## The Weather Today.

For North Carolina: Showers to-day or tonight, followed by clearing. Local forecast for Raleigh till 8 p. m. tomorrow: Fair weather, warmer. Local data for 24 hours ending 8 a. m. today:

Maximum temperature, 76; minimum temperature, 67; rainfall 0.75.

## CITY IN BRIEF.

The mayor had only a few unimportant cases for trial this morning. The rough places in the street railway are being repaired.

A week or so of hot, dry weather is much needed just now.

The County Commissioners were engaged today in revising the tax lists.

A force of hands are engaged in cutting the grass from portions of Hillsboro street.

It is now reported that the new depot will certainly be ready for use in about two weeks.

We learn that about one hundred persons went from this city on the Wilmington excursion this morning.

Col. E. G. Harrell was re-elected treasurer of the Southern Educational Association just closed in Atlanta, Ga.

Yesterday was the fifth Sunday after Pentecost and was appropriately observed, specially in the Catholic churches.

On the 20th inst., the Prohibitionists will hold a grand ratification meeting in Greensboro, of their National ticket.

At the latest records the condition of Master Claude Denson, who is very ill with typhoid fever, is slightly improved.

Mr. Frank Steorach tells us that the display of fireworks tomorrow night will be excellent, if the weather turns out all right. The display will, however, take place in any event.

An excited Russian with a pet bear, put in an appearance on the suburbs today. He applied to the authorities for permission to exhibit in the city limits, but for good and sufficient reason the application was denied.

It is gratifying to state that the health of Senator Vance has much improved since his sojourn at the Hammocks. He is beginning to look like "Zeb" again, so a letter from that place states.

Whiting Bros., are having quite a local demand for their large and luscious cultivated blackberries at 5 cents a quart—they are splendid for preserving and for cordials. They will take orders for 10 or more quarts and deliver same.

About 100 convicts have been sent to Hamlet to prepare for the erection of a large compress to be ready to handle this year's crop along the line of the Seaboard Air Line. These convicts have heretofore been at work grading railway tracks and yards at Rocky Mount.

The Durham Sun of Saturday says: Master "Billie" Boylan, of Raleigh, who formerly lived in Durham and has many little friends here, passed through the city this morning with his nurse on his way to Worthsville to visit his aunt.

An observant citizen told us today that he heard a "katydid" last night. As they do not usually put in their songs until August, it would seem to indicate frost this year earlier than usual, if the old proverb be true that it comes ninety days after the first song of the bug.

We had talks with several of our business men, today, relative to the proposed excursion to Atlanta. All agree that it would be a most delightful and interesting event and we have reason to say that sometime in August such a trip will be gotten up. A large number of our people would doubtless avail themselves of the opportunity.

Another tremendous rain yesterday.

The street railway is being much improved.

The township listers have finished their labors.

Fireworks tomorrow night rain or shine.

The Grand Encampment of North Carolina will meet in Winston next week.

Our Bonhomme friends will celebrate the centennial of the county on August 19th and 11th.

We again call attention to the fact that riding bicycles on the sidewalks is a violation of the city ordinance.

Native watermelons are coming in pretty freely. Peaches, however, are unusually scarce.

The marriage license business has almost come to a standstill. Very little doing in the matrimonial line.

A convention of the People's Party has been called to meet in Durham, August 6th.

There will be no postponement of the fire works on account of weather. They will take place tomorrow night at the head of Fayetteville street.

Ice cream and cake will be served on the second floor of the Y. M. C. A. building tomorrow evening from 8 to 11 o'clock.

Chief Justice Merrimon returned to the city from Morehead last Saturday. We are pleased to learn that his trip proved beneficial.

Good's Sarsaparilla absolutely cures all diseases caused by impure blood and it builds up the whole system.

It is stated on the authority of the Greensboro Record that snow fell in that city early last Thursday morning.

The State tournament of colored firemen in this city, early next month bids fair to be a success. The colored firemen of Wilmington have already signified their intention to be present.

The Teachers County Institute today was well attended and the exercises highly interesting. They will continue daily until Friday next in elusiveness which will be the most interesting day.

The Mt. Airy News has entered on the 13th year of its publication, and especially of late, under the guidance of Mr. George B. Pell, its subscription and advertising patronage has wonderfully increased. It is an excellent paper.

It looks more and more like the change of the name of Martin street to Park avenue by our Board of Aldermen will not hold good. Better take the back track, gentlemen. Nothing like coming in when you are wrong. It is a manly thing.

A prophetic weather gentleman said today that we must now wait for the last quarter of the moon for clear weather. He says he has always noticed that if bad weather continued until after the full moon it rarely ceased to rain until the last quarter. We give the opinion with a heavy heart for what it is worth.

## Singular.

A child was born last Thursday near Durham, marked in a most peculiar manner. On one of the little fingers, near the end, was a well formed little red mouse, a kind of skin attachment to the finger.

## For Sale.

A nice Frazier cart, suitable for ladies. Only used a few times. J. W. EVANS, jyl16t Cor. Morgan and Blount sts.

## The Switchback.

The switchback road was run with considerable success last Saturday night at the exposition grounds. It will be in operation again tonight and every Monday, Wednesday and Friday nights hereafter.

## Entertainment.

A musical entertainment will be given at Metropolitan Hall tonight by Prof. Simmons and Tate the celebrated colored vocalists assisted by a corps of talented artists. The programme is a most interesting one, consisting of "old plantation melodies" and the latest and most popular songs of the day. This entertainment is under the control of gentlemen who are interested in aiding St. John's Hospital, and the net proceeds will be turned over to that institution. This should ensure the most complete success of the entertainment aside from the enjoyment of the occasion. The price of admission is placed very low. Reserved seats 35 cents; general admission 25 cents; gallery 15 cents. The lower portion of the hall is reserved entirely for white persons, and the gallery for colored. Let there be a rousing turn out of our citizens. Remember it is for a most worthy cause. Tickets for sale at McRae's drug store and Alfred William & Co.'s

## Reliable Footwear.

When we sell a person a shoe our aim is to sell an article of such merit, that it will make a permanent customer. To do this, we cannot sell "shoddy shoes." There are only a few people who wish to buy shoes of this kind, most people wish to buy reliable shoes, and reliable shoes are the only kind we sell. We keep shoes for men, women and children, suited for all kinds of wear and at prices as low as the same goods are sold by any house in the country.

FLOOR COVERINGS FOR THE

SUMMER.

STRAW | --- | MATTINGS. |  
STRAW | --- | MATTINGS. |

For a reasonable outlay a housekeeper can secure the most comfortable of all summer floor coverings—STRAW MATTINGS.

Our stock is larger and we show more novel designs than ever, nor have we at any time offered better values than we do this season.

One of the popular mattings of the day is the JAPAN MATTING, this is "woven in the thread" which produces a surface very much smoother than that of the CHINA MATTINGS.

Probably the most unique designs are seen in inserted patterns and the carpet effects. Prices \$5.00 per roll and up.
