Damaged.

The Greensboro Workman says: Owing to the severe drought quite much damage has been done to the growth of cabbage, beans and other vegetables, as well as to the clover and grasses which are essential to the production of milk and butter. The dust was laid by the rain we had last night, and the indications are favorable for further rains in a short time.

Fire Works.

We learn that the arrangement for the elaborate programme of fire works for the Centennial Celebration was made by our fellow citizen Mr. A. B. Stronach during a recent business trip to the North. It will surprise many that the cost will not exceed \$50, which, considering the many and beautiful pieces, is exceedingly moderate.

Died.

At the residence of her husband on East Davie street at 9 o'clock August 25th Mrs Nancy King, wife of Josiah King, aged 71 years. She was a most estimable lady and greatly beloved by all who knew her. Her death, though not wholly unexpected, will be a sad blow to her hosts of friends. The funeral will take place tomorrow morning at 10 o'clock at the Tabernacle Baptist Church, conducted by Rev. Dr. Hall. Friends and acquaintances invited to attend.

Epworth League.

Epworth Leaguers will please bear in mind that the regular monthly meeting of League No 24 will be held tomorrow (Friday) night in the Sunday school room, at Edenton Street Methodist Church.

The committees are requested to have their reports in readiness and every member is urged to be present. Members of Marvin Chapter and of the Junior League are cordially invited to attend. Time 8 o'clock.

Murder Will Out.

The Greensboro Workman says: The uncle and father of Frank G. Grogan, who is suspected of the murder of Wesley James, a wealthy bachelor farmer of Walnut Cove, near here, have been arrested and lodged in jail on suspicion of complicity in the crime. James, who lived as a recluse, never associating or having any dealings with his neighbors, died very suddenly about a month ago.

Grogan, who was a perfect stranger and claimed to be from Virginia, made his appearance about the time with a will by which James' property was bequeathed to him. The will is now discovered to be a forgery. Grogan also held deeds to James' land. Grogan has fled. The stomach of the dead man has been placed in the hands of the State chemist for analysis.

Embezzlement Case.

Yesterday a former street car conductor named W. C. Cooper, was arrested on affidavit of S. W. Huff, Esq., manager of the Raleigh Street Car Company, alleging that the said Cooper had embezzled funds of said company to the amount of \$5, more or less. The trial was first set before M. B. Barbee, J. P., but removed on affidavit to Justice Marcom. It commenced this morning in the court house at 9:30 o'clock. Col. J. W. Hinsdale appeared for the railroad and Col. T. M. Argo for the defendant. Mr. Cooper was in service of the company about three weeks, running on the Blount street line. There was a considerable crowd present and the case excited much interest. A large number of witnesses were examined on both sides. Several witnesses testified to seeing defendant collect fares and not ring them up. The defendant was recognized to appear at the next term of the Superior Court for the trial of criminal cases.

A Needed Enterprise for Raleigh.

We learn that Prof. Geo. D. Meares will on Aug 29th open a first class school of music, where instructions can be obtained on all the various instruments at very moderate fees. Quite a number have already entered the school, and as it increases Prof. Meares will associate with himself experienced teachers. We predict for this school much success, as Prof. Meares, the director, is a teacher and composer of known ability. A suitable place on Fayetteville street will be obtained for the school and will be ready about Sept. 1st. Pupils desiring to enter the Raleigh school of music should see the Professor at once.

A Great Blessing.

There are some people who know what a blessing it is to have good wearing, comfortable shoes, some do not. Those who do not, now have an opportunity of finding out by buying a pair of our special line, either ladies or gent's. Bering's hand made shoes for ladies are the most perfect fitting and gives the best satisfaction of any ladies' shoe made, and Reynold's shoes for men are far superior to any other shoe on the market. You only have to try one pair of Reynold's shoes to be convinced that they are the shoes to have. Now if you would save money and at the same time get the best, call at Swindell's.

FURNITURE.

After this week we will talk of other goods. We tell of Furniture again, because this is a time when one can very well buy Furniture

Soon the rush of Fall business begins and then the new stock will be shown. What we are now showing is probably as good of its kind as anything we will get, but of course we must be continually offering our patrons new things in Furniture as well as other goods, so before new lines are opened we must sell from present stock every piece possible, and to do this we make the right prices.
