The thermometer stood at 70 at the following points at 8 o'clock, Raleigh, Knoxville, Little Rock, Des Moines and Blomington, while at Chicago, New York, Washington, Norfolk, Charlotte and St. Louis it was 72. At St. Paul, Louisville and Memphis it stood at 68. At Charleston it was 80 with the wind at 14 miles an hour.

Sudden Death.

A named gentleman W. N. Phillips from Franklin county, died suddenly last night at the Moseley House. There were circumstances attending the case which it was thought required a legal investigation and a coroners inquest was held today at which a verdict was rendered to the effect that he came to his death from congestion brought about by the use of alcoholic liquors.

A CARD TO THE PUBLIC.

Mr. W. N. Phillips, of this county, entered the Bedal Gold Cure Institute on Friday, August 13th, about 1 p. m. and died Sunday, August 14th at 10 p. m. Dr. J. H. Baker, our physician in charge, and the other officers as well as companions in the institute, say that his condition was bad when he entered, but there was no reason for suspecting any organic trouble or any reason suggested for his not taking the Gold Cure Treatment. He passed a good night and on Saturday gave every indication of improvement. Towards evening he refused the offer of whiskey and said he no longer wanted it. Sunday he seemed still better. He was at supper with the others and enjoyed the meal. Soon after this he took a bath, and immediately after coming out of the bath room became delirious and in two hours died.

Desiring a most thorough investigation at once asked for same from Dr. A. J. Buffaloe, county coroner. He summoned a jury and also Dr. James McKee, County Superintendent of Health. Their verdict is that Mr. Phillips died from overwhelming congestion of the lungs, brought on by excessive and continued use of strong drink, and his death was no way due to the treatment administered in our institute.

Words cannot express how much we deplore the sudden death of this gentleman and the circumstances that affect us. Seven persons seriously afflicted with the liquor habit have been successfully treated during the past thirty days, and others are now passing through the course.

We are trying to rescue a class of fellow men that are exposed to death at any hour. Many of them are beyond hope of restoration. Looking over the record of cures that have been made by the Bedal treatment in cities elsewhere, and those under our care during our short career, we believe it our duty to press on in the work and save from destruction every one that we can reach. They are going down at a fearful rate as they are. Some of those already cured have said to us, "If I cannot be cured I had rather die than live as I am."

We ask for the Bedal Gold Cure Institute conservative judgment, an examination into its record of cures, and challenge a comparison of results with any similar treatment in the United States. This we are authorized to do by the home company at Blair, Nebraska.

For the Bedal Gold Cure Company of North Carolina.

N. B. BROUGHTON, President.

Death of Mrs. S. A. Ashe.

It is with the deepest regret that we announce the death of this most estimable and highly esteemed lady, which took place last Saturday afternoon at her residence on Hillsboro street, after a long and painful illness.

Mrs. Ashe was the wife of our fellow citizen, Capt. S. A. Ashe, editor of the News and Observer, and the only child of Wm. H. Willard Esq. At the time of her decease she was 43 years of age.

She was a lady of the most lovable character, endearing all by her gentleness, amiability and Christian qualities. By her death a devoted husband an aged father and a large household of children are bereft of wife, daughter and mother. We tender to them our most heartfelt sympathy in this hour of their sad affliction trusting that He may temper the great sorrow that has borne them down.

The funeral services took place yesterday afternoon from Christ church, and was attended by a very large crowd of relatives, friends and citizens generally. The following gentlemen acted as pallbearers: Dr. V. E. Turner, Dr. James McKee, Charles Root, William Boylan, W. H. Bragg, George S. W.

A Penny a Pound.

One hundred per cent. on eternal time does not enhance the value of the credit ledger at the junk shop—ALL THE SAME A PENNY A POUND. Along this old turpentine the common place, merchant of mediocrity struggle and struggle without one grain of hard horse sense, or an ounce of resolution to stop before it is everlastingly too late. Ah me! how easy for those who know, and how hard for those who think they know and never stop to read the hand writing on the wall. Our sledge hammer bargains are plaintive and earnest, friends quietly trugging at the springs of your pocket books.

Each purchaser, at Swindell's should be used as stepping stones to happiness and prosperity. When you spend a dollar in our store you can rest assured you have gotten a dollar's worth of goods. Unless you are like a lady who came in our store this morning complaining that the shoes she bought of us five months since are not what they should be. She paid \$1.75 cents; the shoes lasted five months. Well, thanking God this kind are few, we are fixing some fine cannonading to begin in September, and will write you often.

D. T. Swindell.

Beautiful High Bred Horses.

Fifty beautiful trotters are now in the Fair ground stables that will compete for the premiums on Wednesday and Thursday next 17th, and 18th. All lovers of beautiful high class horses, should see these trials of speed, and show by their presence, an appreciation of the effort made to bring these great horses here.

Congressional Convention.

A convention of the People's or Third party, assembled in Metropolitan Hall today at 2 o'clock, called for the purpose of nominating a candidate for Congress. We noticed among the delegates men who have recently acted with both the Republican and Democratic parties.

W. F. Stroud, of Chatham, was nominated for Congress.

We are pleased to see Mr. Harry H. Roberts who has been for some months in Washington D. C. as clerk of a committee of the House of Representatives, in the city. He is looking remarkably well.

A large crowd was in attendance at Brookside Park yesterday afternoon.

Ho! For Richmond!
