## CITY IN BRIEF.

Look out for a cool wave, and be grateful—when it comes.

Electric lights will be placed in the post office building.

Work on the third floor of the new Park Hotel has commenced.

We learn that the sick list in the city is on the decrease.

Gov. Vance has so far improved in health as to be able to visit the encampment at Wrightsville.

Mr. John C. George, President of the Raleigh street railway, is in the city.

A new hotel is talked of near Morehead, the cost of which will be about \$150,000.

Many factories and mills throughout the country have shut down on account of the heat.

A considerable number of prominent Republicans are in the city today.

The switchback was largely patronized by the colored people last night.

Travel at night on the street cars continues to be enormous. It is splendid recreation these nights, especially for ladies and children.

Mr. J. G. Corrie, of the secret service of the United States Treasury Department was in the city yesterday.

A colored convict at work in the brick yard of the penitentiary was overcome by the heat and died yesterday.

The ladies of the Brooklyn M. E. church congregation will give a lawn party at the grounds of the church tonight. Let there be a large attendance.

The Guilford county Institute closed last Tuesday. It was conducted by Prof. Alderman who delivered a most admirable address. A great deal of interest was manifested.

Quite an interesting debating society has been inaugurated in the Marvin Chapter of Epworth League, which is composed of youthful members. This is highly creditable and will prove interesting and instructive.

We have been requested to state that the Democratic primaries will take place next Saturday at the same time and places as before. The meetings in Raleigh Township will be held at night; in the country in the day.

Although the fifteen minutes schedule was run on the electric railway last night, the cars were crowded up to a late hour. Brookside Park and the fair grounds had a large number of visitors.

On August 23rd and 24th, the third annual tournament of the Greensboro Gun Club will take place at Greensboro. The premium list will amount to over \$300. All organized clubs in this and other States are invited to take part.

Col. W. A. Boykin, of the Fifth Maryland Regiment, who is so well and favorably remembered by our people, was in the city yesterday afternoon on his way from Morehead to Baltimore. He met with a cordial reception from his many friends in Raleigh.

There are a large number of editors in council at Charlotte and a good time generally is being had. Maj. C. Dowd delivered the address of welcome yesterday, which was most highly commended. The citizens of Charlotte are giving the visitors a most cordial welcome.

The farmers are clamoring for rain. The political excitement is getting on.

As the primaries approach there is much speculation and any quantity of predictions.

The weather folks promise us rain on Saturday next, with cooler weather. We are hoping the prophecy will turn out correct.

No other Sarsaparilla has the merit in it by which Hood's Sarsaparilla has won such a firm hold upon the confidence of the people.

The Republican State Executive Committee were in session here today. One of the main subjects discussed concerns the holding of a convention for the purpose of nominating a State ticket. We hear that there is much diversity of opinion about the matter.

We noticed several cases of fast driving on the outskirts of the city, yesterday. In one case the poor animal seemed almost ready to drop from fatigue and heat. Horses should not be over-driven this weather, and we think the person who has so little mercy for the brutes should be severely dealt with.

Mr. Wm. Boylan, Sr., who is one of our oldest and most observant citizens, said this morning, that the spell of weather we are now having, is the hottest he had ever seen in Raleigh. There are other citizens who express the same opinion.

Contracts as a rule should be held inviolate. We do not advocate, of course, their wanton overthrow, unless it can be clearly shown that undue steps had been taken to procure them. We, however, do insist and shall continue to do so, that when our people are put to the most serious inconvenience from a bad arrangement entered into by their agents, that if there is a remedy it should be applied at the earliest moment. In the case of the lighting of the city there is a proper step to pursue. It is for the Board of Aldermen to contract for additional electric lights to take the place of those removed. Until this is done, the indignation of the people will not subside. Our Aldermen may rest assured of this.

## Died.

This morning at 2 o'clock, at the residence of her mother on South Wilmington street, Miss Annie B. Stronach, daughter of the late Mr. George F. Stronach aged about 21 years. Miss Stronach had been for many years an invalid, and, although her death was not entirely unexpected, it has cast a sad gloom over her immediate relatives and friends with whom we most deeply sympathize.

The funeral services will be held at Edenton Street M. E. Church tomorrow morning at 10 o'clock.

City papers please copy.

At his residence in Mark's Creek Township on Wednesday, July 27th, Mr. Ashley Wilder in his 75th year. Mr. Wilder was a big hearted christian gentleman and beloved by all that knew him. He leaves a wife and a large family of children and grand children to mourn his loss. Blessed are they that die in the Lord.

## A Curiosity.

We saw on the premises of Mr. T. H. Briggs this morning a curiosity in the shape of a fine banana tree, which seems to be in a flourishing condition and has in sight about thirty young bananas. The plant was brought from Mexico by a lady and deposited with the celebrated fruit raiser, Mr. Van Lindley, of Guilford for a year. Last year it was brought here and set out. In the winter, it is kept at the store of Mr. Briggs in a box, and removed to his premises on Edenton street in hot weather. It is well worth seeing by all lovers of the rare and curious.

## Raleigh Male Academy.

We are in receipt of the catalogue of the Raleigh Male Academy for the session of 1891-92. The total number of students in attendance was 129, which shows a steady increase. The principals of the school are Messrs. Hugh Morson and C. B. Denson, the former a graduate of the University of Virginia and the latter the founder of the first military school in North Carolina. These gentlemen are assisted by Mr. Perrin Busbee, whose culture and experience render him a most valuable auxiliary. In the way of affording a first class business education for boys and rendering them proficient in studies suitable for entering college, there is no better school in the South. It is a source of pride to our people and we note its success with sincere pleasure.

## Received Today

## How Happy the Little Busy Bee

In the words of Socrates, "why is he happy?" In the words of D. T. Swindell, "because he has something to do." Hence it is, we are determined to keep doing a good big rushing business all the time as it is happiness we are looking for and not money. Hence, in dull seasons we think it pays us to sell out all goods in our store at exactly what the goods cost us rather than carry any of them over. We must do a big business if it is a losing business. Can not and will not be idle. Hence it is we are selling envelopes at one cent a pack and six papers of pins for five cents, and ladies' Oxford tie shoes for fifty cents a pair, and men's coats and vests for fifty cents, and nice lawn dress goods at three cents a yard, and nice quality dress calico at four cents a yard, and organdees at six cents, and Parisian mull at six cents, and ink two cents a bottle, and novels five cents. Thus it is we walk rough shod over the enemy. Thus it is we will keep up this march of victory and triumph until we rest beneath the beautiful shades in the silent city of Oakwood.

Yours truly,  
D. T. SWINDELL.
