"The times are out of joint," said a citizen today. "True," said another, "but it is only because the people irfuse to act conjointly." First citizen took a chew of tobacco and consid-

We hear from those presumed to know, that the outlook for the races at the fair grounds next month is splendid. Some of the finest stock in the south will probably be entered.

We would suggest to our friend, Mr. Mial, the Register of Deeds, the ne cessity of as early a start and completion of the county index as possible. It is much needed for the convenience of our people.

The Orphan's Friend, at Oxford, makes an earnest appeal for the Orphan's Asylum, saying, that by almost every mail applications come that the crop of grapes this year is for homes for destitute ones. It is a charity that should appeal to all and we hope it should be responded to in damaged them in the slightest dev the most liberal manner.

We were shown this morning a large sized round willow basket of beautiful workmanship and design, made by Mrs. Banker, wife of Mr. J J. Ranker, residing near Mass y, it. Wake county. Mrs. Banker has shown great proficiency in this line of work which is much admired by all who see it. .

Mr. William Waldorf Astor has the pleasure, if pleasure it is, of reading his own obituary. So much for living in two countries at the same time His attorney in this country was noti fled of his death by cable, and directed to publish the same. Later he was cabled that Mr. Astor has not been dangerously ill.

Shooting stars are small bodies weighing at most a few pounds and e nsisting mainly of iron and carbon. They traverse space in swarms and also revolve around the sun in long elliptical courses like comets. Their brightness is due to heat engendered by the energy of their motion. Their speed is enormous, being nearly twice as great as the speed of the earth on its orbit.

We learn the prevailing rumor, that Mr. Josephus Daniels had proposed to purchase the Progressive Farmer of this city, is without foundation. The paper Mr. Daniels proposes to start, so far as we can gather will be "brand new," and a weekly Journal.

There was no allusion at the meeting of the Chamber of Commerce last night to the proposed silver service for the cruiser "Raleigh." Our peo ple have pledged their faith in this matter, and we should not be behind Action has been taken in some other cities, which should be an incentive to spur up the people of Raleigh.

PLOOR COVEBINGS FOR MID

MATTINGS.

For a reasonable outlay a house keeper can secure the most comfortable of all summer floor coverings-STRAW MATTINGS.

Our stock is larger and we show more novel designs than ever, nor have we at any time offered better values than we do this season.

One of the popular mattings of the day is the JAPAN MATTING, this is "woven in the thread" which produces a surface very much smoother than that of the CHINA MATTINGS.

Probably the most unique designs are seen in inserted patterns and the carpet effects. Prices \$5.00 per roll

and rp.
