## CITY IN BRIEF.

Fall creeping on.

The dews are very heavy.

New tobacco coming in slowly.

Soon be time to pay taxes again.

The luscious oyster is looming up.

There is a large increase in the orders for fertilizer tags.

Regular monthly meeting of the Board of Aldermen tonight.

The merry laugh of the school girl will soon be heard in the land.

The corner stone of the proposed Confederate monument will be laid by the Grand Lodge of Masons.

It is expected that there will be an attendance of about a hundred students at the Agricultural College.

The State Democratic Executive Committee will meet in this city on Tuesday next, September 6th.

Fifty cents choice was asked for a large sized watermelon in market this morning. The receipts are getting light.

St. Marys and Peace Institute will open with large attendance. They are among the best female institutions of learning in the United States.

Many of the towns in the State are making extensive preparations for the reception of the distinguished visitors, Gens. Stevenson and Ewing.

Until the new switch at St. Mary's is properly fixed it is necessary to change cars at that point on the way to and from the Agricultural grounds.

Hood's Sarsaparilla absolutely cures all diseases caused by impure blood and it builds up the whole system.

Travel on the railroads is now quite heavy. Many persons are returning from the different summer resorts and the young ladies are on their way to school.

Work on the re-arrangement of the North Carolina old depot as a freight warehouse, is fast progressing. It will be a commodious and convenient building.

The Salem Female Academy opened yesterday with the names of 250 young ladies on the register representing nearly every State in the South. It promises to be one of the most successful sessions yet held.

A friend has asked us if we could give him the status of the Baptist Female College. We confess we are not posted in the matter, and would like to hear from some person connected with the enterprise.

We invite attention to the advertisement of Messrs. George H. Sears & Co., who have opened a commission house at 14 East Hargett street for the sale of all kinds of green groceries, fruits, &c. They will make specialties of fish, oysters, poultry and game and respectfully solicit consignments.

The lawn party is to be given next week by the ladies, who are making great preparations for the event and the outlook is fine for a splendid success. The young men composing the Knights of Pythias band have tendered their services to furnish music for the occasion. This is a grateful act for which these gentlemen are entitled to the highest praise.

The outlook now is that there will be a tremendous concourse of people here on the 16th inst. This, of course, is calculated to aid our business men, and hence all our citizens, regardless of party affiliations are most earnestly requested to aid all in their power toward making the occasion a success. Meet the soliciting committee with open hands—and pockets.

St. Mary's grove is a most excellent site for the proposed reception ceremonies incident to the visit of Gen. Stevenson.

Everything will soon be bustle at the fair grounds getting ready for the exhibition. Secretary Ayer is getting fully pressed with business and says that the outlook is splendid for a first class fair.

On the 15th, of September the Carolina Central Railroad will have a new connection. On that date, the Charleston, Sumter and Northern road will connect at Hamlet with the Seaboard system.

Regular meeting of Ruth Lodge D. of R Friday night, Sept. 2d at 8 o'clock. All members requested to be present.

ELLA BARBER,  
Recording Secretary.

A very large audience filled Metropolitan Hall last night to witness the performance of the Barlow Brothers minstrel troupe, and all were delighted. Many ladies were present. The entertainment is good, coming fully up to the mark in all respects.

The regular monthly meeting of Epworth League of Central M. E. Church tonight at 7:45 o'clock. Every member earnestly requested to be present. Time for election of officers for the next quarter, let all attend.

## Cleveland Carr Club.

The regular meeting of the club will take place tonight, at 8 o'clock in Metropolitan Hall, and it will be one of much importance. It is expected that committees appointed to make arrangements for the reception of Gens. Stevenson and Ewing will submit their reports. We learn that the committee having in charge the location of the speaking have secured the consent of Rev. Dr. Bennett Smedes, that it may take place in St. Mary's grove and, it is thought that it will be selected. It is most admirably adapted for the purpose and is on the direct line of the street railway. The clubs will escort the visitors from the Yarboro House to the place of speaking.

## A Good Idea.

It has been suggested that as one feature of the Centennial celebration will be the opening of the Raleigh & Gaston Railroad to this city, it would be a good idea to procure patterns of the old locomotives, "Spitfire" and "Tornado" to be in the procession, and it was suggested by our friend, Col Heck, that Mr. Albert Johnson, who came to this city on the first locomotive, be requested to stand at the throttle. Another good idea has been suggested that as many of the natives of Raleigh as are now living here who attended the celebration be requested to take places in the procession which will be assigned them. We have in our mind several of the gentlemen who are now honored citizens among them Mr. W. M. Brown, Sr., Mr. John Taylor, Mr. David L. Royster and Mr. Ralph N. Andrews. There are no doubt others still here who would participate. It will make an interesting feature of the occasion.

## Personal.

Mr. Joseph Separk has gone to Durham to enter college for the next session. Joe is a good young man and is studying for the ministry. This is his second session.

J. C. L. Harris has returned from a trip to New York City.

We are pleased to learn that the health of Chief Justice Merrimon has much improved during the recess of court.

HADDERSFIELD, Eng. Aug. 1, '92.  
Mr. Geo. N. Walters, Raleigh, N. C.:  
The fall selections of woolsens which we have made for you this season are of the finest quality that our looms have produced. They have all been made from specially selected Australian wool. You can highly recommend them for their colors and durability. In designs the quiet and subdued appear to be those demanded by the ultra fashionable merchant tailors. You will find your patterns in styles far superior to any we have made for the English market.

## A Great Blessing.

There are some people who know what a blessing it is to have good wearing, comfortable shoes, some do not. Those who do not, now have an opportunity of finding out by buying a pair of our special line, either ladies or gent's. Bering's hand made shoes for ladies are the most perfect fitting and gives the best satisfaction of any ladies' shoe made, and Reynold's shoes for men are far superior to any other shoe on the market. You only have to try one pair of Reynold's shoes to be convinced that they are the shoes to have. Now if you would save money and at the same time get the best, call at Swindell's.

Don't turn down the collection committee for the entertainment of our visitors. Let us keep the reputation of Raleigh up to the high water mark.
