The Republican State convention will meet September 7th.

The theatrical season opens tonight. Let there be a rousing turnout.

A considerable number of county people are in the city today.

T. R. Purnell and family have returned from Mt. Vernon Springs.

Weeds are getting rank in some parts of the city. They should be cut down.

The Winston Sentinel boasts of seeing a cantaloupe over three feet in length.

The street force is now engaged on much important work in different parts of the city.

Go to Metropolitan Hall tonight. You will see one of the most exciting plays now on the stage.

Rev. Dr. Hall will preach at the Tabernacle morning and evening on Sunday, and will be pleased to see all who can be present.

R. H. Bradley, Esq., Marshall of the Supreme Court, is preparing a catalogue of the Court Library which has about 8,000 volumes.

The corner stone of the Confederate monument in the Capitol square will be laid by the Grand Lodge of Masons of North Carolina.

At the game of baseball which took place yesterday between the Raleigh Male Academy and Raleigh teams, the latter won on a score of 8 to 1.

People who give Hood's Sarraparilla a fair trial realize its great merit and are glad to say a good word for it. Have you tried it?

We are much pleased to learn that Master Claude Denson, who for a month or so has been very ill with typhoid fever, is now considered on the way to rapid recovery.

The young men's meeting at the Y. M. C. A. rooms tomorrow afternoon at 4 o'clock will be conducted by Mr. J. D. Boushall. Music and singing as usual. Boys meeting at 2:30 o'clock, conducted by Mr. R. H. Upton.

Rev. J. B. Hurley and family returned from Lexington this evening where they have been on a visit to friends and relatives. He will occupy his pulpit at Central Church tomorrow morning and night.

The many friends of Mr. John Haywood of this city, who for the last six years has been a large and successful exporter of cotton from the far South are much pleased to know he is to remain in Raleigh during the coming season.

The switch on the street railway on Hillsboro road near Mr. J. N. Hubbard's residence, will be taken up soon, and removed to a point about St. Mary's school gate. This will make the route from the Capitol to the switch about equal to the run from the switch to the Fair grounds.

Our attention has been called to a quiet unassuming lad, an orphan, who desires employment. His timid ity is in his way, but from his appearance, under favorable conditions, he would develop into a useful and honorable business attaches and citizen; otherwise we don't know into what he might drift. We would like to help him. Any person having employment for such a youth can have an interview with him by dropping a card to the Visitor.

The Reception.

The several committees for the reception of General Stevenson and other distinguished gentlemen on the 16th, of September, are at work, and a grand event is expected. The committee on finance held a meeting last night and the following persons were selected to wait on our citizens for the purpose of raising funds.

1. Wholesale Grocers. Cotton Dealers and Jiverymen—P. H. Andrews, Walter Grimes.

2. Hotels, Boarding Houses, Banks, Capitalists. Newspaper and Printing Houses—Geo. C. Heck, E. G. Harrell, W. W. Parish.

3. Retail Grocers, Saloons, Drugs, and Hardware—J. R. Lee, Sherwood Haywood, W. D. Smith.

4. Dry Goods, Millinery, Clothing and Furniture—T. B. Moseley, C. S. Lambeth.

5. Manufacturing, Railroads, County, and State officers—W. E. Ashley, G. E. Leach, C. A. Goodwin.

6. Insurance, Lawyers and other Professions—B. C. Beckwith, K. P. Battle, Jr., W. N. Jones.

The Centennial.

A meeting of the Raleigh Centennial Board of Managers was held at the Mayor's office yesterday afternoon. Col. J. M. Heck submitted a report from the special committee to issue an address to the people of the State. The report was received with much manifestation of delight. It was ordered that 10,000 copies of the address be printed and the committee on printing was given the matter in charge.

Mr. Frank Stronach, chairman of the military committee, made a verbal report asking for an appropriation of \$50, which was given. This sum is necessary to secure a fine gathering of military, which will be the main feature of the celebration. Col. Heck made some important suggestions as to historical events which will be fully considered by the committees on programme, military, &c. A committee on decoration and illumination was ordered to be appointed. Mr. J. E. Pogue said that a number of ladies had in hand the special matter of laying the corner stone of the Confederate monument and had requested the appointment of Messrs. H. W. Ayer, Frank Stronach and E. G. Harrell as committee of co-operation. The proposition was agreed to. The board will meet next Friday afternoon at 5:30 o'clock.

Our Depot.

For years Raleigh has been calling long and loud for a new and modern passenger depot. The call was a just one, perhaps no capital city needed one more. The railroad companies have at last heard our cry and given us a new handsome modern depot. I doubt if there is a better one in the South in any city no larger than Raleigh. We would no doubt have been glad to have the new house on the old spot. But at much expense and inconvenience the railroads have given us not only a new building but a new and convenient location. But alas, we are not satisfied; we want the new and modern depot, but then we see it conducted on "ancient plans." We want to run in and out. We want to crowd around the cars when they arrive. We want to meet our friends half a minute earlier and help them with bags and boxes thirty feet long further on the way. We are so indignant at being "fenced out" that some boldly claim the superintendents are stupid and the rules laughable, and then sign "traveler" to the communication. Now this writer is not a traveler but he has traveled some and he would like to submit that such criticism of the officials and their rules is entirely unjust and in bad taste. Can any person go through the gates to help a friend along or meet a friend at any depot north on any well regulated railroad certainly not. Every person going to the train must have a ticket and show it to the gate keeper, thus accidents and uncomfortable crowding are prevented. What are the gates for, pray? What is the use clamoring for cross road rules for a city depot. The railroads have given us a modern city depot with city rules, do let us be satisfied and be a city.

PROGRESS.

At the Bedal Institute.

At the hours of 8, 12, 4 and 8 o'clock of each day it is interesting to be at the Bedal Institute and witness the treatment of the patients. There have been new arrivals all through this past week and every mail almost brings news of others coming. Dr. Baker, the physician in charge, is a gentleman of great kindness of heart as well as skill in his profession, and all feel great confidence in his care. Speaking with a gentleman who graduated a few days ago he said, "No man, it seems to me, could have a greater thirst for liquor than I had when I entered the Bedal Institute, and now no one feels more determined not to drink again I have no more desire for it than I had never known the taste."

Mr. Moseley, of the Moseley House, where the Institute is located, is pleasing all with the excellent accommodations in board and lodging, and the many attractions in Raleigh make it a favorable place for such an institute as Bedal.

Our new carpets are in stock and ready for inspection. Our patrons can take more time in making selections and be better served than by waiting until the Fall rush begins before buying. We will store until needed all carpets bought now. We still have some "carpet bargains" in Brussels and Ingrains; qualities as good as any, but in short lengths, which will be sold at prices much under value. W. H. & R. S. Tucker & Co.

Order of Railway Conductors.

All O. R. R. Conductors are hereby notified that a meeting of Raleigh Division, No. 264, will be held on Sunday evening, the 28th day of August, 1892, at 9 o'clock p. m., in Odd Fellows' Hall, Raleigh, N. C., for the purpose of promotions and advancements and other matters of interest to all members. C. O. GUTHRIE, Secretary.

A Great Blessing.

There are some people who know what a blessing it is to have good wearing, comfortable shoes, some do not. Those who do not, now have an opportunity of finding out by buying a pair of our special line, either ladies or gent's. Bering's hand made shoes for ladies are the most perfect fitting and gives the best satisfaction of any ladies' shoe made, and Reynold's shoes for men are far superior to any other shoe on the market. You only have to try one pair of Reynold's shoes to be convinced that they are the shoes to have. Now if you would save money and at the same time get the best, call at Swindell's.
