The Weather Today.

For North Carolina: -Showers. Local forecast for this vicinity: On Thursday: Continued threatening weather. Local data for 24 hours ending 8 a. m. today: Maximum temperature, 83; minimum temperature 67; rainfall 0.00.

CITY IN BRIEF.

Dust getting fearful. Gov Holt occupied a seat in a private box during the convention yesterday.

Several of the delegates of the convention have remained over to attend the races.

What do you think of it? This is the question that is asked on all sides today.

There is a large attendance of Confederate veterans at Wrightsville. The encampment opened yesterday.

The telegraph wires were loaded down with specials last night, giving proceedings of the People's Party Convention.

The merit of Hood's Sarsaparilla is not accidental but is the result of careful study and experiment by educated pharmacists.

It is under consideration to organize in Richmond, Va., an association among resident North Carolinians of a social character.

Many of the business houses were closed this afternoon to afford their employees an opportunity to attend the races.

Rev Mr Cooper will preach at the Baptist tabernacle this (Wednesday) evening at 8:15 o'clock. Praise and prayer service begins at 8 p. m.

The Twin City Times, the colored weekly paper of Winston, has been sold and will hereafter be edited by E. D Hagler, colored, formerly of Charlotte.

The grass widowers and the policemen played a game of baseball yesterday at Wilmington. The wives who are absent at the seashore had better return.

The ladies of Winston have forwarded to Wilmington nearly \$100 to aid in defraying the expenses of the Confederate veterans encampment. This is highly commendable.

Be sure to get ready and go on the excursion to Asheville which passes here tonight. It is a splendid time to visit the mountains. Only \$4 for the round trip.

There will be a meeting of the Democratic Executive Committee of the Fourth Congressional District at the Yarboro House tomorrow morning at 9 o'clock.

The fifteen minutes schedule of the electric street railway is being promptly adhered to. It is a great convenience to our people, and we hope it will be appreciated to the full extent.

Remember the excursion from Goldsboro to Asheville passes through here tonight. Secure your tickets at the drug store of John Y. MacRae and be on hand. It will be a most delightful trip and no other chance will be afforded this fall to visit our beautiful mountain country at such a small expense. Remember the fare for the round trip is only \$4. Good board is secured at 1.50 per day.

Messrs. William Woolcott & Sons have now one of the handsomest and most conveniently filled up stores in the city. They have just completed a very decided improvement in the interior arrangement which renders it very convenient and attractive for the customer, but convenient for the salesman as well. The present arrangement of the centre shelving and counters is specially handsome and convenient. Mr. Woolcott leaves tomorrow for the Northern markets, where he will spend a week or ten days selecting their fall stock.

Ho! for the races.
Derby day in Raleigh. Politics on the wane and races all the talk today. Arrangements will be made to have the best order kept at the new depot. The festive supper on hand will soon be on hand. There are now about 140 guests at the Cleveland Springs. Don't complain of hot weather, the "sear and yellow leaf" will soon be upon us. Let us talk more about our State Fair and centennial and less about politics. It pays better. There is a probability that Evangelist Fife will open a series of meetings in Richmond Va. The weather continues warm and dry, and the farmers are somewhat or the order of complaining. The cheerful faces of the school girls will soon greet us again. They have been sadly missed. Decayed vegetables are enemies to health. See that they are not around your premises. Soon be time for the summer mountain and seaside tourists to be returning home. We hear that it is not fully determined as to which route the electric street railway will take to the new depot. The Mayor's court is usually barren of news these days. The city is exceedingly quiet. Hardly a ripple of excitement. Charlotte folks are agitating the matter of a City Park. No city should be without one both on account of health and pleasure. We hear that it is in contemplation to fix up the old North Carolina depot in good shape and make it a handsome freight house. Owing to business engagements Gov. Holt will be unable to attend the Confederate encampment at Wrightsville. A large number of recommendations are being received at the executive office, for the position of Justice of the Supreme Court. Over forty veterans from the Soldiers Home in this city, are in attendance on the encampment at Wrightsville. The statement is going the rounds that the season at Morehead has been a failure so far as pecuniary results are concerned. This is much to be regretted. We are authorized to announce that Major Moses A. Bledsoe will address the Cleveland-Carr club at Metropolitan Hall tomorrow night at 8:30 o'clock. Public invited. We have received the first number of the Richmond, Va., Commercial News, a weekly journal devoted to the business interest of that city. It is specially gotten up with a view of establishing closer commercial relations with North Carolina. Oh for a good public band of music to wile away the evenings. It is almost a necessity for the proper enjoyment of our people, and that a city of about 18,000 inhabitants should be without one is rather singular. Can't a start be made in that direction? Unlicensed dogs still running around. The Chief of Police will get his dander up after awhile, and then the slaughter will commence in earnest. The law should be carried out, and will be. Pay your dog tax at once.

The Nominees.
About 1, o'clock this morning the delegates of the People's Party Convention adjourned after the nomination of a full State ticket. The following are the nominations: For Governor, Dr. W. T. Exum, of Wayne. For Lieut Governor, R. A. Cobb, of Burke. For Secretary of State, Dr. L. N. Durham, of Cleveland. For Auditor Col. Thos. B. Long, of Buncombe. For Attorney General, R. Z. Linney, of Alexander. For Supt of Public Instruction Rev. J. W. Woodly, of Guilford. For Treasurer, W. H. Worth, of Wake. For Supreme Court Justice, W. A. Guthrie of Durham. For Superior Court Judge 12th District, W. H. Malone, Buncombe. Electors at Large, Marion Butler and Harry Skinner.

Will Give Away Hats Monday.

No cost. A ladies' Hat or a boy's or man's Hat. A Hat free and a Dress for 35 cents. One to each customer from 9 to 6 o'clock. D. T. Swindell.

A Card.
MR. EDITOR:—I desire through the columns of your paper to express mine and my childrens' appreciation of the many unselfish acts of kindness and expressions of sympathy from the many friends who manifested so much interest, attention and desire to aid me and my then suffering companion during her late illness and after her death. Human sympathy has been said to be helpless in extreme affliction, but I have found in its manifestation so kindly extended to me in my trouble by such a large number of sympathizing friends, much aid and much that makes one feel that he is not so alone in the terrible loneliness. Respectfully, J. H. CRAWFORD.

A Grand Success.
There was a large and highly delighted crowd in attendance yesterday afternoon to witness the formal opening of Brookside Park, and every preparation had been made for the occasion by Manager Huff. The grounds and pavilion were crowded with ladies, gentlemen and children, and everything went off as happy as a marriage feast. The christening speech of the Park was made by our fellow citizen R. T. Gray, Esq., and it goes without saying that it was done in the happiest style. The vote was taken to name the three boats resulting in the choice of Miss Lillie Gray receiving 115 votes and Miss Mattie Pace 63. The following boat races were held. First—Rowing race. Won by Messrs. Baker and Pittman. Time, one minute and forty seconds. Second—Sculling race. Won by R. I. Todd. Time, two minutes and thirty seconds. Third—Paddle race. Won by Wm. Bonner. Time, three minutes and thirty seconds. Hugh Sater won the swimming race in two minutes and forty seconds. The diving race for time under water and distance was won by Robert Lawrence. The tub race closed the enjoyment much to the delight of all. Buy N. O. hams and sides at D. T. Johnson's.
