For North Carolina: Fair, except showers on the coast. Cooler Friday morning.

Local forecast for this vicinity: On Thursday, fair weather continued cool.

CITY IN BRIEF.

Paving near the new depot will commence probably next Monday.

The thermometer fell considerably this morning.

There are very few cases of any kind of fever now in the city.

Two prisoners were brought to the penitentiary yesterday from Rowan county.

See notice of publication by John W. Thompson, Clerk Wake Superior Court.

Dr. Sanderlin will open the lawn party Wednesday evening with an address.

There is a material improvement in the health of the city for the month of August.

The political campaign is now fully on, and little else will be talked of until the election.

Mr. R. M. Utzman has for sale some of the finest Saur Kront that we have seen this season. It is just splendid.

The health of the prisoners at the penitentiary is very good for the season.

The committee on collections for the World's Fair are receiving some valuable articles from different points.

Our centennial celebration is getting to be widely talked about. Let us make it the biggest event in our history.

A patent was granted last week to Mr. E. B. Northam, of Raleigh, for a yard stick holder. Also for a bleaching device or compound to Mr. J. A. Myriek, of Salisbury, so says C. A. Snow & Co., of Washington, D. C.

The cholera and a Presidential campaign at the same time is a little more than the country can stand. The Presidential campaign we cannot escape, but by the vigilance of the health authorities we hope to escape the cholera.

Our good friend, Rev. A. D. Belts, celebrated his 67th birthday yesterday. We hope for him many more years of happiness in this life and an abundant reward hereafter. We hope he will find out some of these days what color those Cubans were. He is one of our best citizens.

The lawn party must be a great success. The object is a noble one and all of our people should aid in getting it up. Let contributions be sent in from all parts of the city. Persons should not wait to be called upon. It is impossible to call upon all, and the articles contributed should be sent to Nash Square Tuesday morning next.

Messrs. W. C. & A. B. Stronach come to the front today in a new advertisement which should be carefully read by all who value the good things of life. This enterprising firm never tires of catering to the public wants, and their advertisement today presents a bill of fare of unusual attraction. Read what they have to say for "man and beast."

Remember that several of the towns in North Carolina are making extensive preparations to receive Gen. Stevenson and other distinguished citizens who are expected during the month of September. Raleigh should not be behind in the display of cordial welcome on such an occasion. It appeals to our city pride and all should help out. Therefore, we most earnestly urge upon our people to meet the committee having in charge the matter of subscriptions in as liberal a manner as possible.

Much cooler.

A large number of students are in the city.

The framing of the new building at Caraleigh Mills has commenced.

A new lodge of Odd Fellows was organized in this city, last night.

Barlow Bros. minstrels at Metropolitan Hall tonight.

Receipts of cotton in this city for the year ending August 31st, were 28,000 bales.

Mr. G. Rosenthal and family have returned to the city from Swepsonville.

Let the ladies turn out tonight and greet Barlow Bros. minstrels. It will be an occasion of innocent amusement not to be overlooked.

The first bale of new cotton was brought to the city yesterday by Mr. Dempsey Wood, of Johnston county. It was sold at auction to Mr. Chas. E. Johnson at 7¢.

There are now over ninety students at the Raleigh Male Academy and the number is gradually increasing. It is one of the best institutions in the country for preparing boys for college.

G. W. Holt has offered a reward of \$100 each for the arrest of Wm. Hall and John Doekery Jr., two white men who murdered Andrew Byson in Cherokee county, recently.

Much interest is being centered in political circles over the action of the Republican Convention which meets during the present month. The all absorbing question is, whether or not a State ticket will be put in the field.

Personal.

Mr. F. H. Luusden has returned from Morehead much improved in health after a week's recreation.

Mr. Thomas Miller, who for a long time was clerk at the News and Observer office, has returned from an extended trip to Colorado and the Western States. We are pleased to welcome him home again. He says that Raleigh is the best place after all.

C. M. Roberts keeper of the Capitol has gone on a trip to the Sparkling Catawba Springs.

We regret to announce the serious illness of Mr. J. O. R. Little at his residence in the northern suburbs.

Mr. Edgar Tucker who was so well known in the shoe department of Messrs. W. H. & R. S. Tucker & Co. here, left last evening for Atlanta Ga., having accepted a situation in a shoe house at that place. His many friends regret his leaving. He is a clever fellow and all wish him success in his new position.

Grand Sire Charles M. Eusbee will start for Portland, Oregon, tomorrow morning, accompanied by Mrs. Busbee, to attend the annual session of the Sovereign Grand Lodge of Odd Fellows, which meets in that city on the 19th inst. Mr. and Mrs. Busbee will spend a few days in Louisville, Ky., and Chicago, Ill., visiting friends and will leave the latter city on the 16th making the journey across the continent in a special train of Pullman vestibuled cars, the arrangements having been made by General John C. Underwood for the transportation of all the representatives who choose to avail themselves of that route. They will make the trip from Chicago to Portland without a change of cars, stopping one day at Denver, Colorado, and one day at Salt Lake City, Utah, to give them a chance to rest and visit points of interest, reaching Portland, Oregon, September 16th. The Grand Representatives of this State, accompanied by their wives, will leave on the 7th and join Mr. and Mrs. Busbee in Chicago.

The Oldest House.

We are informed by Mr. John R. Taylor, one of the oldest citizens, that the house on the corner of Lenoir and South streets is one of, if not the oldest house in Raleigh. He says that Mr. Jacob Johnson, the father of Andrew Johnson, once occupied it. It was built by Mr. William Ashley the grand father of Mr. William Bonner. Let us hear from others.

The New Depot.

We have taken pains to make enquiries into the rules and regulations that govern the new depot in this city and we find them to be in strict accord with those prevailing in most of the cities of the country. There is and will continue to be, every disposition to meet the wants of the public in all manner consistent with a proper regard to order and system. Of course, much that has been said about the rules can be considered in the way of levity. So far as the meeting of friends &c is concerned we are authorized to say, that when proper application is made such requests will be granted. To sum it up, we can assure the public that there need be no apprehension that any person or persons will fail to receive all proper courtesies. Of course all our people well know that Col. Andrews and Maj. Wieder have the interest of our citizens too much at heart to, in any way, discommodate them.

Those who do not, now have an opportunity of finding out by buying a pair of our special line, either ladies or gents'. Bering's hand made shoes for ladies are the most perfect fitting and gives the best satisfaction of any ladies' shoe made, and Reynold's shoes for men are far superior to any other shoe on the market. You only have to try one pair of Reynold's shoes to be convinced that they are the shoes to have. Now if you would save money and at the same time get the best, call at Swindell's.
