the centennial and fourth of July celebrations, so that a rousing sentiment of the people in favor of the movements can be worked up. The Mayor has acted and so has the Chamber of Commerce and the Agricultural Society. Now let the people at large speak out in mass meeting. Nothing like proper *eclat* to ensure success.

The man who shakes the bush, frequently loses the hare. Indeed, such mode of procedure usually prevails. The case of the old man and old woman, both killing the bear, when only one of them used the club, is frequently re-enacted. Thousands are standing with open arms and expanded hands, to grab, whatever is good from their neighbor's efforts who very hurriedly condemn any slipup with the stereotyped, disgruntled declaration, of "I told you so? We live in a goat world, with any number of great folks in it.

A convention of the Third party will be held in this city tomorrow.

Wake Forest commencement is over. It has been a most interesting occasion.

To-morrow has been set apart for third party meetings throughout the state.

The Greensboro water company has been placed in the hands of a receiver.

The meetings of Evangelist Fife in Goldsboro are creating much interest and are very successful.

Very strong hopes are now entertained that Col. L. L. Polk will completely recover.

Wake Forest College now has an endowment of \$300,000, and 250 students.

A large force of negroes have left the Charlotte section to work on railroads in New York State. This is a little queer

See special notice of G. Rosenthal, secretary, calling a meeting of Raleigh township school committee. It meets this evening at 8:30 o'clock.

Epworth League

Regular meeting of Epworth League No. 24, tonight at Eden on St. M. E. Church. Members requested to be present promptly at 8 o'clock.

Personal Mention.

Gov. Holt will soon go to Buffalo Springs for his health.

Mrs. J. J. Mackay, of Durham, is in the city visiting relatives.

Mr. Jesse A. Jones has returned from a business trip to Richmond, Va.

Mr. Paul Collins, who has been very sick for several days is much improved.

Mrs. Louis H. Skinner, nee Miss Garrell, of Wilmington, is visiting Miss Effie Broughton

Our Celebration.

Matters in relation to the centennial and 4th of July celebrations seem to be assuming definite shape. The following committees have been announced: For the centennial from the board of aldermen—J. E. Pogue, Frank Stronach, F. W. Hunicutt, Julius Lewis and M. Bowes.

From the Chamber of Commerce—Josephus Daniels, W. E. Ashley, P. H. Andrews, H. H. Hughes and A. A. Thompson

From the N. C. Agricultural Society—R. H. Battle, Dr. R. H. Lewis and Dr. James McKee

The following committee for the fourth of July have been appointed: M. Bowes, Frank Stronach, C. R. Lee, James Boylan, G. E. Leach and Alex. Stronach

A Happy Reunion.

The following circular is interesting and explains itself:

Col. Higgins 23rd Ohio Regiment having returned the colors of the North Carolina Grays, Co. I 6th N. C. Regiment to Mrs. Fannie Lowe to be represented to the survivors; at the request of many veterans I hereby designate Saturday, July 2nd, '92, at Cedar Fork, at 2 p. m., for a meeting of the survivors to make arrangements for the reunion and other matters connected therewith. The survivors of the second Cedar Fork Company, Co. G. 7th N. C. Regiment are invited to attend.

Letters directed to me at Morrisville from those who cannot attend will be read at the meeting.

R. W. YORK,
Late Maj. 6th N. C. and Capt. Co. I. June 7th, 1892.

A meeting of the Raleigh township school committee will be held in the mayor's office tomorrow (Friday) evening at 8:30 o'clock for the purpose of electing a superintendent and teachers of the graded schools for the ensuing school year.

G. ROSENTHAL, Sec'y.

Each issue contains matter of importance to all who are interested in the University, besides much that is attractive to the general reader.

A Beautiful Casket.

We were shown this morning, at the undertakers establishment of Mr. John W. Brown, corner of Morgan and Dawson streets, the finest and prettiest burial casket ever seen in Raleigh. To one unacquainted with the business it is almost impossible to give such a description as to convey a proper idea of its elegance, and it must be seen to be duly appreciated. It is made of red cedar and covered with a splendid quality of black silk plush. The lining is composed of creamed satin beautifully tufted. It will have the finest extended silver handles, making it a resting place for the dead of unparalleled finish and design. The price of the casket is \$350. We also saw another one of similar beauty, covered with light blue satin, splendidly lined and gotten up with extreme good taste. This is held at \$65.

Mr. Brown has in hand all the paraphernalia incident to the burial service. He has just received a new lot of stockings, drawers and shirts—something new. In all the internal arrangements the establishment is fully up to the times, and can boast of such a stock as can hardly be surpassed in any city in the South.

We are showing a full and complete line of trunks any size, style or price that you may want. On this line we can save you at least 25 per cent.—Come and see the large and splendid assortment of trunks, bags and valises at D. T. SWINDELL'S.
