The Weather Today.

For North Carolina: Generally fair, except showers on the coast Sunday. Local forecast for this vicinity: On Sunday, fair weather, stationary temperature. Local data for 24 hours ending 8 a. m. today: Maximum temperature, 87; minimum temperature 61; rainfall 0.00

CITY IN BRIEF.

Venison in market today. Splendid nights for sleeping. Bills are being posted for the State Fair. Bear in mind the great citizens meeting at Metropolitan Hall on Monday night next. The Oxford Female Seminary has opened under the most promising auspices. Mr. Claude Sherwood will open his new dry goods store next Wednesday. It has been fixed up nicely. Hood's Sarsaparilla is an honest medicine, honestly advertised for those diseases which it honestly absolutely cures. John Williamson, candidate for congress from this district, announced himself an independent candidate for congress from this district. We are much pleased to state that the lawn party on Nash Square proved a success. The ladies deserve the highest praise. At the baby show on Nash square the prize was awarded to Miss Josephine Engelhard Boylan, daughter of Wm. Boylan, Jr. We learn that Miss "Josie" is much elated at her success. The great success of the lawn party is owing in a great measure to the Pythian band. It was greatly appreciated by the ladies who desire to return thanks to Mr. Egan, Mr. Hughes and Colin Hawkins for cordialities, &c. At a called meeting of the North Carolina Board of Health held in Wilmington, on September 7th, 1892, Dr. George Gillet Thomas, Wilmington, N. C., was elected as a member of the Board to fill the unexpired term of Dr. Thomas F. Wood, deceased. Dr. Richard H. Lewis, Raleigh, N. C., was elected Secretary of the Board, and to him all communications should be addressed after October 1st, 1892.

Funeral.

The funeral of the late Miss Lula Bailey took place this morning from the Baptist Tabernacle at 10 o'clock, and was attended by a large crowd of relatives and friends. The services were conducted by the pastor, Rev. Dr. J. J. Hall, and were very impressive. The floral decorations were very tasteful and beautiful.

Meeting of Marshals.

Those who have received notice of their appointment as marshals for the Stevenson Ewing reception will please meet in the mayor's office Monday night, September 12th, to arrange matters as to the parade, &c.

By order of **W. C. STRONACH,**
Chief Marshal

Don't Forget It.

Attention is called to the fact that a constitutional amendment is to be voted on at the election in November next. The legislature passed an act providing that solicitors should be voted for by a vote of the entire state instead of districts as now. This should be borne in mind.

In Luck

It has been suggested that the letter "C" is on the high road to fame the present year. For instance: Christopher Columbus, Cleveland, Centennial, Carr, Corbett, of California, Cleveland Carr Clubs, Cholera, Caraleigh, Chicago, new Chamber of Commerce, Commercial Bank, Confederate Celebration Campaign, Census, Confederate Camp, "The Colonel," &c.

The Concert.

Last night Metropolitan Hall was well filled with a delighted audience to listen to some of Raleigh's best musical talent which had been reinforced by Capt. Frank Cunningham, of Richmond, Va., who always wins plaudits from appreciating audiences. All the ladies performed the parts assigned therein a most excellent manner and the receipts of the evening were entirely satisfactory.

A Dividend.

At a special meeting of the Board of Directors for the Atlantic and North Carolina Railroad, held last Wednesday a dividend of 3 per cent on the capital stock of the company was declared payable on and after the first of October. Of this dividend \$40,000 will go to the State of North Carolina which owns two thirds of the stock. This is the first dividend ever declared by the road, in its existence of about forty years.

Personal.

We are requested to state that Miss Virgie Lawrence, sister of Mr. Robert Lawrence of Wake Forest College, is quite sick in this city, and her friends feel anxious about her.

Misses Minnie and Bessie Germany, of Columbia, S. O., who have been visiting Mrs. W. O. Faucett the past two weeks returned home today much pleased with their visit to "city of oaks."

We regret to learn that Hon. B. H. Bunn has a very sick daughter.

Mrs. Julia Fisher has returned to the city from a trip of several weeks to Asheville.

Mr. H. A. Latham, editor of Washington Gazette, is in the city.

Mr. and Mrs. W. H. Saintsing have gone to Baltimore on a pleasure trip to see their relatives and friends.

Mrs. Gen. H. Sears has been quite sick for several days at her home, 318 West Edenton street.

Mr. R. K. Ferrell, of Durham, a former well known citizen of Raleigh, has been in the city for several days superintending the paving at the new hotel. Mr. Ferrell will doubtless have a nice piece of work.

Nancy Hanks' Record.

Nancy Hanks has broken the trotting record of the world. So we will break the dry goods record of the world in price, style and quality; but there is a difference in Nancy's work and ours. She lowers the record while we lower it and raise it at the same time—lower it in price and raise it in style and quality. The carpets are included in this great record breaking at Swindell's.

A House Girl Wanted

A colored girl for house work can secure a position upon application at 119 Fayetteville street.

The Centennial.

The Board of Managers held a meeting yesterday afternoon at which much important business looking to the celebration of the Centennial was transacted. An appropriation of \$100 was made for the free distribution of the address of Hon. K. P. Battle. A committee was appointed consisting of Messrs. H. W. Ayer, G. E. Leach, and Frank Stronach to arrange for a bureau of information. The following resolution offered by Mr. Poague, was adopted:

Resolved, That the Board of Managers of the Raleigh Centennial hereby extend a cordial invitation to the Odd Fellows, Knights of Pythias, Masons, Trades Union, Typographical Union, and all other civic organizations of this city. Also the Military and Fire organizations to join in the celebration of the approaching Centennial of 18, 19 and 21st next.

Walters, Raleigh, N. C.: The fall selections of woollens which we have made for you this season are of the finest quality that our looms have produced. They have all been made from specially selected Australian wool. You can highly recommend them for their colors and durability. In designs the quiet and subdued appear to be those demanded by the ultra fashionable merchant tailors. You will find your patterns in styles far superior to any we have made for the English market.
