CITY IN BRIEF.

Barlow Minstrels next Thursday night.
An important meeting of the Board of Managers of the Centennial took place this afternoon.

The letter box at the new depot has been placed in proper place and order, under the supervision of Postmaster Shaffer.

Weldon has established a bank. It was opened on Saturday under the management of Mr. W. R. Smith. It receipts on deposit the first day were \$870.

The Pythian Band is receiving commendation on all sides for the admirable music rendered last night at Brookside Park, on the occasion of the barbecue.

Barlow's Minstrels, the best company now on the road will be the chief feature in amusement loving circles next Thursday night. Important additions have been made to the company.

Regular meeting of Epworth League of Edenton Street Methodist church tonight at 8 o'clock. Members requested to be present and committees should be ready to report. Members of Marvin chapter and Junior League cordially welcome.

There is much complaint among persons residing on the east side of Saunders street, relative to the manner in which the sidewalk has been worked. It seems that the dirt is so packed as to obstruct the opening of gates.

When completed, the repairs on the old North Carolina depot will render it one of the best receptacles of freight in the State. A force of about twenty men are now engaged in making suitable alterations. Freight can be received from the platforms on both sides of the warehouse. Maj. Berkley, superintendent of this division of the North Carolina Railroad was here yesterday looking after the work.

THE BARBECUE LAST Night.

Large Attendance and a Splendid Time.

The Barbecue given last night at Brookside Park, by the two lodges of the Knights of Pythias was a grand success in every point of view. Through the energy and courtesy of Manager Huff of the street car lines, the Park was beautifully illuminated and every convenience necessary at hand. There was a large crowd which was rendered all the more interesting by the presence of many ladies among whom acting as managers were Miss Lovie Park, Miss Adie Little, Miss Collie Riggan and Mrs. John Smith. The occasion was enlivened by the Phalanx Cornet Band. At 8:30 o'clock the ceremonies commenced and were opened with prayer by Rev. F. L. Reid. A. A. Thompson, as master of ceremonies introduced the orator of the occasion Hon. G. W. Banderlin who made a most happy address. At its conclusion supper was announced being prepared on the opposite side of the lake where the tables had been arranged in the best style. Here the enjoyment was profuse in the shape of barbecue, brunswick stew, salads, washed down with iced tea, lemonade and other innocent beverages. Everything passed off in a most pleasant manner, nothing happening to mar the occasion in the least.

Absurd Depot Rules.

Correspondence of VISITOR.
The people who have charge of the new Union Depot have some rules which would be exceedingly laughable if it was not for the fact that the rules put the traveling public to very great inconvenience. It is evident to a traveller that the officials at the new depot need to visit other cities to learn how to superintend a public passenger station.

Among the absurd rules in regard to the building are the following:

1. The house is kept closed except about train time and then one side of a door is cracked open as if to say to a traveller he is not wanted there. The waiting rooms should be open all day, as that is what they are made for.

2. If a lady is visiting the city no one is permitted to pass the iron gates to meet her and help her to alight with her bundles from the train. She has to get off the best she can and carry all her hand baggage about a hundred yards along the platform and take the chances of being found by her friends outside the gates. When you want to meet your friends you are compelled to go to the old depot to get to the train.

3. No one is allowed to accompany even his wife through the gates so as to assist her to the train and find a comfortable seat for her. Persons who desire to assist their friends to the train are requested to take them around to the old depot as formerly in order to reach the train! You can not meet any friend in passing through Raleigh on the train unless you go to the old depot!

Truly these things appear impossible, but they are nevertheless true. Improvements in management are sadly needed.

SWINDELL'S

Railroad Change.

On the first of September some decided changes in official circles of the Richmond & Danville road will go into effect. Mr. J. S. B. Thompson will be made general superintendent of the Richmond & Danville, and Virginia Midland divisions, with headquarters at Richmond. Mr. V. G. Troy, formerly superintendent of the Virginia Midland, will be made assistant to Mr. Thompson, on the Virginia Midland division.

Capt. E. Berkely, formerly superintendent of the Richmond & Danville and North Carolina division takes charge of North Carolina division, with headquarters at Greensboro. He will have charge of the lines from Greensboro to Winston, and Goldsboro and Charlotte.

A Great Blessing.

There are some people who know what a blessing it is to have good wearing, comfortable shoes, some do not. Those who do not, now have an opportunity of finding out by buying a pair of our special line, either ladies or gent's. Bering's hand made shoes for ladies are the most perfect fitting and gives the best satisfaction of any ladies' shoe made, and Reynold's shoes for men are far superior to any other shoe on the market. You only have to try one pair of Reynold's shoes to be convinced that they are the shoes to have. Now if you would save money and at the same time get the best, call at Swindell's.

ANOTHER WEEK

—FOR—

FURNITURE.

After this week we will talk of other goods. We tell of Furniture again, because this is a time when one can very well buy Furniture.

Soon the rush of Fall business begins and then the new stock will be shown. What we are now showing is probably as good of its kind as anything we will get, but of course we must be continually offering our patrons new things in Furniture as well as other goods, so before new lines are opened we must sell from present stock every piece possible, and to do this we make the right prices.
