VOL. XXVII.

RALEIGH, WEDNESDAY, AUGUST 31, 1892.

NO. 110

## The Weather Today.

For North Carolina: showers on the coast and in west portion, cooler. Local forecast for this vicinity: On Thursday, fair weather considerably cooler. Local data for 24 hours ending 8 a. m. today: Maximum temperature, 86; minimum temperature 71; rainfall 0.03.

## CITY IN BRIEF.

Cool wave looked for in the next 24 hours so; the knowing ones say.

Much building is going up in different parts of the city.

Decayed vegetation should not be allowed on the premises.

Next month has an "r" in it, but most too soon for oysters.

About 75 students have already arrived at Chapel Hill.

North Carolina old 6 per cent bonds are now selling at \$1.25. The new consols 99.

Racing will be a special feature at the State Fair, and the purses will aggregate \$1,700.

The heat has been of a peculiarly depressing character for the past day or so.

Students for the Agricultural and Mechanical College are arriving. The session will commence tomorrow.

The fall term of Trinity College opens at Durham tomorrow in the new buildings.

The Barlow Brothers at Metropolitan Hall tomorrow night; secure your tickets at once and avoid a rush.

Beware of unripe or overripe fruit. All physicians agree that it is dangerous at this season of the year.

Can any of our venerable citizens tell us the oldest house in the corporate limits of Raleigh?

The correct "fad" now is to kiss your wife, children or sweetheart and bid them good-bye at the (railroad) gate.

The new Lodge of Odd Fellows will be opened tonight at the hall over the Citizens National Bank. All members or the order invited.

If you want to see the most complete and most laughable minstrel troupe of the times, go to Metropolitan Hall tomorrow night.

The North Carolina Steel and Iron company have laid off fifteen acres for a park at Greensboro. While it has not been donated to the town, it can be used by the people.

Will the Street Commissioner be so kind as to have the pump on the corner of Jones and Harrington streets cleaned out as good drinking water is a great necessity in that section?

Messrs. Whiting Bros. are offering real bargains in everything in their line of business. A specialty in shoes is made and they are offering them for ladies, men, boys and girls at the most reduced rates. Call and be suited.

When you carry your wife, daughter or lady friend, to the depot, to see them off, be sure to point through the fence and show them the proper coach. They might, by accident, get into the smoker or baggage car. The man at the gate will no doubt tell you which coach to direct them to, if you ask him.

We can assure our lady friends that the minstrel entertainment given by the Barlow Bros. is of the most refined character and they are attended wherever the troupe performs, by the ladies who turn out in force. Let there be a large turnout.

Let our entire people work for the lawn party to be given by the ladies in Nash Square next week for the purpose of raising funds for the proposed confederate monument. It is a noble purpose, and interest in it should not be allowed to lag. The ladies are doing their part nobly and they should be aided to all the extent possible.

Every testimonial regarding Hood's Sarsaparilla is an honest, unpurchased statement of what this medicine has actually done.

Last evening was one long to be remembered by the Sabbath school of Central M. E. Church especially the smaller ones. The occasion was a large melon cutting; and was enjoyed very greatly by all present. After the feast, a collection for the poor was taken and quite a liberal contribution in cash and kind was received.

## Died.

On the 29th, inst. at the home of her father in Franklinsville North Carolina, Mrs. Florence E. Hall, wife Mr. James Hall aged 26.

## Preparations.

The committee on programme for the reception of Gen. Stevenson held a meeting at the Mayor's office yesterday afternoon at 6:30 o'clock. Mr. Josephus Daniels, chairman of the committee, presided. The matter of the location of the speaking was taken up, and Mr. Frank Stronach suggested Brookside Park, the use of the pavilion having been tendered by Manager Hull, of the electric railway. Capt. Pogue suggested Nash Square as more central and convenient. It was finally decided, on motion of Capt. Pogue, that a committee of five be selected to visit the different proposed sites and report to the full committee next Saturday morning at 10 o'clock. Mr. Frank Stronach, chairman, and Messrs. Pogue and Barber were appointed a committee to ask the Board of Aldermen for the use of Nash Square if desired. The committee to visit sites are S. F. Telfair, chairman, Messrs. Cram, Bagwell, Kennedy and Briggs.

A committee to ascertain if Stronach's hall could be secured for the Association of Democratic Clubs was appointed. They are as follows: Messrs. G. O. Andrews, chairman, C. J. Merrimon, H. M. Cowan, Graham Haywood, H. D. Blake.

Capt. Pogue and Mr. Norris were added to the committee on location of speaking.

## Imported Clothes.

The following letter speaks for itself and needs no comment. The goods referred to will arrive and be placed on sale by the end of this week: HADDERSFIELD, Eng., Aug. 1, '92. Mr. Geo. N. Walters, Raleigh, N. C.: The fall selections of woollens which we have made for you this season are of the finest quality that our looms have produced. They have all been made from specially selected Australian wool. You can highly recommend them for their colors and durability. In designs the quiet and subdued appear to be those demanded by the ultra fashionable merchant tailor. You will find your patterns in styles far superior to any we have made for the English market. FISHER & Co., Manufacturers.

## How to Fix It.

Correspondence of VISITOR. If a friend writes you, that he will pass through Raleigh on a certain day, and that he wishes you to meet him at the depot for a few minutes on important business, telegraph him immediately that he must get off the train and come to the fence where you can engage in a short whispered conversation through the cracks.

If your invalid wife mother sister or other female relative desires you to meet them at the train, advise them that they must get off unaided and meet you at the fence. This is the custom in cities having from 500,000 to 1,000,000 people, and Raleigh is getting "thar" pretty fast. In fact we are getting too large to allow officials any sort of discretion—they might abuse it.

## ANOTHER TRAVELER.

## Photographs.

Go to B. S. Mattoek's for your photographs—118 1/2 Fayetteville st. at t

## Personal.

Mr. J. A. Hollamon, of the State Chronicle has gone to the Western part of the State for recreation.

Mrs. Amanda Habourn and daughter Miss Minnie are in the city visiting Mr. D. T. Swindell. Miss Minnie will attend Peace Institute during the winter.

Gov. Holt has returned to the city from Buffalo Lithia Springs.

## Barlow Brothers

The St. Louis Globe Democrat says: Barlow Brothers' Minstrels at the Olympic Theatre. Notwithstanding there has been a surplus of minstrels at the different theatres in the city in the past few weeks, this popular house held yesterday two audiences that completely packed it and most enthusiastically applauded the entire bill. There were no chestnuts, even the jokes of the end men were new, and the Barlow Brothers' Minstrels made a hit, and kept the large audience in a continuous roar of laughter from first to last.

## Help Out.

On the 16th of next month we are to have in our city some distinguished visitors. It becomes all our people to see to it that they meet with a proper and most generous reception. We notice that other towns in the State are actively moving in the matter. At Asheville, for instance, a mass meeting of citizens of all parties has been held and a sufficient amount for a large entertainment raised. The capital of the State should not be laggard in a matter of this kind. Such occasions are calculated to help Raleigh in many ways, and all our people are interested.

The committee are now on their rounds soliciting subscriptions, and we most earnestly appeal to our citizens to meet them in the most cordial manner and with as much in the shape of pecuniary aid as can be spared. Our reputation is at stake, and we hope it may be generously upheld.

The gentleman that picked up a velvet collar in front of Walters' Tailor Store will confer a favor by returning same to J. N. Walters.

## New Fall Stock Coming In.

We have received a new lot of prints, percales, towels, napkins and crass. Our shoe stock is very complete. Woolcott & Sons.

## A Great Blessing.

There are some people who know what a blessing it is to have good wearing, comfortable shoes, some do not. Those who do not, now have an opportunity of finding out by buying a pair of our special line, either ladies or gent's. Bering's hand made shoes for ladies are the most perfect fitting and gives the best satisfaction of any ladies' shoe made, and Reynold's shoes for men are far superior to any other shoe on the market. You only have to try one pair of Reynold's shoes to be convinced that they are the shoes to have. Now if you would save money and at the same time get the best, call at Swindell's.
