

A Whopper.

There is a big tree on the plantation of Mr. F. Archibald, in Cabarrus county. It is 7 1/2 feet in circumference and not more than 50 feet high. In January, 1858 its limbs would shelter fifty horsemen, but in that month a big freeze stripped it of many limbs.

Friends' Meeting

The Greensboro North State Boys' The Friends yearly meeting, at High Point, was largely attended, and was very uncomfortable. Great crowds went from Greensboro on the train, as well as by private conveyance. A special train also came to High Point from Asheboro, packed and jammed full of people. The large Friends' meeting house, although very commodious, could not hold the crowds. The sun was hot and the roads were very dusty. The dust around the meeting house was very thick and filled the air. Many went merely for curiosity. They will go again next year.

The Races.

The races closed yesterday afternoon after a great success. There was a large crowd in attendance and the result was as follows:

First race, 2:50 class—Janie S. distanced; Norline 1, 2, 3; Maggie distanced; Robert D 1, 2, 1, 1, 1; Prince Leon distanced. Time 2:49, 2:50, 2:47, 2:42; Robert D. trotted under protest.

Second race—3 year olds, Esperanza, distanced, Little Nellie, 2 2 1 Joel Kinsey, 1-1-1, time 3:11, 3:01-1-4, 3:05 1 4.

Pamlico was driven around the race track at 3:15 o'clock, a mile in 2:31 1-2 against the time on this track which is 2:24-1 2.

Third race, 2:37 class, Rexford, 3 3 2, Charley, 2 2 3, Alice Burlew, 1-1-1. Time, 2:37 1-4, 2:41 1 4, 2:38 1 4

Fourth Race yearlings, half mile heats—Lynn R 2 1 1; Dan Maclean, 1-2-2, time 2:07 1 2, 1:59 4-4, 2:07 1 2

Personal Mention.

Gen W. R. Cox is in the city. Mr. Wm. Woolcott has gone north to purchase fall goods.

Hon F. G. Connor has declined to have his name considered in connection with the vacant Justiceship.

Mr. Clement Dowd, of Charlotte, is in the city.

UNDER A TRAIN UNSCATHED

NORRISTOWN, Pa., Aug. 17—An unruly horse which he was riding across the railroad track near Bridgeport, threw William A. Dean and dragged him under a passing train. Dean was rolled over and over many times by the axle of the heavy coal car and when he had thus been shoved along for 50 feet he was thrown out from under the wheels. Besides a few bruises the man was unhurt although his escape was a marvel to all who saw him. His horse was killed.

Outfit that very properly contains a supply of **Hires' Root Beer**

which adds to the enjoyment of all the other dainties, and makes a picnic indeed. A 25 cent package makes 5 gallons of this very popular beverage.

Don't be deceived if a dealer, for the sake of larger profit, tells you some other kind is "just as good"—it's false. No limitation is as good as the genuine Hires'.

WOODWORTH CITY lies about 30 miles north of Chattanooga, within a few miles of Dalton, the county seat of Grundy county, and between Tracey City and the celebrated Beersheba Springs, the Saratoga of the South. It is in the centre of the rapidly developing coal and iron district of Tennessee, and within its borders are found coal, iron, zinc, marble and asbestos, with various hard woods, such as oak, chestnut, maple, peach, locust, hickory, ash, pine, cherry and black walnut in abundance. The village of Graetli, with several hundred inhabitants, contains Churches, Schools, Stores, Post-office and telegraph station, and a number of manufacturing establishments, all of which are located on the property and form part of Woodworth City.

The proceeds of the sale of these lots will be used to develop the mineral resources of the property and build up a large and thriving city. Quick application for these lots should be made, as the right is reserved to advance the price without notice. For further particulars apply to
