

Sad Death.

Mr. Walter L. Chamberlain, conductor of the Richmond Division of the Atlantic Coast line, met with a sad death last Tuesday morning. He was looking out of his exboose car near Petersburg as the train was running, when his head struck against the bridge at Reams Station, killing him instantly. He was well known in Railroad circles in North Carolina, and very highly esteemed.

Died.

A dispatch was received in this city today of the death of Mr. J. N. Howard, who died in Durham last night. His remains were brought to this city this afternoon for interment.

Mr. Howard was paralyzed sometime since and never recovered from it. He has a good many friends in Raleigh who will regret to learn of his death.

Premium List.

We have seen a pamphlet copy of the premium list gotten up and issued by Mr. H. W. Ayer, secretary of the agricultural fair. It contains, besides the list, a complete program of the arrangements for the coming fair and has fine cuts of the Governor's mansion, Commercial and Farmers' bank, the Park hotel, opera house, switch-back railway, the cruiser Raleigh &c.

County Superintendents.

In his remarks before the Wake County Teachers' Institute, yesterday, Prof. McIver favored a change in the law so that there would be superintendents of districts composed of several counties and that they be required to devote their entire time to the duties. For instance, a district composed of the counties of Wake, Johnston and Harnett with \$1,900 to \$1,570 salary for the superintendent would be a good idea. In Wake, the superintendent gets \$644 which is about the best pay of any of the counties.

Chamber of Commerce.

This body met last night, but there was comparatively a small attendance. Outside of the proposition to devote the sum of \$70 for a write up in the Baltimore Record by F. B. Arendell, there was but little done. A resolution was passed requesting the various Chambers of Commerce, Boards of Trade and other similar organizations in the State to meet the Raleigh Board of Commerce in Morehead at some designated time. A committee was appointed to carry out the provisions of the resolution.

A Pertinent Inquiry.

We are not chronic growlers by any means, but we cannot refrain from producing with approbation the following from the Wilmington Messenger:

We have received copies of the catalogues of the University of North Carolina, Davidson College and Horner's Military and Classical school. They all make good reports and show good attendance. The University had 248 students. Davidson had 150 students. Horner had 141 students. The Davidson and Horner catalogues are handsomely illustrated. Where were all these printed? They have the imprint of no North Carolina printing house. Were they sent abroad to be published? If so, we ask if that is treating home printing offices fairly? What would the colleges do if the newspapers failed to give them so much free advertising?

We call attention to the notice of Maj. C. D. Hearit, Chief of Police, relative to the Dog Tax. Every person owning a dog who shall fail to pay the tax during the month of July, or who shall keep upon their premises an unlicensed dog after the 1st of August shall be fined, &c. Read the notice.

Pay the city taxes on your dogs and avoid trouble. The law cannot be evaded with impunity.

Soldier's Home.

In view of the fact that Mr. P. S. Pender, in a recent speech, stated that the Stronachs had informed the inmates of the home that if they failed to vote the straight Democratic ticket there would be no further use for them, a meeting of the inmates was held yesterday to consider the matter.

The following resolutions were adopted, which were signed by all the inmates present:

Whereas, There appeared in the New and Observer this morning a communication from Mr. J. P. Arrington, stating that Mr. P. S. Pender, in an address before the People's party convention, in Nash county, stated that the Stronachs had informed the inmates of the Home that if they failed to vote the straight Democratic ticket in the coming election, they would have no further use for them.

And whereas, Knowing the high christian character and integrity of Mr. Stronach, we, the inmates of the Home, do hereby pronounce such statement as utterly false in fact and malicious in design, and do declare that Mr. Stronach has never directly or indirectly tried to influence, individually or collectively, any of the inmates of the Home as to the political opinions we may hold, therefore

Resolved, That we do hereby denounce the statement false in every particular and without the shadow of truth.

Resolved further, That each inmate of the Home do sign this paper, and that a copy be furnished Mr. J. P. Arrington, Mr. W. C. Stronach and the News and Observer for publication, and the papers of the State be requested to copy the same.

An Appeal.

Mr. Arthur T. Abernethy, of the department of Latin and Greek at Rutherford College is sending out a card to various persons of which the following is a copy:

RUTHERFORD COLLEGE, N. C., July 12th, 1892.

There is a young man here studying for the ministry. He is to devote his life to the gospel. He is unable to pay his tuition. The faculty has agreed to sell him a scholarship for graduation in classical and complete courses for \$135. I desire to make this a general scholarship and 135 cards like this are mailed to 135 people of all colleges and creeds, who, like yourself, we believe are able and willing to educate this man.

One dollar each is asked. A great number with small burdens. A list of the 135 addressed will be given this young man and the names of those giving \$1 will be marked. He only wants small help. May I expect \$1 from you? I have addressed none but those able. Answer at once.

ARTHUR T. ABERNETHY, Department Latin and Greek.

That Tired Feeling

Is a dangerous condition due directly to depleted or impure blood. It should not be allowed to continue, as in its debility the system is especially liable to serious attacks of illness. It is remarkable how beneficial Hood's Sarsaparilla is in this enervating state.

Possessing just those elements which the system needs and readily seizes, this medicine purifies the blood, and imparts a feeling of serene strength which is comforting and satisfying. Hood's Sarsaparilla is the best remedy for that weakness which prevails at change of season, climate or life.

"I have been convinced that Hood's Sarsaparilla is one of the greatest medicines in the world. I say this for the benefit of all other tired out, run down, hard-working women. Hood's Sarsaparilla is not only excellent as a blood purifier, but for all other female complaints, even if of long standing."
